

## Northrop Grumman Announces New \$3 Billion Share Repurchase Authorization

December 4, 2018

FALLS CHURCH, Va., Dec. 04, 2018 (GLOBE NEWSWIRE) -- Northrop Grumman Corporation (NYSE: NOC) announced today that its board of directors has authorized an additional \$3 billion for the repurchase of the company's common stock, increasing the outstanding authorized amount to approximately \$4.1 billion. Share repurchases will take place from time to time, subject to market conditions and management's discretion, in the open market or in privately negotiated transactions.

Northrop Grumman is a leading global security company providing innovative systems, products and solutions in autonomous systems, cyber, C4ISR, space, strike, and logistics and modernization to customers worldwide. Note: Statements in this press release, other than statements of historical fact, constitute "forward-looking" information within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "will", "anticipate," "expect," "intend," "plan," "believe," "estimate," "guidance," and similar expressions generally identify these forward-looking statements. These forward-looking statements speak only as of the date when made, and the Company undertakes no obligation to update or revise any forward-looking statements after the date of this press release except as required by applicable law. Forward-looking statements are not guarantees of future performance and inherently involve a wide range of risks and uncertainties that are difficult to predict. Actual results may differ materially from those described or implied in these statements based on a number of factors, including global economic conditions, economic conditions in our industry, government fiscal and budget policies, changes in interest rates and other market conditions. A discussion of these risks and uncertainties is contained in the Company's filings with the Securities and Exchange Commission.
