

Northrop Grumman Acquisition of Orbital ATK Approved by European Commission

February 12, 2018

FALLS CHURCH, Va., Feb. 12, 2018 (GLOBE NEWSWIRE) -- The European Commission has notified Northrop Grumman Corporation (NYSE:NOC) that it has approved Northrop Grumman's acquisition of Orbital ATK (NYSE:OA). Northrop Grumman continues to support the U.S. Federal Trade Commission's review of the acquisition.

Northrop Grumman is a leading global security company providing innovative systems, products and solutions in autonomous systems, cyber, C4ISR, strike, and logistics and modernization to customers worldwide. Note: Statements in this press release, other than statements of historical fact, constitute "forward-looking" information within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "will," "anticipate," "expect," "intend," "plan," "believe," "estimate," and similar expressions generally identify these forward-looking statements. Forward-looking statements include, among other things, statements regarding the benefits and implications of the proposed Orbital ATK acquisition and the timing and circumstances of the proposed acquisition. These forward-looking statements speak only as of the date when made, and the Company undertakes no obligation to update or revise any forward-looking statements after the date of this press release except as required by applicable law. Forward-looking statements are not guarantees of future performance and inherently involve a wide range of risks and uncertainties that are difficult to predict. A discussion of these risks and uncertainties is contained in the Company's filings with the Securities and Exchange Commission.
