Northrop Grumman to Present at the Cowen and Company 29th Annual Aerospace/Defense Conference

January 30, 2008

LOS ANGELES, Jan. 30 /PRNewswire-FirstCall/ -- Northrop Grumman Corporation (NYSE: NOC) will present at the Cowen and Company 29th Annual Aerospace/Defense Conference on Feb. 6, 2008 in New York City. Ronald D. Sugar, chairman and chief executive officer will make a presentation beginning at 11:10 a.m. EST. It will be webcast live at http://www.northropgrumman.com and an audio replay will be available for two weeks.

Northrop Grumman Corporation is a $32 billion global defense and technology company whose 120,000 employees provide innovative systems, products, and solutions in information and services, electronics, aerospace and shipbuilding to government and commercial customers worldwide.

Note: Certain statements and assumptions in this release and/or presentation to be made at the conference and the accompanying materials, if any, contain or are based on "forward-looking" information (that Northrop Grumman believes to be within the definition in the Private Securities Litigation Reform Act of 1995) and involve risks and uncertainties, and include, among others, statements in the future tense, and all statements accompanied by terms such as "project," "expect," "estimate," "assume," "believe," "plan," "guidance," "outlook" or variations thereof. This information reflects the company's best estimates when made, but the company expressly disclaims any duty to update this information if new data becomes available or estimates change after the date of this release or the subject presentation. A discussion of these risks and uncertainties is contained in the Company's filings with the Securities and Exchange Commission, including Forms 10-K and 10-Q among others.
