## PROSPECTUS SUMMARY

THE FOLLOWING SUMMARY IS QUALIFIED IN ITS ENTIRETY BY, AND SHOULD BE READ IN CONJUNCTION WITH, THE MORE DETAILED INFORMATION AND FINANCIAL DATA (INCLUDING FINANCIAL STATEMENTS, PRO FORMA FINANCIAL DATA AND THE NOTES THERETO) INCLUDED ELSEWHERE IN THIS PROSPECTUS OR INCORPORATED HEREIN BY REFERENCE.

### THE COMPANY

Northrop Grumman Corporation (the "Company") is an advanced technology aerospace and defense company operating primarily in two business segments: electronics and systems integration and military and commercial aircraft. Within the electronics and systems integration segment, the Company is engaged in the design, development and manufacture of a wide variety of complex electronic products such as airborne radar, surveillance and battle management systems, electronic countermeasures, precision weapons, antisubmarine warfare systems and air traffic control systems. Within the military and commercial aircraft segment, the Company is engaged in the design, development, manufacture and modification of military aircraft and commercial aerostructures. The Company is also engaged in the design, development and manufacture of information systems, marine propulsion and power generation systems and a variety of other products and services. Approximately three-fourths of the Company's revenues in 1996 are expected to be generated from the U.S. Department of Defense (the "DOD"), with the balance provided by contracts with commercial aerospace manufacturers, other U.S. government agencies and various foreign customers.

The Company has a balance of programs in both the production and development phases. While production programs generally involve less risk and generate greater cash flow than development programs, development programs are essential for future growth opportunities. Based on its backlog and business mix, the Company believes that its cash flow from operations as compared to its investment requirements will result in significant cash flow available for debt reduction, dividends and other uses over the next several years.

Many of the Company's programs are among the principal programs for the various branches of the U.S. military. The Company is the prime contractor on the B-2 Stealth Bomber, the only strategic bomber currently in production; the principal subcontractor on the F/A-18C/D Hornet, the U.S. Navy's primary strike/attack aircraft, as well as on the next generation F/A-18E/F Super Hornet; the prime contractor on the E-2C Hawkeye, the U.S. Navy's principal early warning, command and control aircraft; the prime contractor for the E-8 Joint STARS aircraft radar system, which will be the primary airborne ground surveillance and battle management system for the U.S. Air Force and Army; the prime contractor on the BAT "Brilliant" self-guided submunition under development for the U.S. Army; the supplier of the APG-68 Fire Control Radar used on the F-16, one of the most widely used fighter aircraft in the world; the supplier of the ARSR-4 Long Range Radar, a three-dimensional air traffic control radar system used by the U.S. Air Force and the U.S. Federal Aviation Administration; and the supplier of the AN/APY-1, 2 surveillance radar which provides real-time, all-altitude and beyond-the-horizon target detection, identification and tracking for the E-3 AWACS surveillance aircraft.

The Company is also one of the world's leading manufacturers of commercial aerostructures and components. The Company manufactures major portions of the Boeing 747, 757 and 767 jetliners as well as significant subassemblies and components for other commercial aircraft, including the Boeing 777 jetliner.

### STRATEGY

The Company intends to strengthen its position as a leader in the aerospace and defense industry by pursuing the following strategies: (i) focusing on segments of defense markets that are growing and where the Company has premier technological capabilities, particularly in electronics and electronics systems integration; and (ii) leveraging its airframe design expertise and manufacturing strengths to remain a key competitor in military aircraft and commercial aerostructures. The Company has been pursuing these strategies since 1992 through both internal initiatives and acquisitions and, as a result, enjoys leading positions in those market segments in which it chooses to compete. The Company's primary objective in pursuit of these strategies is to maximize total return on investment.

The Company is transforming itself from primarily an aircraft designer/manufacturer to an electronics and systems integration company with a leading airframe and aerostructures business. In early 1994, the Company significantly expanded its electronics business with the acquisition of Grumman Corporation ("Grumman"), a leading electronic systems integration company. In March of 1996, the Company acquired the Electronics Systems Group of Westinghouse Electric Corporation ("ESG"). ESG is a leading producer of sophisticated electronics for defense, government and commercial applications. As a result of these acquisitions, the Company expects that its electronics and systems integration revenues will approximate 50% of total revenues in 1996 and that this percentage will continue to increase in the future.

This strategic transformation positions the Company to meet the growing needs of the DOD for more sophisticated electronics and integrated electronics systems. Since the end of the Cold War, the DOD has recognized the necessity of maintaining an effective fighting force with fewer defense dollars, thereby placing a premium on sophisticated systems that provide long-range surveillance, battle management and precision-strike capabilities. As military systems have become more complex, integration of the electronic functions of the various platforms, weapons and support systems has become increasingly important. Budget constraints have also encouraged spending on program modifications, upgrades and extensions rather than on new development programs, further increasing demand for sophisticated electronics systems. As a technological leader in designing, manufacturing and integrating the sophisticated electronics systems that provide long-range surveillance, battle management and precision-strike capabilities, the Company believes that it is well positioned to serve the electronic systems market.

The Company has also strengthened its military and commercial aircraft segment. In 1992, the Company acquired 49% of Vought Aircraft Company ("Vought"), a leading manufacturer of commercial and military aerostructures, and in 1994 acquired the remaining 51% of Vought and the military aircraft business of Grumman. These acquisitions and the Company's internal initiatives have enabled the Company to establish a leading position in military aircraft and commercial aerostructures. The Company believes that it will maintain this leadership position as a result of its airframe design experience, including stealth technology, as well as its cost-competitive manufacturing capabilities.

#### ACQUISITION OF ESG

On March 1, 1996, the Company completed the acquisition of ESG for approximately \$2.9 billion in cash (the "Acquisition"). For the year ended December 31, 1995, ESG generated revenue of \$2.6 billion. The Acquisition was financed with a combination of bank borrowings and intermediate and long-term notes and debentures. The business of ESG is now operated as the Company's new Electronic Sensors and Systems Division ("ESSD").

ESSD is a leading supplier of electronic systems for defense, government and commercial applications. It employs nearly 12,000 people worldwide at 15 operating locations, primarily in the United States. ESSD has a diversified portfolio of programs with no single program accounting for more than 10% of revenues in 1995. Approximately one-half of ESSD's 1995 revenues were attributable to radar technology applied to surveillance, fire control, air traffic control and other purposes. ESSD also designs and manufactures other avionics products, electro-optical systems, undersea and marine products and material handling systems.

The Acquisition represents a substantial step in the Company's continuing transformation from an aircraft designer/manufacturer to a defense electronics and systems integration company with a leading aircraft and aerostructures business. The Acquisition enables the Company to serve a larger customer base, domestically and internationally, and is expected to provide the opportunity to achieve revenue growth and greater cash flow stability. The Acquisition will also enable the Company to enhance its role on important programs such as E-8 Joint STARS and BAT, and to expand its business into the areas of air traffic control and anti-submarine warfare systems.

The following unaudited pro forma condensed combined financial statements reflect the ESG acquisition and are based upon the historical financial statements of the Company and ESG for the period indicated, combined and adjusted to give effect to the ESG acquisition using the purchase method of accounting. The unaudited pro forma condensed combined statement of financial position gives effect to the ESG acquisition as if it had occurred on December 31, 1995. The unaudited pro forma condensed combined statements of income give effect to the ESG acquisition as if it had occurred on January 1, 1995. The adjustments to the unaudited pro forma financial statements do not give effect to the proposed issuance of shares in the Offerings and the use of proceeds therefrom. The pro forma adjustments are described in the accompanying notes.

The purchase price has been allocated to the assets and liabilities acquired based upon preliminary estimates of their respective fair values. The liabilities acquired include contingent liabilities of the type normally associated with the conduct of the business including product warranty, employee, environmental and litigation claims. As to certain contingent liabilities, the Company's exposure has been limited, above certain thresholds, by indemnification from or a participation agreement with the seller up to limits that the Company believes, based on its investigations and negotiations to date, will not be exceeded as the liabilities are settled or otherwise satisfied. Based upon available information, the Company expects that those contingent liabilities for which loss provisions have not been included in the purchase price adjustment will not have a material adverse impact on the Company's results of operations or financial position. The Company does not presently anticipate that the changes to the purchase price allocation presented will be material. The unaudited pro forma financial information does not give effect to any synergies or cost savings that the Company may realize as a result of the ESG acquisition. The Company is compiling data to determine those business areas and facilities that do not fit in its long-term strategy and intends to complete this process by December 31, 1996. During the remainder of 1996, the estimates of fair value for other assets and liabilities will be refined and changes, if any, will be reflected in the Company's periodic Exchange Act filings for 1996.

The unaudited pro forma condensed combined financial statements are not necessarily indicative of the results of operations or financial position of the combined company that would have occurred had the ESG acquisition occurred on the dates indicated above, nor are they necessarily indicative of future operating results or financial position.

The unaudited pro forma condensed combined financial statements should be read in conjunction with the audited consolidated financial statements, including the notes thereto, of the Company in its Annual Report on Form 10-K for the year ended December 31, 1995 and of ESG contained in the Company's Current Report on Form 8-K filed March 18, 1996, and the unaudited consolidated financial statements, including the notes thereto, of the Company in its Quarterly Report on Form 10-Q for the quarterly period ended March 31, 1996, which are incorporated herein by reference. NOTES TO PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS  
(UNAUDITED)

- (a) Adjustments to record \$3 billion in loans obtained to finance the acquisition of ESG, and to assign the purchase price to assets acquired and liabilities assumed. The allocation of the purchase price to assets and liabilities is based upon preliminary estimates of their respective fair values. The Company is compiling data to determine the final allocation of the purchase price, which process will be completed by December 31, 1996. The Company does not presently anticipate material changes in the purchase price allocations.
- (b) Adjustment to record the preliminary estimate of ESG retiree benefits liabilities in excess of the market value of related assets at December 31, 1995. The Company is reviewing the actuarial data relative to the ESG retiree benefit plans and based on the results of the review the liability may be adjusted.
- (c) Adjustment to reflect a change in the method of recognizing contract revenue from the milestone method applied by ESG to conform with the Company's method of revenue recognition, the cost-to-cost type of percentage of completion, on similar type contracts (adjustment for the year ended December 31, 1995: net sales -- \$113 million; operating costs -- \$103 million).
- (d) Adjustment to amortize goodwill over a 40-year period on a straight-line basis and other purchased intangibles on a straight-line basis over periods ranging from 1 to 10 years, with a combined weighted average life of 33 years which results in amortization for the twelve-month period ended December 31, 1995 of \$118 million and amortization for the three-month period ended March 31, 1996 of \$21 million.
- (e) Adjustment to record interest expense on \$3 billion of borrowings incurred in connection with the acquisition of ESG at an average annual effective interest rate of 7%. A change of 1/8% in the assumed annual interest rate on the variable rate debt of approximately \$2 billion would change the annual interest expense by approximately \$2.5 million.
- (f) Adjustment to record the income tax effects of pretax pro forma adjustments.
- (g) Northrop Grumman data includes one month of combined operations of Northrop Grumman and ESG. ESG data reflects operations for the two months ended February 29, 1996.
- (h) Adjustment to eliminate intercompany sales between ESG and the Company (for the year ended December 31, 1995: net sales -- \$101 million; for the three months ended March 31, 1996: net sales -- \$12 million).

## THE COMPANY

### GENERAL

Northrop Grumman Corporation (the "Company") is an advanced technology aerospace and defense company operating primarily in two business segments: electronics and systems integration and military and commercial aircraft. Within the electronics and systems integration segment, the Company is engaged in the design, development and manufacture of a wide variety of complex electronic products such as airborne radar, surveillance and battle management systems, electronic countermeasures, precision weapons, antisubmarine warfare systems and air traffic control systems. Within the military and commercial aircraft segment, the Company is engaged in the design, development, manufacture and modification of military aircraft and commercial aerostructures. The Company is also engaged in the design, development and manufacture of information systems, marine propulsion and power generation systems and a variety of other products and services. Approximately three-fourths of the Company's revenues in 1996 are expected to be generated from the U.S. Department of Defense (the "DOD"), with the balance provided by contracts with commercial aerospace manufacturers, other U.S. government agencies and various foreign customers.

On March 1, 1996, the Company completed the acquisition of the Electronic Systems Group of Westinghouse Electric Corporation which is now the Company's Electronic Sensors and Systems Division ("ESSD"). ESSD is a leading supplier of electronics systems for defense, government and commercial applications. This acquisition further enhances the Company's electronics and systems integration capabilities, broadens the Company's product offerings and provides growth opportunities in key defense and commercial markets. See "-- Acquisition of ESG" and "-- Divisions -- Electronic Sensors and Systems Division."

In 1992 the Company acquired a 49% interest in Vought Aircraft Company ("Vought"), a leading manufacturer of commercial and military aerostructures. In 1994 the Company acquired Grumman Corporation ("Grumman") and the remaining portion of Vought. With Grumman, the Company acquired a premier supplier of electronic surveillance and electronic systems integration products as well as military aircraft.

The Company has a balance of programs in both the production and development phases. While production programs generally involve less risk and generate greater cash flow than development programs, development programs are essential for future growth opportunities. Based on its backlog and business mix, the Company believes that its cash flow from operations as compared to its investment requirements will result in significant cash flow available for debt reduction, dividends and other uses over the next several years.

Many of the Company's programs are among the principal programs for the various branches of the U.S. military. The Company is the prime contractor on the B-2 Stealth Bomber, the only strategic bomber currently in production; the principal subcontractor on the F/A-18C/D Hornet, the U.S. Navy's primary strike/attack aircraft, as well as on the next generation F/A-18E/F Super Hornet; the prime contractor on the E-2C Hawkeye, the U.S. Navy's principal early warning, command and control aircraft; the prime contractor for the E-8 Joint STARS aircraft radar system, which will be the primary airborne ground surveillance and battle management system for the U.S. Air Force and Army; the prime contractor on the BAT "Brilliant" self-guided submunition under development for the U.S. Army; the supplier of the APG-68 Fire Control Radar used on the F-16, one of the most widely used fighter aircraft in the world; the supplier of the ARSR-4 Long Range Radar, a three-dimensional air traffic control radar system used by the U.S. Air Force and the U.S. Federal Aviation Administration; and the supplier of the AN/APY-1, 2 surveillance radar which provides real-time, all-altitude and beyond-the-horizon target detection, identification and tracking for the E-3 AWACS surveillance aircraft.

The Company is also one of the world's leading manufacturers of commercial aerostructures and components. The Company manufactures major portions of the Boeing 747, 757 and 767 jetliners, as well as significant subassemblies and components for other commercial aircraft, including the Boeing 777 jetliner.

The Company was founded in 1939 and reincorporated in 1985 in Delaware. The Company's executive offices are located at 1840 Century Park East, Los Angeles, California 90067 and its telephone number is (310) 553-6262.

## STRATEGY

The Company intends to strengthen its position as a leader in the aerospace and defense industry by pursuing the following strategies: (i) focusing on segments of defense markets that are growing and where the Company has premier technological capabilities, particularly in electronics and electronics systems integration; and (ii) leveraging its airframe design expertise and manufacturing strengths to remain a key competitor in military aircraft and commercial aerostructures. The Company has been pursuing these strategies since 1992 through both internal initiatives and acquisitions and, as a result, enjoys leading positions in those market segments in which it chooses to compete. The Company's primary objective in pursuit of these strategies is to maximize total return on investment.

The Company is transforming itself from being primarily an aircraft designer/manufacturer to an electronics and systems integration company with a leading airframe and aerostructures business. In early 1994, the Company significantly expanded its electronics business with the acquisition of Grumman. In March of 1996, the Company acquired ESG, a leading producer of sophisticated electronics for defense, government and commercial applications. As a result of these acquisitions, the Company expects that its electronics and systems integration revenues will approximate nearly 50% of total revenues in 1996 and that this percentage will continue to increase in the future.

This strategic transformation positions the Company to meet the growing needs of the DOD for more sophisticated electronics and integrated electronics systems. Since the end of the Cold War, the DOD has recognized the necessity of maintaining an effective fighting force with fewer defense dollars, thereby placing a premium on sophisticated systems that provide long-range surveillance, battle management and precision-strike capabilities. As military systems have become more complex, integration of the electronic functions of the various platforms, weapons and support systems has become increasingly important. Budget constraints have also encouraged spending on program modifications, upgrades and extensions rather than on new development programs, further increasing demand for sophisticated electronics systems. As a technological leader in designing, manufacturing and integrating the sophisticated electronics systems that provide long-range surveillance, battle management and precision-strike capabilities, the Company believes that it is well positioned to serve the electronic systems market.

The Company has also strengthened its military and commercial aircraft segment. In 1992, the Company acquired 49% of Vought and in 1994 acquired Grumman and the remaining 51% of Vought. These acquisitions and the Company's internal initiatives have enabled the Company to establish a leading position in military aircraft and commercial aerostructures. The Company believes that it will maintain this leadership position as a result of its airframe design experience, including stealth technology, as well as its cost-competitive manufacturing capabilities.

## ACQUISITION OF ESG

On March 1, 1996, the Company completed the acquisition of ESG for approximately \$2.9 billion in cash (the "Acquisition"). For the year ended December 31, 1995, ESG generated revenue of \$2.6 billion. The Acquisition was financed with a combination of bank borrowings and intermediate and long-term notes and debentures. The business of ESG is now operated as the Company's new Electronic Sensors and Systems Division ("ESSD").

ESSD is a leading supplier of electronic systems for defense, government and commercial applications. It employs nearly 12,000 people worldwide at 15 operating locations, primarily in the United States. ESSD has a diversified portfolio of programs with no single program accounting for more than 10% of revenues in 1995. Approximately one-half of ESSD's 1995 revenues were attributable to radar technology applied to surveillance, fire control, air traffic control and other purposes. ESSD also designs and manufactures other avionics products, electro-optical systems, undersea and marine products and material handling systems.

The Acquisition represents a substantial step in the Company's continuing transformation from an aircraft designer/manufacturer to an electronics and systems integration company with a leading aircraft and aerostructures business. The Acquisition enables the Company to serve a larger customer base, domestically and internationally, and is expected to provide the opportunity to achieve revenue growth and greater cash flow stability. The Acquisition will also enable the Company to enhance its role on important programs such as E-8 Joint STARS and BAT, and to expand its business into the areas of air traffic control and anti-submarine warfare systems.

## DIVISIONS

The Company is organized into five operating divisions: Military Aircraft Systems Division; Electronic Sensors and Systems Division; Electronics and Systems Integration Division; Commercial Aircraft Division; and Data Systems and Services Division. In addition, the Company's Advanced Technology and Development Center provides product development and technology functions for all of the operating divisions, drawing on technologies and skills in each of the divisions.

### MILITARY AIRCRAFT SYSTEMS DIVISION

The Military Aircraft Systems Division is responsible for the development and manufacture of several types of military aircraft. The Company is the prime contractor for the B-2, a strategic, long-range, large payload bomber with advanced stealth technology that is capable of operating at both high and low altitudes. The B-2 is able to penetrate the most sophisticated air-defenses and is capable of responding more quickly, from greater distances and with more accurate firepower than any other U.S. aircraft.

The Company is currently under contract to provide 20 operational and one test B-2 aircraft. All 21 aircraft are fully funded. To date, the Company has delivered six test aircraft and 11 of 15 production aircraft. At least five out of the six test aircraft will be refurbished to an operational configuration and delivered to the U.S. Air Force. The Clinton Administration has announced its intent, and the Company has been asked to provide a proposal, to refurbish the remaining test aircraft for subsequent delivery to the U.S. Air Force as an operational vehicle. The U.S. Air Force currently operates a squadron of 10 B-2s at Whiteman Air Force Base in Missouri. In addition, the B-2 program is expected to generate maintenance and support revenues upon completion of production. While the Company continues to seek funding for additional B-2s, there is no assurance that such funding will be available.

The Company is the prime or principal subcontractor on all of the U.S. Navy's carrier-based fighter, attack and early warning aircraft, including the F/A-18. For more than two decades the Company has been teamed with prime contractor McDonnell Douglas on the F/A-18 program. The F/A-18C/D Hornet is the U.S. Navy's primary strike/attack aircraft and is deployed by the Navy from aircraft carriers and by the Marines from air bases. In total, more than 1,300 F/A-18 Hornets have been delivered to the U.S. and to certain foreign governments. The Company produces approximately 40% of each F/A-18C/D Hornet, including the center and aft fuselage, twin vertical tails and all associated subsystems. The Company is also the principal subcontractor on the U.S. Navy's newest combat aircraft, the F/A-18E/F Super Hornet, which successfully completed its first test flight in November 1995. The F/A-18E/F Super Hornet has greater range and payload, more powerful engines and more advanced avionics and weapon systems than the F/A-18C/D Hornet. The Company will also produce approximately 40% of each F/A-18E/F Super Hornet. The first production deliveries are scheduled to begin in 1999, with initial operating capability expected in 2001.

Modification and enhancement of existing airborne platforms has become an important part of the military aircraft market. With U.S. and foreign defense planners seeking modern systems at affordable costs, upgrading existing aircraft can be an attractive alternative to the purchase of new aircraft. The Company provides a broad array of aircraft upgrade, modification, overhaul and support services for several operational aircraft, including the F-5, T-38, F-14, C-2 and A-10. The Company is also responsible for remanufacturing Boeing 707 aircraft as the platform for the Company's E-8 Joint STARS program, for structural enhancements of the EA-6B Prowler and for airframe upgrades of the E-2C Hawkeye.

## ELECTRONIC SENSORS AND SYSTEMS DIVISION

The Electronic Sensors and Systems Division ("ESSD") represents the acquired business of ESG. ESSD has a diversified portfolio of programs with no single program accounting for more than 10% of revenues in 1995. Approximately one-half of ESSD's 1995 revenues were attributable to radar technology applied to surveillance, fire control, air traffic control and other purposes. ESSD also designs and manufactures other avionics products, electro-optical systems, underseas and marine products and material handling systems.

With its state-of-the-art surveillance and imaging technologies, ESSD has gained significant positions on a wide variety of high priority platforms for the DOD and certain foreign governments. ESSD produces radars and electronics for military aircraft and battlespace management systems, including those for the F-16 fighter, Apache Longbow helicopter, B-1B bomber, C-130 transport and E-3 AWACS and E-8 Joint STARS surveillance aircraft.

ESSD's products are also present on numerous development programs such as the F-22 fighter and the Comanche helicopter. Should budget pressures force the stretch-out of these next generation programs, ESSD is expected to benefit from an increased demand for electronic upgrades and retrofits to existing aircraft. For example, ESSD is currently providing mid-life fire control radar upgrades for the F-16.

ESSD is also a leading supplier of air traffic control radars to the U.S. Federal Aviation Administration and to countries in Europe, the Middle East, Africa, Asia and South America. ESSD is the prime contractor on the ASR-9 terminal radar system which detects and displays aircraft and weather conditions simultaneously, helping air traffic controllers guide aircraft through traffic-dense regions surrounding airports. The international air traffic control market is expected to increase significantly, due in large part to the growth of international air traffic and infrastructure development in Asia and Eastern Europe. The Company believes that ESSD is well positioned to benefit from this anticipated growth in the international air traffic control market. ESSD also develops electronic countermeasures, tactical communication equipment, space products and underseas and marine technologies, including anti-submarine combat systems, surface ship propulsion and power generation equipment.

International sales are also an increasingly important component of ESSD's military electronics business. The F-16 radar system, ESSD's longest running program, is installed in the F-16s of 23 countries. In addition to the F-16, many other DOD weapon systems with ESSD subsystems, such as the E-3 AWACS surveillance aircraft and the AH-64 Apache helicopter, have been sold internationally.

## ELECTRONICS AND SYSTEMS INTEGRATION DIVISION

The Electronics and Systems Integration Division manages major electronics systems programs. The Company is the overall systems integrator and prime contractor for the E-8 Joint STARS, the U.S. military's primary airborne radar system which is designed to provide real-time detection, location, classification and tracking of hostile moving and stationary ground targets. The surveillance capabilities of the E-8 Joint STARS will enable it to be a critical part of future battle management systems. The E-8 Joint STARS program is in limited production and funding has been approved for the first six E-8 Joint STARS production aircraft (designated the E-8C). One aircraft has been delivered, a second is expected to be delivered in 1996 and the remaining four aircraft are scheduled to be delivered in 1997 and 1998. The Company believes that U.S. government support for the E-8 Joint STARS program is strong, due in part to successful tests and operational activity of prototype aircraft in combat conditions in the Persian Gulf and Bosnia. The U.S. government has approved the sale of E-8 Joint STARS aircraft to NATO, although no such purchases have been committed to or funded.

The Company is the prime contractor for the E-2C Hawkeye, the U.S. Navy's principal early warning, command and control aircraft. The E-2C Hawkeye is designed for missions such as air defense, strike control, air traffic control and search and rescue. The U.S. Navy recently received approval for a program of 36 E-2C aircraft, of which seven are under contract for delivery during 1997 and 1998. The Company is also involved with the Navy's upgrade program for existing E-2C aircraft. In response to upgraded threat

capabilities, the U.S. Navy continues to plan additional E-2C avionics improvements including data processing and capacity increases, passive detection systems, radar anti-jamming improvements, tactical program updates and jam resistant communication systems.

The Company is the prime contractor on the BAT "Brilliant" self-guided submunition program under development for the U.S. Army. This weapon may be carried by a variety of air vehicles and is designed to autonomously locate, attack and destroy tanks, armored vehicles and other mobile targets by using acoustic and infrared sensors working in combination with a high speed onboard computer. Prototype manufacture began in 1992, and the BAT is now in a testing phase to verify that the system meets all established requirements.

#### COMMERCIAL AIRCRAFT DIVISION

The Commercial Aircraft Division is one of the world's leading suppliers of aerostructures, as well as a major supplier of aircraft components for commercial and military use. The Company manufactures the fuselage and the tail section for the Boeing 747, the tail section for the Boeing 757 and 767, various other components for the Boeing 757, 767 and 777 and major subassemblies (including the tail section) for the McDonnell Douglas C-17 military transport. In April 1995, the Company entered into an agreement with Boeing to continue production of the major sections of the 747, 757 and 767 aircraft into the next century. The Company also produces wings for the new Gulfstream V ("G-V") business jet program and components for other aircraft. The G-V's first flight was in November 1995, and aircraft deliveries to customers are expected to begin in January 1997.

While the Company's commercial aircraft deliveries declined in 1995 compared to 1994, the three leading jet-airliner manufacturers collectively recorded substantially increased orders for new aircraft in 1995 compared to 1994. Boeing, the Company's largest customer for commercial aerostructures, announced in December 1995 and March 1996, planned increases in production rates for 1996 and 1997 for its 747, 767 and 777 models and a return to current levels of production in the second quarter of 1997 for its 757 model following a reduction in the fourth quarter of 1996. The Boeing labor strike, settled in January 1996, will cause some deliveries scheduled for 1996 to be made in 1997. The Company has made substantial investments in productivity improvements and capital equipment to further improve its competitive position in the growing commercial aerostructure marketplace.

#### DATA SYSTEMS AND SERVICES DIVISION

The Data Systems and Services Division provides data processing system services for external customers as well as the Company's various divisions. Included among these services are space station program support services, flight simulator maintenance services and the development of data processing systems for a wide variety of U.S. Government entities and applications. The Division also provides operational and support services to U.S. Air Force bases, an area of potential growth if the U.S. Government increases the outsourcing of maintenance and support activities.

#### RECENT DEVELOPMENT

In the first quarter of 1996, a jury trial commenced with respect to the remaining issues in the litigation described in the Company's Annual Report on Form 10-K for 1995 entitled U.S. EX REL DAVID PETERSON AND JEFF KROLL V. NORTHROP CORPORATION. The government has asserted three separate claims totalling approximately \$13.5 million, including a claim for alleged mischarging of approximately \$12 million in violation of the False Claims Act. Damages awarded under the False Claims Act are subject to doubling or trebling and possible additional penalties including disallowance of attorneys' fees. The Company denies the material allegations of the claims and is vigorously defending the action.

## DESCRIPTION OF CAPITAL STOCK

### AUTHORIZED CAPITAL STOCK

Under the Company's Certificate of Incorporation, the total number of shares of stock which the Company has authority to issue is 210,000,000, consisting of 200,000,000 shares of Common Stock, par value \$1.00 per share, and 10,000,000 shares of Preferred Stock, \$1.00 par value per share. As of April 30, 1996, 49,633,330 shares of Common Stock were issued and outstanding, not including shares reserved for issuance under the Company's stock plans. No shares of Preferred Stock were issued and outstanding on such date. The Common Stock is listed on the New York Stock Exchange and the Pacific Stock Exchange.

### PREFERRED STOCK

Under the Company's Certificate of Incorporation, the Board of Directors of the Company is authorized, without further stockholder action, to provide for the issuance of Preferred Stock in one or more series, with such designations of titles, dividend rates, redemption provisions, special or relative rights in the event of liquidation, dissolution, distribution or winding up of the Company, sinking fund provisions, conversion provisions, voting rights, and any other preferences, privileges, powers, rights, qualifications, limitations and restrictions, as shall be set forth as and when established by the Board of Directors of the Company.

### DESCRIPTION OF COMMON STOCK

The holders of Common Stock are entitled to receive such dividends as may be declared from time to time by the Board of Directors out of funds legally available therefor subject to restrictions on the declaration of dividends on the Common Stock which may be imposed in connection with the issuance of shares of any class or series of Preferred Stock. The Company's principle credit agreement contains provisions restricting dividends and other distributions and the purchase or redemption of shares of Common Stock under certain circumstances. Except as otherwise provided by law, the holders of Common Stock are entitled to one vote per share on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Holders of Common Stock are entitled to receive, upon any liquidation of the Company, all remaining assets available for distribution to stockholders after satisfaction of the Company's liabilities and the preferential rights of any Preferred Stock that may then be issued and outstanding. The outstanding shares of Common Stock are, and the shares offered hereby will be, upon payment therefore by the purchasers thereof, fully paid and nonassessable. The holders of Common Stock have no preemptive, conversion or redemption rights. The registrar and transfer agent for the Common Stock is Chemical Mellon Shareholders Services, L.L.C., New York.

### COMMON STOCK PURCHASE RIGHTS

In 1988, the Company's Board of Directors authorized the distribution of one Common Stock Purchase Right (a "Right") for each outstanding share of Common Stock.

As distributed, the Rights trade together with the Common Stock. They may be exercised or traded separately 10 business days after a person or group of persons acquires 15% or more of the outstanding Common Stock, or announces the intention to make a tender offer for 30% or more of the Company's outstanding Common Stock. Upon exercise, each Right entitles the holder thereof to buy one share of Common Stock at a price of \$105. If a Person acquires 15% of the outstanding voting power of the Company, each Right (other than those held by the acquiror) will entitle its holder to purchase, at the Right's exercise price, shares of Common Stock having a market value of two times the Right's exercise price. Additionally, if the Company is acquired in a merger or other business combination, each Right (other than those held by the surviving or acquiring company) will entitle its holder to purchase, at the Right's exercise price, shares of the acquiring company's common stock (or Common Stock of the Company if it is the surviving corporation) having a market value of two times the Right's exercise price.

Rights may be redeemed at the option of the Board of Directors for \$.02 per Right at any time prior to the earlier of the expiration of the Rights or within 10 days following the date that a person or persons acquire 15% of the general voting power of the Company. The Board may amend the Rights at any time without stockholder approval. The Rights will expire by their terms in October 1998.

CERTAIN UNITED STATES FEDERAL TAX CONSEQUENCES  
FOR NON-UNITED STATES HOLDERS

The following is a general discussion of certain United States federal income and estate tax consequences of the ownership and disposition of Common Stock by a holder of such stock that, for United States federal income tax purposes, is not a "United States person" (a "Non-United States Holder"). This discussion is not intended to be exhaustive and is based on statutes, regulations, rulings and court decisions as currently in effect all of which may be changed either retroactively or prospectively. This discussion does not consider any specific facts or circumstances that may apply to a particular Non-United States Holder (including, for example, the fact that, in the case of a Non-United States Holder that is a partnership, the U.S. tax consequences of purchasing, holding and disposing of Common Stock may be affected by determinations made both at the partnership and the partner level) and applies only to Non-United States Holders that hold Common Stock as a capital asset. PROSPECTIVE INVESTORS ARE URGED TO CONSULT THEIR TAX ADVISORS REGARDING THE UNITED STATES FEDERAL TAX CONSEQUENCES OF ACQUIRING, HOLDING AND DISPOSING OF COMMON STOCK (INCLUDING SUCH INVESTOR'S STATUS AS A UNITED STATES PERSON OR NON-UNITED STATES HOLDER) AS WELL AS ANY TAX CONSEQUENCES THAT MAY ARISE UNDER THE LAWS OF ANY STATE, MUNICIPALITY OR OTHER TAXING JURISDICTION.

For purposes of this discussion, "United States person" means a citizen or resident of the United States, a corporation or partnership created or organized in the United States or under the laws of the United States or of any political subdivision thereof, or an estate or trust whose income is includable in gross income for United States federal income tax purposes regardless of its source. An alien individual generally is treated as a United States person for any calendar year if either (i) the individual is present in the United States 183 days or more during such calendar year or (ii) the individual is present in the United States at least 31 days during such calendar year and the sum of the number of days present during such calendar year, one-third the number of days present during the first preceding year and one-sixth the number of days present during the second preceding year is 183 or more.

#### DIVIDENDS

Dividends paid to a Non-United States Holder generally will be subject to withholding of United States federal income tax at the rate of 30%, unless the withholding rate is reduced under an applicable income tax treaty between the United States and the country of tax residence of the Non-United States Holder. No U.S. withholding will apply if the dividend is effectively connected with a trade or business conducted within the United States by the Non-United States Holder (or, alternatively, where an income tax treaty applies, if the dividend is effectively connected with a permanent establishment maintained within the United States by the Non-United States Holder), but, instead, the dividend will be subject to the United States federal income tax on net income that applies to United States persons (and, with respect to corporate holders, may also be subject to the branch profits tax). A Non-United States Holder may be required to satisfy certain certification requirements in order to claim treaty benefits or to otherwise claim a reduction of or exemption from withholding under the foregoing rules. A Non-United States Holder that is eligible for a reduced rate of U.S. withholding tax pursuant to a tax treaty may obtain a refund of any excess amounts currently withheld by filing an appropriate claim for refund with the United States Internal Revenue Service (the "Service").

#### GAIN ON DISPOSITION

Subject to special rules described below, a Non-United States Holder will generally not be subject to United States federal income tax on gain recognized on a sale or other disposition of Common Stock unless the gain is effectively connected with a trade or business conducted within the United States by the Non-United States Holder (or, alternatively, where an income tax treaty applies, unless the gain is effectively connected with a permanent establishment maintained within the United States by the Non-United States Holder). Any such effectively connected gain would be subject to the United States federal income tax on net income that applies to United States persons (and, with respect to corporate holders, may also be subject to the branch profits tax). Such tax is not collected by withholding.

In addition, an individual Non-United States Holder who holds Common Stock would generally be subject to tax at a 30% rate on any gain recognized on the disposition of such Common Stock if such individual is present in the United States for 183 days or more in the taxable year of disposition and either (i) has a "tax home" in the United States (as specifically defined for purposes of the United States federal income tax) or (ii) maintains an office or other fixed place of business in the United States and the income from the sale of the stock is attributable to such office or other fixed place of business. Individual Non-United States Holders may also be subject to tax pursuant to provisions of United States federal income tax law applicable to certain United States expatriates.

Also, special rules apply to Non-United States Holders if the Company is or becomes a "United States real property holding corporation" for United States federal income tax purposes. The Company believes that it has not been, is not currently, and is not likely to become, a United States real property holding corporation. If the Company were a United States real property holding corporation, gain or loss on a sale of the Common Stock by any Non-United States Holder (other than, in most cases, a Non-United States Holder that owns or owned (directly or constructively) 5% or less of the Common Stock during the five-year period ending on the date of such sale) would be treated as income effectively connected with the conduct of a trade or business within the United States by the holder and subject to the net income tax described above.

#### UNITED STATES FEDERAL ESTATE TAXES

Common Stock owned or treated as owned by an individual who is not a citizen or resident (as specially defined for United States federal estate tax purposes) of the United States at the date of death, or Common Stock subject to certain lifetime transfers made by such an individual, will be included in such individual's estate for United States federal estate tax purposes and may be subject to United States federal estate tax, unless an applicable estate tax treaty provides otherwise. Estates of nonresident aliens are generally allowed a credit that is equivalent to an exclusion of \$60,000 of assets from the estate for United States federal estate tax purposes.

#### INFORMATION REPORTING AND BACKUP WITHHOLDING

The Company must report annually to the Service and to each Non-United States Holder the amount of dividends paid to, and the tax withheld with respect to, such holder, regardless of whether any tax was actually withheld. That information may also be made available to the tax authorities of the country in which a Non-United States Holder resides.

United States federal backup withholding tax (which, generally, is imposed at the rate of 31% on certain payments to persons not otherwise exempt who fail to furnish information required under United States information reporting requirements) generally will not apply to dividends paid to a Non-United States Holder either at an address outside the United States (provided that the payor does not have actual knowledge that the payee is a United States person) or if the dividends are subject to withholding at the 30% rate (or lower treaty rate). As a general matter, information reporting and backup withholding also will not apply to a payment of the proceeds of a sale of Common Stock by a foreign office of a broker. However, information reporting requirements (but not backup withholding) will apply to a payment of the proceeds of a sale of Common Stock by a foreign office of a broker that is a United States person, or by a foreign office of a foreign broker that derives 50% or more of its gross income for certain periods from the conduct of a trade or business in the United States, or that is a "controlled foreign corporation" as to the United States, unless the broker has documentary evidence in its records that the holder is a Non-United States Holder and certain conditions are met, or the holder otherwise establishes an exemption. Payment by a United States office of a broker of the proceeds of a sale of Common Stock is subject to both backup withholding and information reporting unless the holder certifies as to its non-United States status under penalties of perjury or otherwise establishes an exemption (and the broker has no actual knowledge to the contrary.) The backup withholding tax is not an additional tax and may be credited against the Non-United States Holder's United States federal income tax liability or refunded to the extent excess amounts are withheld, provided that the required information is supplied to the Service.

NEW PROPOSED REGULATIONS

The United States Treasury recently proposed new regulations regarding the withholding and information reporting rules discussed above. Among other changes, the proposed regulations would unify certification forms and procedures, require certification of residence to claim treaty benefits, and clarify reliance standards and make other changes affecting withholding agents and intermediaries. If finalized in their current form, the proposed regulations would generally be effective for payments made after December 31, 1997, subject to certain transition rules.

UNDERWRITING

Under the terms and subject to the conditions contained in an Underwriting Agreement dated \_\_\_\_\_, 1996 (the "U.S. Underwriting Agreement"), the underwriters named below (the "U.S. Underwriters"), for whom CS First Boston Corporation, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Salomon Brothers Inc are acting as representatives (the "Representatives"), have severally and not jointly agreed to purchase from the Company the following respective numbers of U.S. Shares:

U.S. UNDERWRITER	NUMBER OF U.S. SHARES
CS First Boston Corporation.....	
Merrill Lynch, Pierce, Fenner & Smith Incorporated.....	
Salomon Brothers Inc.....	
Total.....	5,950,000

The U.S. Underwriting Agreement provides that the obligations of the U.S. Underwriters are subject to certain conditions precedent and that the U.S. Underwriters will be obligated to purchase all of the U.S. Shares offered hereby (other than those shares covered by the overallotment option described below) if any are purchased. The U.S. Underwriting Agreement provides that, in the event of a default by a U.S. Underwriter, in certain circumstances the purchase commitments of non-defaulting U.S. Underwriters may be increased or the U.S. Underwriting Agreement may be terminated.

The Company has entered into a Subscription Agreement (the "Subscription Agreement") with the Managers of the International Offering (the "Managers") providing for the concurrent offer and sale of the International Shares outside the United States and Canada. The closing of the U.S. Offering is a condition to the closing of the International Offering and vice versa.

The Company has granted to the U.S. Underwriters and the Managers an option, exercisable by CS First Boston Corporation, expiring at the close of business on the thirtieth (30th) day after the date of this Prospectus, to purchase up to 1,050,000 additional shares at the initial public offering price, less the underwriting discounts or commissions, all as set forth on the cover page of this Prospectus. Such option may be exercised only to cover over-allotments in the sale of the Common Stock offered hereby. To the extent that this option to purchase is exercised, each U.S. Underwriter and each Manager will become obligated, subject to certain conditions, to purchase approximately the same percentage of additional shares being sold to the U.S. Underwriters and the Managers as the number of U.S. Shares set forth next to such U.S. Underwriter's name in the preceding table and as the number of International Shares set forth next to such Manager's name in the corresponding table in the prospectus relating to the International Offering bears to the sum of the total number of shares of Common Stock in such tables.

The Company has been advised by the Representatives that the U.S. Underwriters propose to offer the U.S. Shares to the public in the United States and Canada initially at the offering price set forth on the cover page of this Prospectus and, through the Representatives, to certain dealers at such price less a concession of \$ \_\_\_\_\_ per share, and the U.S. Underwriters and such dealers may allow a discount of \$ \_\_\_\_\_ per share on sales to certain other dealers. After the initial public offering, the public offering price and concession and discount to dealers may be changed by the Representatives.

The public offering price and the aggregate underwriting discounts and commissions per share and per share concession and discount to dealers for the U.S. Offering and the concurrent International Offering will be identical. Pursuant to an Agreement between the U.S. Underwriters and the Managers (the "Intersyndicate Agreement") relating to the Offerings, changes in the public offering price, concession and discount to dealers will be made only upon mutual agreement of CS First Boston Corporation, as representative of the U.S. Underwriters, and CS First Boston Limited ("CSFBL") on behalf of the Managers.

Pursuant to the Intersyndicate Agreement, each of the U.S. Underwriters has agreed that, as part of the distribution of the U.S. Shares and subject to certain exceptions, it has not offered or sold, and will not offer or sell, directly or indirectly, any shares of Common Stock or distribute any prospectus relating to the Common Stock to any person outside the United States or Canada or to any other dealer who does not so agree. Each of the Managers has agreed or will agree that, as part of the distribution of the International Shares and subject to certain exceptions, it has not offered or sold, and will not offer or sell, directly or indirectly, any shares of Common Stock or distribute any prospectus relating to the Common Stock in the United States or Canada or to any dealer who does not so agree. The foregoing limitations do not apply to stabilization transactions or to transactions between the U.S. Underwriters and the Managers pursuant to the Intersyndicate Agreement. As used herein, "United States" means the United States of America (including the States and the District of Columbia), its territories, possessions and other areas subject to its jurisdiction, "Canada" means Canada, its provinces, territories, possessions and other areas subject to its jurisdiction, and an offer or sale shall be in the United States or Canada if it is made to (i) any individual resident of the United States or Canada or (ii) any corporation, partnership, pension, profit-sharing or other trust or other entity (including any such entity acting as an investment advisor with discretionary authority) whose office most directly involved with the purchase is located in the United States or Canada.

Pursuant to the Intersyndicate Agreement, sales may be made between the U.S. Underwriters and the Managers of such number of shares of Common Stock as may be mutually agreed upon. The price of any shares so sold will be the public offering price, less such amount as may be mutually agreed upon by CS First Boston Corporation, as representative of the U.S. Underwriters, and CSFBL, on behalf of the Managers, but such amount will not exceed the selling concession applicable to such shares. To the extent there are sales between the U.S. Underwriters and the Managers pursuant to the Intersyndicate Agreement, the number of shares of Common Stock initially available for sale by the U.S. Underwriters or by the Managers may be more or less than the amount appearing on the cover page of this Prospectus. Neither the U.S. Underwriters nor the Managers are obligated to purchase from the other any unsold shares of Common Stock.

The Company has agreed that it will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, or file with the Securities and Exchange Commission a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), relating to any additional shares of its Common Stock or securities convertible into or exchangeable or exercisable for any shares of its Common Stock, or publicly disclose the intention to make any such offer, sale, pledge, disposal or filing, without the prior written consent of CS First Boston Corporation for a period of 90 days after the date of this Prospectus, except for issuances of Common Stock pursuant to the conversion or exchange of convertible or exchangeable securities or the exercise of warrants, rights or options in each case outstanding as of the date of this Prospectus, grants of employee stock options or rights pursuant to a plan in effect on the date of this Prospectus, issuances pursuant to the exercise of such options or rights, issuances pursuant to the Company's dividend reinvestment plan as in effect on the date of this Prospectus, and any filing of a registration statement under the Securities Act with respect to any of the foregoing permitted issuances or grants.

The Company has agreed to indemnify the U.S. Underwriters and the Managers against certain liabilities, including civil liabilities under the Securities Act, or to contribute to payments that the U.S. Underwriters and the Managers may be required to make in respect thereof.

Certain of the U.S. Underwriters and Managers and their affiliates have from time to time performed, and continue to perform, various investment banking and commercial banking services for the Company, for which customary compensation has been received.

SUBSCRIPTION AND SALE

The Institutions named below (the "Managers"), have, pursuant to a Subscription Agreement dated \_\_\_\_\_, 1996 (the "Subscription Agreement"), severally but not jointly agreed to subscribe and pay for, the following respective numbers of International Shares as set forth opposite their names:

MANAGER	NUMBER OF INTERNATIONAL SHARES
----- CS First Boston Limited Merrill Lynch International Salomon Brothers International Limited	
Total	----- 1,050,000 -----

The Subscription Agreement provides that the obligations of the Managers are such that, subject to certain conditions precedent, the Managers will be obligated to purchase all of the International Shares offered hereby (other than those shares covered by the over allotment option described below) if any are purchased. The Subscription Agreement provides that, in the event of a default by a Manager, in certain circumstances the purchase commitments of non-defaulting Managers may be increased or the Subscription Agreement may be terminated.

The Company has entered into an Underwriting Agreement (the "Underwriting Agreement") with the U.S. Underwriters of the U.S. Offering (the "U.S. Underwriters") providing for the concurrent offer and sale of the U.S. Shares in the United States and Canada. The closing of the U.S. Offering is a condition to the closing of the International Offering and vice versa.

The Company has granted to the Managers and the U.S. Underwriters an option, exercisable by CS First Boston Corporation ("CSFBC"), expiring at the close of business on the thirtieth (30th) day after the date of this Prospectus, to purchase up to 1,050,000 additional shares, at the initial public offering price, less the underwriting discounts or commissions, all as set forth on the cover page of this Prospectus. Such option may be exercised only to cover over-allotments in the sale of the shares of Common Stock offered hereby. To the extent that this option to purchase is exercised, each Manager and U.S. Underwriter will become obligated, subject to certain conditions, to purchase approximately the same percentage of additional shares being sold to the Managers and the U.S. Underwriters as the number of International Shares set forth next to such Manager's name in the preceding table and as the number of U.S. Shares set forth next to such U.S. Underwriter's name in the corresponding table in the prospectus relating to the U.S. Offering bears to the sum of the total number of shares of Common Stock in such tables.

The Company has been advised by CS First Boston Limited ("CSFBL"), on behalf of the Managers, that the Managers propose to offer the International Shares outside the United States and Canada initially at the public offering price set forth on the cover page of this Prospectus and, through the Managers, to certain dealers at such price less a commission of \$ \_\_\_\_\_ per share, and the Managers and such dealers may allow a commission of \$ \_\_\_\_\_ per share on sales to certain other dealers. After the initial public offering, the public offering price and commission and reallowance may be changed by the Managers.

The offering price and the aggregate underwriting discounts and commissions per share and per share commission and reallowance to dealers for the International Offering and the concurrent U.S. Offering will be identical. Pursuant to an Agreement between the U.S. Underwriters and the Managers (the "Intersyndicate Agreement") relating to the Offerings, changes in the offering price, the aggregate Underwriting discounts and commissions per share and per share commission and reallowance to dealers, will be made only upon mutual agreement of CSFBL, on behalf of the Managers, and CSFBC on behalf of the U.S. Underwriters.

Pursuant to the Intersyndicate Agreement, each of the Managers has agreed that, as part of the distribution of the International Shares and subject to certain exceptions, it has not offered or sold, and will not offer or sell, directly or indirectly, any shares of Common Stock or distribute any prospectus relating to the Common Stock to any person in the United States or Canada or to any other dealer who does not so agree. Each of the U.S. Underwriters has agreed that, as part of the distribution of the U.S. Shares and subject to certain exceptions, it has not offered or sold, and will not offer or sell, directly or indirectly, any shares of Common Stock or distribute any prospectus relating to the Common Stock to any person outside the United States or Canada or to any dealer who does not so agree. The foregoing limitations do not apply to stabilization transactions or to transactions between the Managers and the U.S. Underwriters pursuant to the Intersyndicate Agreement. As used herein, "United States" means the United States of America (including the States and the District of Columbia), its territories and possessions and other areas subject to its jurisdiction, "Canada" means Canada, its provinces, territories and possessions and other areas subject to its jurisdiction, and an offer or sale shall be in the United States or Canada if it is made to (i) any individual resident of the United States or Canada or (ii) any corporation, partnership, pension, profit-sharing or other trust or other entity (including any such entity acting as an investment advisor with discretionary authority) whose office most directly involved with the purchase is located in the United States or Canada.

Pursuant to the Intersyndicate Agreement, sales may be made between the Managers and the U.S. Underwriters of such number of shares of Common Stock as may be mutually agreed upon. The price of any shares of Common Stock so sold will be the public offering price less such amount agreed upon by CSFBL, on behalf of the Managers, and CSFBC, as representative of the U.S. Underwriters, but such amount will not exceed the selling concession applicable to such shares. To the extent there are sales between the Managers and the U.S. Underwriters pursuant to the Intersyndicate Agreement, the number of shares of Common Stock initially available for sale by the Managers or by the U.S. Underwriters may be more or less than the amount appearing on the cover page of this Prospectus. Neither the Managers nor the U.S. Underwriters are obligated to purchase from the other any unsold shares of Common Stock.

Prior to the expiry of the period of six months from the closing of the Offerings no Common Stock may be offered or sold in the United Kingdom except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances that have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995. All applicable provisions of the Public Offers of Securities Regulations 1995 and the Financial Services Act 1986 must be complied with in respect of anything done in relation to any Common Stock in, from or otherwise involving the United Kingdom. No document issued in connection with the issue of any Common Stock may be issued or passed on in the United Kingdom to a person, unless that person is of a kind described in Article 11(3) of the Financial Services Act 1986 (Investment Advertisements) (Exemptions) Order 1995 or is a person to whom the document may otherwise lawfully be issued or passed on. The Company has not authorized any offer of Common Stock to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995 (the "Regulations"). The Common Stock may not lawfully be offered or sold to persons in the United Kingdom except in circumstances that do not result in an offer to the public in the United Kingdom within the meaning of the Regulations or otherwise in compliance with all applicable provisions of the Regulations.

The Company has agreed that it will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, or file with the Securities and Exchange Commission a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), relating to any additional shares of its Common Stock or securities convertible into or exchangeable or exercisable for any shares of its Common Stock, or publicly disclose the intention to make any such offer, sale, pledge, disposal or filing, without the prior written consent of CSFBC for a period of 90 days after the date of this Prospectus, except for issuances of Common Stock pursuant to the conversion or exchange of convertible or exchangeable securities or the exercise of warrants, rights or options in each case outstanding as of the date of this Prospectus, grants of employee stock options or rights pursuant to a plan in effect on the date of this Prospectus, issuances pursuant to the exercise of such options or rights, issuances pursuant to the Company's dividend reinvestment plan as in effect on the date of this Prospectus, and any filing of a registration statement under the Securities Act with respect to any of the foregoing permitted issuances or grants.

The Company has agreed to indemnify the Managers and the U.S. Underwriters against certain liabilities, including civil liabilities under the Securities Act, or to contribute to payments that the Managers and the U.S. Underwriters may be required to make in respect thereof.

Certain of the Managers and U.S. Underwriters and their affiliates have from time to time performed, and continue to perform, various investment banking and commercial banking services for the Company, for which customary compensation has been received.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the Delaware General Corporation Law (the "Act"), and Article V of the Company's Bylaws relate to the indemnification of the Company's directors and officers, among others, in a variety of circumstances against liabilities arising in connection with the performance of their duties.

The Act permits indemnification of directors and officers acting in good faith and in a manner they reasonably believe to be in or not opposed to the best interests of the Company or its shareholders (and, with respect to a criminal proceeding, if they have no reasonable cause to believe their conduct to be unlawful) against (i) expenses (including attorney's fees), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending or completed action, suit, or proceeding (other than an action by or in the right of the Company) arising out of a position with the Company (or with some other entity at the Company's request) and (ii) expenses (including attorneys' fees) and amounts paid in settlement actually and reasonably incurred in connection with a threatened, pending, or completed action or suit by or in the right of the Company, unless the director or officer is found liable to the Company and an appropriate court does not determine that he or she is nevertheless fairly and reasonably entitled to indemnification.

The Act requires indemnification for expenses to the extent that a director or officer is successful on the merits in defending against any such action, suit or proceeding, and otherwise requires in general that the indemnification provided for in (i) and (ii) above be made only on a determination by a majority vote of a quorum of the Board of Directors who were not parties or threatened to be made parties to the action, suit or proceeding, or, if a quorum cannot be obtained, (a) by independent legal counsel, or (b) by the shareholders. In certain circumstances, the Act further permits advances to cover such expenses before a final determination that indemnification is permissible, upon receipt of a written undertaking by or on behalf of the director or officer to repay such amounts if it shall ultimately be determined that they are not entitled to indemnification.

Indemnification under the Act is not exclusive of other rights to indemnification to which a person may be entitled under the Company's Certificate of Incorporation, Bylaws or a contractual agreement. The Act permits the Company to purchase insurance on behalf of its directors and officers against liabilities arising out of their positions with the Company whether or not such liabilities would be within the foregoing indemnification provisions.

Under the Company's Bylaws, the Company is required to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether

civil, criminal, administrative or investigative (other than an action by or in the right of the Company, a "derivative action") and any appeal thereof by reason of the fact that such person is, was or agreed to become a director or officer of the Company, against expenses (including attorneys' fees), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding to the fullest extent allowed under Delaware or other applicable state law. The Company shall indemnify an indemnitee in connection with a suit brought by such indemnitee only if the proceeding was authorized by the Company or is instituted to enforce the indemnification rights herein above mentioned. The Company may pay the expenses (including attorney's fees) incurred by any officer, director, employee or agent who is interviewed, subpoenaed or deposed as a witness, or otherwise incurs expenses, in connection with any action or proceeding, if it is determined that such payments will benefit the Company.

The Company's Bylaws provide that the Company shall pay for the expenses incurred by an indemnified director or officer in defending the proceedings specified above, in advance of their final disposition, provided that the person furnishes the Company with an undertaking to reimburse the Company if it is ultimately determined that such person is not entitled to indemnification. The Company may provide indemnification at the discretion of the Board of Directors and on such terms and under such conditions as the Board shall deem appropriate to any person who is or was serving as an employee or agent. In addition, the Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company (or is serving or was serving at the request of an executive officer the Company in such a position at a related entity) against any liability asserted against and incurred by such person in such capacity, or arising out of the person's status as such whether or not the Company would have the power or the obligation to indemnify such person against such liability under the provisions of the Company's Bylaws.

The Company has entered into an agreement with each of its directors and certain of its officers indemnifying them to the fullest extent permitted by the foregoing. The Company has also purchased director and officer liability insurance. Reference is made to the forms of Underwriting Agreement and Subscription Agreement filed as Exhibits 1.1 and 1.2, respectively, to this Registration Statement for certain provisions regarding the indemnification of officers and directors of the Company by the U.S. Underwriters and Managers.

ITEM 17. UNDERTAKINGS

The undersigned registrant hereby undertakes that:

(a) for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(b) insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in such Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in such Act and will be governed by the final adjudication of such issue;

(c) for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and

(d) for purposes of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

## SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant has duly caused this Amendment No. 1 to its Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Los Angeles, California on May 15, 1996.

On the basis of the representations, warranties and agreements herein contained, but subject to the terms and conditions herein set forth, the Company agrees to sell to the Underwriters, and the Underwriters agree, severally and not jointly, to purchase from the Company, at a purchase price of U.S. \$\_\_\_\_\_ per share, the respective numbers of shares of U.S. Firm Securities set forth opposite the names of the Underwriters in Schedule A hereto.

The Company will deliver the U.S. Firm Securities to the Representatives for the accounts of the Underwriters, at the office of CS First Boston Corporation, Park Avenue Plaza, New York, NY 10055, against payment of the purchase price in funds available on the same day by wire transfer to the account of the Company at a bank acceptable to CSFBC or by official Federal Reserve Bank check or checks drawn to the order of the Company at the office of Latham & Watkins, 633 W. Fifth Street, Suite 4000, Los Angeles, CA 90071-2007, at 10:00 A.M., New York time, on May \_\_, 1996, or at such other time not later than seven full business days thereafter as CS First Boston Corporation ("CSFBC") and the Company determine, such time being herein referred to as the "First Closing Date." For purposes of Rule 15c6-1 under the Securities Exchange Act of 1934, the First Closing Date (if later than the otherwise applicable settlement date) shall be the settlement date for payment of funds and delivery of

securities for all the Offered Securities sold pursuant to the U.S. Offering and the International Offering. The certificates for the U.S. Firm Securities evidencing the U.S. Firm Securities so to be delivered will be in definitive form, in such denominations and registered in such names as CSFBC requests and will be made available for checking and packaging at the office of CSFBC, at least 24 hours prior to the First Closing Date.

In addition, upon written notice from CSFBC given to the Company from time to time not more than 30 days subsequent to the date of the Prospectuses, the Underwriters may purchase all or less than all of the U.S. Optional Securities at the purchase price per Security to be paid for the U.S. Firm Securities. Such U.S. Optional Securities shall be purchased for the account of each Underwriter in the same proportion as the number of shares of U.S. Firm Securities set forth opposite such Underwriter's name bears to the total number of shares of U.S. Firm Securities (subject to adjustment by CSFBC to eliminate fractions) and may be purchased by the Underwriters only for the purpose of covering over-allotments made in connection with the sale of the U.S. Firm Securities. No Optional Securities shall be sold or delivered unless the U.S. Firm Securities and the International Firm Securities previously have been, or simultaneously are, sold and delivered. The right to purchase the Optional Securities or any portion thereof may be exercised from time to time and to the extent not previously exercised may be surrendered and terminated at any time upon notice by CSFBC on behalf of Underwriters and the Managers to the Company. It is understood that CSFBC is authorized to make payment for and accept delivery of such Optional Securities on behalf of the Underwriters and Managers pursuant to the terms of CSFBC's instructions to the Company.

Each time for the delivery of and payment for the U.S. Optional Securities, being herein referred to as an "Optional Closing Date," which may be the First Closing Date (the First Closing Date and each Optional Closing Date, if any, being sometimes referred to as a "Closing Date"), shall be determined by CSFBC but shall be not later than five full business days after written notice of election to purchase Optional Securities is given. The Company will deliver the U.S. Optional Securities being purchased on each Optional Closing Date to the Representatives for the accounts of the several Underwriters, at the office of CSFBC, against payment of the purchase price in funds available on the same day by wire transfer to the account of the Company at a bank acceptable to CSFBC or by official Federal Reserve Bank check or checks drawn to the order of the Company, at the office of Latham & Watkins, 633 W. Fifth Street, Suite 4000, Los Angeles, CA 90071-2007. The certificates for the U.S. Optional Securities will be in definitive fully registered form, in such denominations and registered in such names as CSFBC requests upon reasonable notice prior to such Optional Closing Date and will be made available for checking and packaging at the office of CSFBC, at a reasonable time in advance of such Optional Closing Date.

4. OFFERING BY UNDERWRITERS. It is understood that the several Underwriters propose to offer the U.S. Securities for sale to the public as set forth in the U.S. Prospectus.

5. CERTAIN AGREEMENTS OF THE COMPANY. The Company agrees with the several Underwriters that:

(a) If the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement, the Company will file each of the Prospectuses with the

Commission pursuant to and in accordance with subparagraph (1) (or, if applicable and if consented to by CSFBC, subparagraph (4)) of Rule 424(b) not later than the earlier of (A) the second business day following the execution and delivery of this Agreement or (B) the fifteenth business day after the Effective Date of the Initial Registration Statement.

The Company will advise CSFBC promptly of any such filing pursuant to Rule 424(b). If the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement and an additional registration statement is necessary to register a portion of the Offered Securities under the Act but the Effective Time thereof has not occurred as of such execution and delivery, the Company will file the additional registration statement or, if filed, will file a post-effective amendment thereto with the Commission pursuant to and in accordance with Rule 462(b) on or prior to 10:00 P.M., New York time, on the date of this Agreement or, if earlier, on or prior to the time either Prospectus is printed and distributed to any Underwriter or Manager, or will make such filing at such later date as shall have been consented to by CSFBC.

(b) The Company will advise CSFBC promptly of any proposal to amend or supplement the initial or any additional registration statement as filed or either of the related prospectuses or the Initial Registration Statement, the Additional Registration Statement (if any) or either of the Prospectuses and will not effect such amendment or supplementation without CSFBC's prior consent; and the Company will also advise CSFBC promptly of the effectiveness of each Registration Statement (if its Effective Time is subsequent to the execution and delivery of this Agreement) and of any amendment or supplementation of a Registration Statement or either of the Prospectuses and of the institution by the Commission of any stop order proceedings in respect of a Registration Statement and will use its best efforts to prevent the issuance of any such stop order and to obtain as soon as possible its lifting, if issued.

(c) If, at any time when a prospectus relating to the Offered Securities is required to be delivered under the Act in connection with sales by any Underwriter, Manager or dealer, any event occurs as a result of which either or both of the Prospectuses as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend either or both of the Prospectuses to comply with the Act, the Company will promptly notify CSFBC of such event and will promptly prepare and file with the Commission, at its own expense, an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance. Neither CSFBC's consent to, nor the Underwriters' delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 6.

(d) As soon as practicable, but not later than the Availability Date (as defined below), the Company will make generally available to its security holders an earnings statement covering a period of at least 12 months beginning after the Effective Date of the Initial Registration Statement (or, if later, the Effective Date of the Additional Registration Statement) which will satisfy the provisions of Section 11(a) of the Act. For the purpose of the preceding sentence, "Availability Date" means the 45th day after the end of the fourth fiscal quarter following the fiscal quarter that includes such Effective Date, except that, if such fourth fiscal quarter is the last quarter of the Company's fiscal year, "Availability Date" means the 90th day after the end of such fourth fiscal quarter.

(e) The Company will furnish to the Representatives copies of the Registration Statement (one of which will be signed and will include all exhibits), each preliminary prospectus relating to the U.S. Securities, and, so long as delivery of a prospectus relating to the Offered Securities is required to be delivered under the Act in connection with sales by any Underwriter or dealer, the U.S. Prospectus and all amendments and supplements to such documents, in each case in such quantities as CSFBC requests. The U.S. Prospectus shall be so furnished on or prior to 3:00 P.M., New York time, on the business day following the later of the execution and delivery of this Agreement or the Effective Time of the Initial Registration Statement. All other such documents shall be so furnished as soon as available. The Company will pay the expenses of printing and distributing to the Underwriters all such documents.

(f) The Company will arrange for the qualification of the Offered Securities for sale under the laws of such jurisdictions in the United States as CSFBC designates and will continue such qualifications in effect so long as required for the distribution; provided that the Company shall not be required to qualify to do business in any jurisdiction where it is not now qualified or to file a general consent to service or process in any jurisdiction.

(g) During the period of five years hereafter, the Company will furnish to the Representatives and, upon request, to each of the other Underwriters, as soon as practicable after the end of each fiscal year, a copy of its annual report to stockholders for such year; and the Company will furnish to the Representatives (i) as soon as available, a copy of each report and any definitive proxy statement of the Company filed with the Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or mailed to stockholders, and (ii) from time to time, such other information concerning the Company as CSFBC may reasonably request.

(h) The Company will pay all expenses incident to the performance of its obligations under this Agreement and will reimburse the Underwriters (if and to the extent incurred by them) for any filing fees and other expenses (including fees and disbursements of counsel) incurred by them in connection with qualification of the Offered Securities for sale under the laws of such jurisdictions in the United States as CSFBC designates and the printing of memoranda relating thereto, for the filing fee of the National Association of Securities Dealers, Inc. relating to the Offered Securities, for any travel expenses of the Company's officers and employees and any other expenses of the Company in connection with attending or hosting meetings with prospective purchasers of the Offered Securities and for expenses incurred in distributing preliminary prospectuses and the Prospectuses (including any amendments and supplements thereto) to the Underwriters.

(i) For a period of 90 days after the date of the initial public offering of the Offered Securities, the Company will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, or file with the Commission a registration statement under the Act relating to, any additional shares of its Securities or securities convertible into or exchangeable or exercisable for any shares of its Securities, or publicly disclose the intention to make any such offer, sale, pledge, disposal or filing, without the prior written consent of CSFBC, except issuances of Securities pursuant to the conversion or exchange of convertible or exchangeable securities or the exercise of warrants, rights or options, in each case outstanding on the date hereof, grants of employee stock options or rights pursuant to the terms of a plan in effect on the date hereof, issuances of Securities pursuant to the exercise of such options or rights, issuances of Securities pursuant to the Company's dividend reinvestment plan as in effect on the date hereof, and any filing

of a registration statement under the Act with respect to any of the foregoing permitted issuances or grants.

6. CONDITIONS OF THE OBLIGATIONS OF THE UNDERWRITERS. The obligations of the several Underwriters to purchase and pay for the U.S. Firm Securities on the First Closing Date and the U.S. Optional Securities to be purchased on each Optional Closing Date will be subject to the accuracy of the representations and warranties on the part of the Company herein, to the accuracy of the statements of Company officers made pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

rating); (iii) any suspension or limitation of trading in securities generally on the New York Stock Exchange, or any setting of minimum prices for trading on such exchange, or any suspension of trading of any securities of the Company on any exchange or in the over-the-counter market; (iv) any banking moratorium declared by U.S. Federal or New York authorities; or (v) any outbreak or escalation of major hostilities in which the United States is involved, any declaration of war by Congress or any other substantial national or international calamity or emergency if, in the judgment of a majority in interest of the Underwriters including the Representatives, the effect of any such outbreak, escalation, declaration, calamity or emergency makes it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the U.S. Securities.

(e) The Representatives shall have received an opinion, dated such Closing Date, of Sheppard, Mullin, Richter & Hampton LLP, counsel for the Company, to the effect that:

(i) Each of the Company and its Subsidiaries has been duly incorporated and is an existing corporation in good standing under the laws of the State of its jurisdiction of incorporation, with corporate power and authority to own its properties and conduct its business as described in the Prospectuses; and, to the best of such counsel's knowledge, each of the Company and its Subsidiaries is duly qualified to do business as a foreign corporation in good standing in all other jurisdictions in which its ownership or lease property or the conduct of its business requires such qualification, except where the failure to qualify would not have a Material Adverse Effect;

(ii) The Company has authorized capitalization as set forth in the Prospectuses;

(iii) The Offered Securities delivered on such Closing Date [and all other outstanding shares of the Common Stock of the Company] have been duly authorized and validly issued, are fully paid and nonassessable and conform to the description thereof contained in the Prospectuses; and the stockholders of the Company have no preemptive rights with respect to the Offered Securities;

(iv) Other than the Registration Rights Agreement, there are no contracts, agreements or understandings known to such counsel between the Company and any person granting such person the right to require the Company to file a registration statement under the Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Company under the Act;

(v) The Company is not and, after giving effect to the offering and sale of the Offered Securities and the application of the proceeds thereof as described in the Prospectus, will not be an "investment company" as defined in the Investment Company Act of 1940;

(vi) To the best of our knowledge, no consent, approval, authorization or order of, or filing with, any governmental agency or body or any court is required for the consummation of the transactions contemplated by this Agreement or the Subscription Agreement in connection with the issuance or sale of the Offered

Securities by the Company, except such as have been obtained and made under the Act and such as may be required under state or foreign securities laws;

(vii) The execution, delivery and performance of this Agreement and the Subscription Agreement and the issuance and sale of the Offered Securities will not, to our knowledge result in a breach or violation of any of the terms and provisions of, or constitute a default under, any Federal or California statute, rule or regulation, the Delaware General Corporation Law, or any order of any governmental agency or body, or any court having jurisdiction over the Company or any Subsidiary of the Company or any of their properties, or any agreement or instrument to which the Company or any such Subsidiary is a party or by which the Company or any such Subsidiary is bound or to which any of the properties of the Company or any such Subsidiary is subject, or the charter or bylaws of the Company or any such Subsidiary, and the Company has full power and authority to authorize, issue and sell the Offered Securities as contemplated by this Agreement and the Subscription Agreement, respectively;

(viii) The Initial Registration Statement was declared effective under the Act as of the date and time specified in such opinion, the Additional Registration Statement (if any) was filed and became effective under the Act as of the date and time (if determinable) specified in such opinion, each of the Prospectuses either were filed with the Commission pursuant to the subparagraph of Rule 424(b) specified in such opinion on the date specified therein or was included in the Initial Registration Statement or the Additional Registration Statement (as the case may be), and, to the best of such counsel's knowledge, no stop order suspending the effectiveness of a Registration Statement or any part thereof has been issued and no proceedings for that purpose have been instituted or are pending or contemplated under the Act, and each Registration Statement and each of the Prospectuses, and each amendment or supplement thereto, as of their respective effective or issue dates, complied as to form in all material respects with the requirements of the Act and the Rules and Regulations;

(ix) After due inquiry, such counsel does not know of any legal or governmental proceedings required to be described in a Registration Statement or the Prospectuses which are not described as required or of any contracts or documents of a character required to be described in a Registration Statement or the Prospectuses or to be filed as exhibits to a Registration Statement which are not described and filed as required; and

(x) This Agreement and the Subscription Agreement have been duly authorized, executed and delivered by the Company.

Such counsel shall also state that on the basis of their involvement in the preparation of the Registration Statements and the amendments thereto, and the Prospectuses and any amendments or supplements thereto, and although they have not verified the accuracy or completeness of the statements contained therein or in any amendment thereto, nothing has come to the attention of such counsel which causes them to believe that the Registration Statement, as amended (other than the financial statements and notes thereto and supporting schedules and other financial and statistical information contained therein), contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein not misleading or that either of the Prospectuses, or any amendment or supplement thereto (other than the financial statements and notes thereto and supporting

schedules and other financial and statistical information contained therein), as of its issue date or as of such Closing Date, contained any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; and such counsel does not know of any contracts or documents of a character required to be described in or to be filed as exhibits to any Registration Statement which are not described and filed as required.

In rendering such opinion, such counsel may rely (A) as to matters involving the application of laws other than the laws of the United States and jurisdictions in which they are admitted, to the extent such counsel deems proper and to the extent specified in such opinion, if at all, upon an opinion or opinions (in form and substance reasonably satisfactory to Underwriters' counsel) of other counsel reasonably acceptable to Underwriters' counsel, familiar with the applicable laws, and (B) as to matters of fact, to the extent they deem proper, on certificates of responsible officers of the Company, PROVIDED, that copies of any such statements or certificates shall be delivered to Underwriters' counsel. The opinions of such counsel for the Company shall state that the opinion of any such other counsel is in form satisfactory to such counsel and, in their opinion, you and they are justified in relying thereon.

(f) The Underwriters shall have received an opinion, dated such Closing Date, of Richard R. Molleur, Corporate Vice President and General Counsel of the Company, to the effect that:

(i) The execution, delivery and performance of this Agreement and the Subscription Agreement will not result in a breach or violation of any of the terms and provisions of, or constitute a default under, any Federal or California statute, rule or regulation, the Delaware General Corporation Law, or any order of any governmental agency or body or any court having jurisdiction over the Company or any Subsidiary of the Company or any of their properties, or any material agreement or instrument to which the Company or any such Subsidiary is a party or by which the Company or any such Subsidiary is bound or to which any of the properties of the Company or any such Subsidiary is subject, or the charter or bylaws of the Company or any such Subsidiary; and the Company has full corporate power and authority to authorize, issue and sell the Offered Securities as contemplated by this Agreement and the Subscription Agreement, respectively; and

(ii) To the knowledge of such counsel, there is no legal or governmental proceeding, pending or threatened, to which the Company or any of its Subsidiaries is subject which is required to be described in a Registration Statement or the Prospectuses and is not so described, and there is no contract or other document which is required to be described in a Registration Statement or the Prospectuses or is required to be filed as an exhibit to a Registration Statement which is not so described and filed as required.

In rendering such opinion, such counsel shall opine as to the effect of the federal laws of the United States, the internal laws of the State of California and the General Corporation Law of the State of Delaware, and such counsel may assume that as to matters involving the application of laws of jurisdictions other than the laws of the State of California and the General Corporation Law of the State of Delaware, the laws of any such other jurisdiction are the same as the laws of the State of California.

(g) The Representatives shall have received from Latham & Watkins, counsel for the Underwriters, such opinion or opinions, dated such Closing Date, with respect to the incorporation of the Company, the validity of the Offered Securities delivered on such Closing Date, the Registration Statements, the Prospectuses and other related matters as the Representatives may require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(h) The Representatives shall have received a certificate, dated such Closing Date, of the President or any Vice President and a principal financial or accounting officer of the Company in which such officers, to the best of their knowledge after reasonable investigation, shall state that: the representations and warranties of the Company in this Agreement are true and correct; the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date; no stop order suspending the effectiveness of any Registration Statement has been issued and no proceedings for that purpose have been instituted or are contemplated by the Commission; and, subsequent to the respective dates of the most recent financial statements in the Prospectuses, there has been no material adverse change, nor any development or event involving a prospective material adverse change, in the condition (financial or other), business, properties or results of operations of the Company and its subsidiaries taken as a whole except as set forth in or contemplated by the Prospectuses or as described in such certificate.

(i) The Representatives shall have received a letter, dated such Closing Date, of Deloitte & Touche LLP which meets the requirements of subsection (a) of this Section, except that the specified date referred to in such subsection will be a date not more than three days prior to such Closing Date for the purposes of this subsection.

(j) The Representatives shall have received a letter, dated such Closing Date, of Price Waterhouse LLP which meets the requirements of subsection (b) of this Section, except that the specified date referred to in such subsection will be a date not more than three days prior to such Closing Date for the purposes of this subsection.

(k) On such Closing Date, the Managers shall have purchased the International Firm Securities or the International Optional Securities, as the case may be, pursuant to the Subscription Agreement.

The Company will furnish the Representatives with such conformed copies of such opinions, certificates, letters and documents as the Representatives reasonably requests. CSFBC may in its sole discretion waive on behalf of the Underwriters compliance with any conditions to the obligations of the Underwriters hereunder, whether in respect of an Optional Closing Date or otherwise.

7. INDEMNIFICATION AND CONTRIBUTION. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, either of the Prospectuses, or any amendment or supplement thereto, or any related preliminary prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; provided,

however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only information furnished by any Underwriter consists of the information described as such in subsection (b) below.

(b) Each Underwriter will severally and not jointly indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, either of the Prospectuses, or any amendment or supplement thereto, or any related preliminary prospectus, or arise out of or are based upon the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred, it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the U.S. Prospectus furnished on behalf of each Underwriter: the last paragraph at the bottom of the cover page concerning the terms of the offering by the Underwriters, the legend concerning over-allotments and stabilizing on the inside front cover page and the concession and reallocation figures appearing in the fifth paragraph under the caption "Underwriting."

(c) Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the

other from the offering of the U.S. Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the U.S. Securities (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the U.S. Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Company under this Section shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act or the Exchange Act; and the obligations of the Underwriters under this Section shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company, to each officer of the Company who has signed a Registration Statement and to each person, if any, who controls the Company within the meaning of the Act or the Exchange Act.

8. **DEFAULT OF UNDERWRITERS.** If any Underwriter or Underwriters default in their obligations to purchase U.S. Securities hereunder on either the First or any Optional Closing Date and the aggregate number of shares of U.S. Securities that such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed 10% of the total number of shares of U.S. Securities that the Underwriters are obligated to purchase on such Closing Date, CSFBC may make arrangements satisfactory to the Company for the purchase of such U.S. Securities by other persons, including any of the Underwriters, but if no such arrangements are made by such Closing Date the non-defaulting Underwriters shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the U.S. Securities that such defaulting Underwriters agreed but failed to purchase on such Closing Date. If any Underwriter or Underwriters so default and the aggregate number of shares of U.S. Securities with respect to which such default or defaults occur exceeds 10% of the total number of shares of U.S. Securities that the Underwriters are obligated to purchase on such Closing Date and arrangements satisfactory to CSFBC and the Company for the purchase of such U.S. Securities by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Section 9 (provided that if such default occurs with respect to U.S. Optional Securities after the First Closing Date, this Agreement

will not terminate as to the U.S. Firm Securities or any U.S. Optional Securities purchased prior to such termination). As used in this Agreement, the term "Underwriter" includes any person substituted for an Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default.

9. SURVIVAL OF CERTAIN REPRESENTATIONS AND OBLIGATIONS. The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the U.S. Securities. If this Agreement is terminated pursuant to Section 8 or if for any reason the purchase of the U.S. Securities by the Underwriters is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 5 and the respective obligations of the Company and the Underwriters pursuant to Section 7 shall remain in effect and if any U.S. Securities have been purchased hereunder the representations and warranties in Section 2 and all obligations under Section 5 shall also remain in effect. If the purchase of the U.S. Securities by the Underwriters is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 8 or the occurrence of any event specified in clause (iii), (iv), or (v) of Section 6(d), the Company will reimburse the Underwriters for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the U.S. Securities.

10. NOTICES. All communications hereunder will be in writing and, if sent to the Underwriters, will be mailed, delivered, telegraphed or transmitted by facsimile and confirmed to the Representatives, c/o CS First Boston Corporation, Park Avenue Plaza, New York, N.Y. 10055, Attention: Investment Banking Department -- Transactions Advisory Group, or, if sent to the Company, will be mailed, delivered, telegraphed or transmitted by facsimile and confirmed to it at Northrop Grumman Corporation, 1840 Century Park East, Los Angeles, CA 90067, Attention: Albert F. Myers, Corporate Vice President and Treasurer; provided, however, that any notice to an Underwriter pursuant to Section 7 will be mailed, delivered, telegraphed or transmitted by facsimile and confirmed to such Underwriter.

11. SUCCESSORS. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 7, and no other person will have any right or obligation hereunder.

12. REPRESENTATION OF UNDERWRITERS. The Representatives will act for the several Underwriters in connection with this financing, and any action under this Agreement taken by the Representatives jointly or by CSFBC will be binding upon all the Underwriters.

13. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

14. APPLICABLE LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS.

The Company hereby submits to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

Dear Sirs:

1. INTRODUCTORY. Northrop Grumman Corporation, a Delaware corporation (the "Company"), proposes to issue and sell (the "International Offering") to the several Managers named in Schedule A hereto (the "Managers") \_\_\_\_\_ shares (the "International Firm Securities") of its common stock, \$1.00 par value (the "Securities").

It is understood that the Company is concurrently entering into an Underwriting Agreement, dated the date hereof (the "Underwriting Agreement"), with certain United States underwriters listed in Schedule A thereto (the "U.S. Underwriters"), for whom CS First Boston Corporation ("CSFBC"), Merrill Lynch, Pierce, Fenner & Smith Incorporated and Salomon Brothers Inc are acting as representatives (the "U.S. Representatives"), relating to the concurrent offering and sale of \_\_\_\_\_ shares of Securities (the "U.S. Firm Securities") in the United States and Canada (the "U.S. Offering").

In addition, the Company proposes to issue and sell (i) to the U.S. Underwriters, at the option of the U.S. Underwriters, an aggregate of not more than \_\_\_\_\_ additional shares of Securities (the "U.S. Optional Securities") and (ii) to the Managers, at the option of the Managers, an aggregate of not more than \_\_\_\_\_ additional shares of Securities (the "International Optional Securities"). The U.S. Firm Securities and the U.S. Optional Securities are hereinafter called the "U.S. Securities"; the International Firm Securities and the International Optional Securities are hereinafter called the "International Securities"; the U.S. Firm Securities and the International Firm Securities are hereinafter called the "Firm Securities"; the U.S. Optional Securities and the International Optional Securities are hereinafter called the "Optional Securities." The U.S. Securities and the International Securities are collectively referred to as the "Offered Securities." To provide for the coordination of their activities, the U.S. Underwriters and the Managers have entered into an Agreement Between U.S. Underwriters and Managers which permits them, among other things, to sell the Offered Securities to each other for purposes of resale.

The Company hereby agrees with the several Managers as follows:

2. REPRESENTATIONS AND WARRANTIES OF THE COMPANY. The Company represents and warrants to, and agrees with, the several Managers that:

(a) A registration statement (No. 333-\_\_\_\_\_) relating to the Offered Securities, including a form of prospectus relating to the U.S. Securities and a form of prospectus relating to the International Securities being offered in the International Offering, has been filed with the Securities and Exchange Commission (the "Commission") and either (i) has been declared effective under the Securities Act of 1933 (the "Act") and is not proposed to be amended or (ii) is proposed to be amended by amendment or post-effective amendment. If such registration statement (the "initial registration statement") has been declared effective, either (A) an additional registration statement (the "additional registration statement") relating to the Offered Securities may have been filed with the Commission pursuant to Rule 462(b) ("Rule 462(b)") under the Act and, if so filed, has become effective upon filing pursuant to such Rule and the Offered Securities all have been duly registered under the Act pursuant to the initial registration statement and, if applicable, the additional registration statement or (B) such an additional registration statement is proposed to be filed with the Commission pursuant to Rule 462(b) and will become effective upon filing pursuant to such Rule and upon such filing the Offered Securities will all have been duly registered under the Act pursuant to the initial registration statement and such additional registration statement. If the Company does not propose to amend the initial registration statement or, if an additional registration statement has been filed and the Company does not propose to amend it, and if any post-effective amendment to either such registration statement has been filed with the Commission prior to the execution and delivery of this Agreement, the most recent amendment (if any) to each such registration statement has been declared effective by the Commission or has become effective upon filing pursuant to Rule 462(c) ("Rule 462(c)") under the Act or, in the case of the additional registration statement, Rule 462(b). For purposes of this Agreement, "Effective Time" with respect to the initial registration statement or, if filed prior to the execution and delivery of this Agreement, the additional registration statement, means (i) if the Company has advised CSFBL that it does not propose to amend such registration statement, the date and time as of which such registration statement, or the most recent post-effective amendment thereto (if any) filed prior to the execution and delivery of this Agreement, was declared effective by the Commission or has become effective upon filing pursuant to Rule 462(c), or (ii) if the Company has advised CSFBL that it proposes to file an amendment or post-effective amendment to such registration statement, the date and time as of which such registration statement, as amended by such amendment or post-effective amendment, as the case may be, is declared effective by the Commission. If an additional registration statement has not been filed prior to the execution and delivery of this Agreement but the Company has advised CSFBL that it proposes to file one, "Effective Time" with respect to such additional registration statement means the date and time as of which such registration statement is filed and becomes effective pursuant to Rule 462(b). "Effective Date" with respect to the initial registration statement or the additional registration statement (if any) means the date of the Effective Time thereof. The initial registration statement, as amended at its Effective Time, including all material incorporated by reference therein, including all information contained in the additional registration statement (if any) and deemed to be a part of the initial registration statement as of the Effective Time of the additional registration statement pursuant to the General Instructions of the Form on which it is filed and including all information (if any)

deemed to be a part of the initial registration statement as of its Effective Time pursuant to Rule 430A(b) ("Rule 430A(b)") under the Act, is hereinafter referred to as the "Initial Registration Statement." The additional registration statement, as amended at its Effective Time, including the contents of the Initial Registration Statement incorporated by reference therein and including all information (if any) deemed to be a part of the additional registration statement as of its Effective Time pursuant to Rule 430A(b), is hereinafter referred to as the "Additional Registration Statement." The Initial Registration Statement and the Additional Registration Statement are hereinafter referred to collectively as the "Registration Statements" and individually as a "Registration Statement." The form of prospectus relating to the U.S. Securities and the form of prospectus relating to the International Securities, each as first filed with the Commission pursuant to and in accordance with Rule 424(b) ("Rule 424(b)") under the Act or (if no such filing is required) as included in the Registration Statement, including all material incorporated by reference in each such prospectus, are hereinafter referred to as the "U.S. Prospectus" and the "International Prospectus," respectively, and collectively as the "Prospectuses," including all material incorporated by reference in such prospectus, is hereinafter referred to as the "U.S. Prospectus," and the form of prospectus relating to the International Securities, which is identical to the U.S. Prospectus except for the outside front cover page, the inside front cover page, the outside back cover page and the text under the captions "Underwriting" and "Subscription and Sale" in the U.S. Prospectus and the form of prospectus relating to the International Securities, respectively (copies of such pages and text having been heretofore delivered to CSFBL on behalf of the Managers), is hereinafter referred to as the "International Prospectus"; and the U.S. Prospectus and the International Prospectus are hereinafter collectively referred to as the "Prospectuses." No document has been or will be prepared or distributed in reliance on Rule 434 under the Act.

(b) If the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement: (i) on the Effective Date of the Initial Registration Statement, the Initial Registration Statement conformed in all material respects to the requirements of the Act and the rules and regulations of the Commission (the "Rules and Regulations") and did not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) on the Effective Date of the Additional Registration Statement (if any), each Registration Statement conformed, or will conform, in all material respects to the requirements of the Act and the Rules and Regulations and did not include, or will not include, any untrue statement of a material fact and did not omit, or will not omit, to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and (iii) on the date of this Agreement, the Initial Registration Statement and, if the Effective Time of the Additional Registration Statement is prior to the execution and delivery of this Agreement, the Additional Registration Statement each conforms, and at the time of filing of each of the Prospectuses pursuant to Rule 424(b) or (if no such filing is required) at the Effective Date of the Additional Registration Statement in which the Prospectuses are included, each Registration Statement and each of the Prospectuses will conform, in all material respects to the requirements of the Act and the Rules and Regulations, and none of such documents includes, or will include, any untrue statement of a material fact or omits, or will omit, to state any material fact required to be stated therein or necessary to make the statements therein not misleading. If the Effective Time of the Initial Registration Statement is subsequent to the execution and delivery of this Agreement: on the Effective Date of the Initial Registration Statement, the Initial Registration Statement and each

of the Prospectuses will conform in all material respects to the requirements of the Act and the Rules and Regulations, none of such documents will include any untrue statement of a material fact or will omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and no Additional Registration Statement has been or will be filed. The two preceding sentences do not apply to statements in or omissions from a Registration Statement or either of the Prospectuses based upon written information furnished to the Company by any Manager through CSFBL or by any U.S. Underwriter through the U.S. Representatives specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 7(b).

3. PURCHASE, SALE AND DELIVERY OF OFFERED SECURITIES. On the basis of the representations, warranties and agreements herein contained, but subject to the terms and conditions herein set forth, the Company agrees to sell to the Managers, and the Managers agree, severally and not jointly, to purchase from the Company, at a purchase price of U.S. \$\_\_\_\_\_ per share, the respective numbers of shares of International Firm Securities set forth opposite the names of the Managers in Schedule A hereto.

The Company will deliver the International Firm Securities to CSFBL for the accounts of the Managers, at the office of CSFBC, against payment of the purchase price in U.S. dollars in funds available on the same day by wire transfer to the account of the Company at a bank acceptable to CSFBL or by official Federal Reserve Bank check or checks drawn to the order of the Company at the office of Latham & Watkins, 633 W. Fifth Street, Suite 4000, Los Angeles, CA 90071-2007, at 10:00 A.M., New York time, on May \_\_, 1996, or at such other time not later than seven full business days thereafter as CSFBL and the Company determine, such time being herein referred to as the "First Closing Date." For purposes of Rule 15c6-1 under the Securities Exchange Act of 1934, the First Closing Date (if later than the otherwise applicable settlement date) shall be the settlement date for payment of funds and delivery of securities for all the Offered Securities sold pursuant to the U.S. Offering and the International Offering. The certificates for the International Firm Securities to be delivered will be in definitive form, in such denominations and registered in such names as CSFBL requests and will be made available for checking and packaging at the office of CSFBC, at least 24 hours prior to the First Closing Date.

In addition, upon written notice from CSFBC given to the Company from time to time not more than 30 days subsequent to the date of the Prospectuses, the Managers may purchase all or less than all of the International Optional Securities at the purchase price per Security to be paid for the International Firm Securities. The International Optional Securities to be purchased by the Managers on any Optional Closing Date shall be in the same proportion to all the Optional Securities to be purchased by the Managers and U.S. Underwriters on such Optional Closing Date as the International Firm Securities bear to all the Firm Securities. The Company agrees to sell to the Managers such International Optional Securities and the Managers agree, severally and not jointly, to purchase such International Optional Securities. Such International Optional Securities shall be purchased for the account of each Manager in the same proportion as the number of shares of International Firm Securities set forth opposite such Manager's name bears to the total number of shares of International Firm Securities (subject to adjustment by CSFBC to eliminate fractions) and may be purchased by the Managers only for the purpose of covering over-allotments made in connection with the sale of the International Firm Securities. No Optional Securities shall be sold or delivered unless the International Firm Securities and the U.S.

Firm Securities previously have been, or simultaneously are, sold and delivered. The right to purchase the Optional Securities or any portion thereof may be exercised from time to time and to the extent not previously exercised may be surrendered and terminated at any time upon notice by CSFBC on behalf of the Managers and the U.S. Underwriters to the Company. It is understood that CSFBC is authorized to make payment for and accept delivery of such Optional Securities on behalf of the U.S. Underwriters and Managers pursuant to the terms of CSFBC's instructions to the Company.

Each time for the delivery of and payment for the International Optional Securities, being herein referred to as an "Optional Closing Date," which may be the First Closing Date (the First Closing Date and each Optional Closing Date, if any, being sometimes referred to as a "Closing Date"), shall be determined by CSFBC but shall be not later than five full business days after written notice of election to purchase Optional Securities is given. The Company will deliver the International Optional Securities being purchased on each Optional Closing Date to CSFBL for the accounts of the several Managers, at the office of CSFBC, against payment of the purchase price in U.S. dollars in funds available on the same day by wire transfer to the account of the Company at a bank acceptable to CSFBL or by official Federal Reserve Bank check or checks drawn to the order of the Company, at the office of Latham & Watkins, 633 W. Fifth Street, Los Angeles, CA 90071-2007. The certificates for the International Optional Securities will be in definitive form, in such denominations and registered in such names as CSFBL requests upon reasonable notice prior to such Optional Closing Date and will be made available for checking and packaging at the office of CSFBC, at a reasonable time in advance of such Optional Closing Date.

The Company will pay to the Managers as aggregate compensation for their commitments hereunder and for their services in connection with the purchase of the International Securities and the management of the offering thereof, if the sale and delivery of the International Securities to the Managers provided herein is consummated, an amount equal to U.S. \$ \_\_\_\_\_ per International Security purchased, which may be divided among the Managers in such proportions as they may determine. Such payment will be made on the First Closing Date in the case of the International Firm Securities and on each Optional Closing Date in the case of the International Optional Securities sold to the Manager on such Closing Date, in each case by way of deduction by the Managers of said amount from the purchase price for the International Securities referred to above.

4. OFFERING BY MANAGERS. It is understood that the several Managers propose to offer the International Securities for sale to the public as set forth in the International Prospectus.

In connection with the distribution of the International Securities, the Managers, through a stabilizing manager, may over-allot or effect transactions on any exchange, in any over-the-counter market or otherwise which stabilize or maintain the market prices of the International Securities at levels other than those which might otherwise prevail, but in such event and in relation thereto, the Managers will act for themselves and not as agents of the Company, and any loss resulting from over-allotment and stabilization will be borne, and any profit arising therefrom will be beneficially retained, by the Managers. Such stabilizing, if commenced, may be discontinued at any time.

5. CERTAIN AGREEMENTS OF THE COMPANY. The Company agrees with the several Managers that:

(a) If the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement, the Company will file each of the Prospectuses with the

Commission pursuant to and in accordance with subparagraph (1) (or, if applicable and if consented to by CSFBL, subparagraph (4)) of Rule 424(b) not later than the earlier of (A) the second business day following the execution and delivery of this Agreement or (B) the fifteenth business day after the Effective Date of the Initial Registration Statement.

The Company will advise CSFBL promptly of any such filing pursuant to Rule 424(b). If the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement and an additional registration statement is necessary to register a portion of the Offered Securities under the Act but the Effective Time thereof has not occurred as of such execution and delivery, the Company will file the additional registration statement or, if filed, will file a post-effective amendment thereto with the Commission pursuant to and in accordance with Rule 462(b) on or prior to 10:00 P.M., New York time, on the date of this Agreement or, if earlier, on or prior to the time either Prospectus is printed and distributed to any Manager or U.S. Underwriter, or will make such filing at such later date as shall have been consented to by CSFBL.

(b) The Company will advise CSFBL promptly of any proposal to amend or supplement the initial or any additional registration statement as filed or either of the related prospectuses or the Initial Registration Statement, the Additional Registration Statement (if any) or either of the Prospectuses and will not effect such amendment or supplementation without CSFBL's prior consent; and the Company will also advise CSFBL promptly of the effectiveness of each Registration Statement (if its Effective Time is subsequent to the execution and delivery of this Agreement) and of any amendment or supplementation of a Registration Statement or either of the Prospectuses and of the institution by the Commission of any stop order proceedings in respect of a Registration Statement and will use its best efforts to prevent the issuance of any such stop order and to obtain as soon as possible its lifting, if issued.

(c) If, at any time when a prospectus relating to the Offered Securities is required to be delivered under the Act in connection with sales by any U.S. Underwriter, Manager or dealer, any event occurs as a result of which either or both of the Prospectuses as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend either or both of the Prospectuses to comply with the Act, the Company will promptly notify CSFBL of such event and will promptly prepare and file with the Commission, at its own expense, an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance. Neither CSFBL's consent to, nor the Managers' delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 6.

(d) As soon as practicable, but not later than the Availability Date (as defined below), the Company will make generally available to its security holders an earnings statement covering a period of at least 12 months beginning after the Effective Date of the Initial Registration Statement (or, if later, the Effective Date of the Additional Registration Statement) which will satisfy the provisions of Section 11(a) of the Act. For the purpose of the preceding sentence, "Availability Date" means the 45th day after the end of the fourth fiscal quarter following the fiscal quarter that includes such Effective Date, except that, if such fourth fiscal quarter is the

last quarter of the Company's fiscal year, "Availability Date" means the 90th day after the end of such fourth fiscal quarter.

(e) The Company will furnish to the Managers copies of the Registration Statement one of which will be signed and will include all exhibits), each preliminary prospectus relating to the International Securities, and, until completion of the distribution of the International Securities as determined by CSFBL, the International Prospectus and all amendments and supplements to such documents, in each case in such quantities as CSFBL requests. The International Prospectus shall be so furnished on or prior to 3:00 P.M., New York time, on the business day following the later of the execution and delivery of this Agreement or the Effective Time of the Initial Registration Statement. All other such documents shall be so furnished as soon as available. The Company will pay the expenses of printing and distributing to the Managers all such documents.

(f) No action has been or, prior to the completion of the distribution of the Offered Securities, will be taken by the Company in any jurisdiction outside the United States and Canada that would permit a public offering of the Offered Securities, or possession or distribution of the International Prospectus, or any amendment or supplement thereto, or any related preliminary prospectus issued in connection with the offering of the Offered Securities, or any other offering material, in any country or jurisdiction where action for that purpose is required.

(g) During the period of five years hereafter, the Company will furnish to CSFBL and, upon request, to each of the other Managers, as soon as practicable after the end of each fiscal year, a copy of its annual report to stockholders for such year; and the Company will furnish to CSFBL (i) as soon as available, a copy of each report and any definitive proxy statement of the Company filed with the Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or mailed to stockholders, and (ii) from time to time, such other information concerning the Company as CSFBL may reasonably request.

(h) The Company will pay all expenses incident to the performance of its obligations under this Agreement and will reimburse the Managers (if and to the extent incurred by them) for the filing fee of the National Association of Securities Dealers, Inc. relating to the Offered Securities, for any travel expenses of the Company's officers and employees and any other expenses of the Company in connection with attending or hosting meetings with prospective purchasers of the Offered Securities and for expenses incurred in distributing preliminary prospectuses and the Prospectuses (including any amendments and supplements thereto) to the Managers.

(i) For a period of 90 days after the date of the initial public offering of the Offered Securities, the Company will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, or file with the Commission a registration statement under the Act relating to, any additional shares of its Securities or securities convertible into or exchangeable or exercisable for any shares of its Securities, or publicly disclose the intention to make any such offer, sale, pledge, disposal or filing, without the prior written consent of CSFBL, except issuances of Securities pursuant to the conversion or exchange of convertible or exchangeable securities or the exercise of warrants, rights or options, in each case outstanding on the date

hereof, grants of employee stock options or rights pursuant to the terms of a plan in effect on the date hereof, issuances of Securities pursuant to the exercise of such options or rights, issuances of Securities pursuant to the Company's dividend reinvestment plan as in effect on the date hereof, and any filing of a registration statement under the Act with respect to any of the foregoing permitted issuances or grants.

6. CONDITIONS OF THE OBLIGATIONS OF THE MANAGERS. The obligations of the several Managers to purchase and pay for the International Firm Securities on the First Closing Date and the International Optional Securities to be purchased on each Optional Closing Date will be subject to the accuracy of the representations and warranties on the part of the Company herein, to the accuracy of the statements of Company officers made pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

(a) The Managers shall have received a letter, dated the date of delivery thereof (which, if the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement, shall be on or prior to the date of this Agreement or, if the Effective Time of the Initial Registration Statement is subsequent to the execution and delivery of this Agreement, shall be prior to the filing of the amendment or post-effective amendment to the registration statement to be filed shortly prior to such Effective Time), of Deloitte & Touche LLP to the effect set forth in Section 6(a) of the Underwriting Agreement.

(b) The Managers shall have received a letter, dated the date of delivery thereof (which, if the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement, shall be on or prior to the date of this Agreement or, if the Effective Time of the Initial Registration Statement is subsequent to the execution and delivery of this Agreement, shall be prior to the filing of the amendment or post-effective amendment to the registration statement to be filed shortly prior to such Effective Time), of Price Waterhouse LLP to the effect set forth in Section 6(b) of the Underwriting Agreement.

(c) If the Effective Time of the Initial Registration Statement is not prior to the execution and delivery of this Agreement, such Effective Time shall have occurred not later than 10:00 P.M., New York time, on the date of this Agreement or such later date as shall have been consented to by CSFBL. If the Effective Time of the Additional Registration Statement (if any) is not prior to the execution and delivery of this Agreement, such Effective Time shall have occurred not later than 10:00 P.M., New York time, on the date of this Agreement or, if earlier, the time either Prospectus is printed and distributed to any Manager or U.S. Underwriter, or shall have occurred at such later date as shall have been consented to by CSFBL. If the Effective Time of the Initial Registration Statement is prior to the execution and delivery of this Agreement, each of the Prospectuses shall have been filed with the Commission in accordance with the Rules and Regulations and Section 5(a) of this Agreement. Prior to such Closing Date, no stop order suspending the effectiveness of a Registration Statement shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company or the Managers, shall be contemplated by the Commission.

(d) Subsequent to the execution and delivery of this Agreement, there shall not have occurred (A) a change in U.S. or international financial, political or economic conditions or currency exchange rates or exchange controls as would, in the judgment of CSFBL, be likely

to prejudice materially the success of the proposed issue, sale or distribution of the International Securities, whether in the primary market or in respect of dealings in the secondary market, or (B)(i) any change, or any development or event involving a prospective change, in the condition (financial or other), business, properties or results of operations of the Company or its subsidiaries which, in the judgment of CSFBL, is material and adverse and makes it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the International Securities; (ii) any downgrading in the rating of any debt securities of the Company by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating); (iii) any suspension or limitation of trading in securities generally on the New York Stock Exchange, or any setting of minimum prices for trading on such exchange, or any suspension of trading of any securities of the Company on any exchange or in the over-the-counter market; (iv) any banking moratorium declared by U.S. Federal or New York authorities; or (v) any outbreak or escalation of major hostilities in which the United States is involved, any declaration of war by the United States Congress or any other substantial national or international calamity or emergency if, in the judgment of CSFBL, the effect of any such outbreak, escalation, declaration, calamity or emergency makes it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the International Securities.

(e) The Managers shall have received an opinion, dated such Closing Date, of Sheppard, Mullin, Richter & Hampton LLP, counsel for the Company, to the effect set forth in Section 6(e) of the Underwriting Agreement.

(f) The Managers shall have received an opinion, dated such Closing Date, of Richard R. Molleur, Corporate Vice President and General Counsel of the Company, to the effect set forth in Section 6(f) of the Underwriting Agreement.

(g) The Managers shall have received from Latham & Watkins, counsel for the Managers, such opinion or opinions, dated such Closing Date, with respect to the incorporation of the Company, the validity of the Offered Securities delivered on such Closing Date, the Registration Statement, the Prospectuses and other related matters as the Managers may require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(h) The Managers shall have received a certificate, dated such Closing Date, of the President or any Vice President and a principal financial or accounting officer of the Company in which such officers, to the best of their knowledge after reasonable investigation, shall state that: the representations and warranties of the Company in this Agreement are true and correct; the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date; no stop order suspending the effectiveness of any Registration Statement has been issued and no proceedings for that purpose have been instituted or are contemplated by the Commission; and, subsequent to the respective dates of the most recent financial statements in the Prospectuses, there has been no material adverse change, nor any development or event involving a prospective material adverse change,

in the condition (financial or other), business, properties or results of operations of the Company and its subsidiaries taken as a whole except as set forth in or contemplated by the Prospectuses or as described in such certificate.

(i) The Managers shall have received a letter, dated such Closing Date, of Deloitte & Touche LLP which meets the requirements of subsection (a) of this Section, except that the specified date referred to in such subsection will be a date not more than three days prior to such Closing Date for the purposes of this subsection.

(j) The Managers shall have received a letter, dated such Closing Date, of Price Waterhouse LLP which meets the requirements of subsection (b) of this Section, except that the specified date referred to in such subsection will be a date not more than three days prior to such Closing Date for the purposes of this subsection.

(k) On such Closing Date, the U.S. Underwriters shall have purchased the U.S. Firm Securities or the U.S. Optional Securities, as the case may be, pursuant to the Underwriting Agreement.

The Company will furnish the Managers with such conformed copies of such opinions, certificates, letters and documents as the Managers reasonably request. CSFBL may in its sole discretion waive on behalf of the Managers compliance with any conditions to the obligations of the Managers hereunder, whether in respect of an Optional Closing Date or otherwise.

7. INDEMNIFICATION AND CONTRIBUTION. (a) The Company will indemnify and hold harmless each Manager against any losses, claims, damages or liabilities, joint or several, to which such Manager may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, either of the Prospectuses, or any amendment or supplement thereto, or any related preliminary prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Manager for any legal or other expenses reasonably incurred by such Manager in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Manager through CSFBL specifically for use therein, it being understood and agreed that the only information furnished by any Manager consists of the information described as such in subsection (b) below.

(b) Each Manager will severally and not jointly indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, either of the Prospectuses, or any amendment or supplement thereto, or any related preliminary prospectus, or arise out of or are based upon the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein

not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Manager through CSFBL specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred, it being understood and agreed that the only such information furnished by any Manager consists of the following information in the International Prospectus furnished on behalf of each Manager: the last paragraph at the bottom of the cover page concerning the terms of the offering by the Managers, the legend concerning over-allotments and stabilizing on the inside front cover page and the concession and reallowance figures appearing in the fifth paragraph under the caption "Subscription and Sale."

(c) Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Managers on the other from the offering of the International Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Managers on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Managers on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the International Securities (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Managers. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Managers and the parties'

relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Manager shall be required to contribute any amount in excess of the amount by which the total price at which the International Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Manager has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Managers' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Company under this Section shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Manager within the meaning of the Act or the Exchange Act; and the obligations of the Managers under this Section shall be in addition to any liability which the respective Managers may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company, to each officer of the Company who has signed a Registration Statement and to each person, if any, who controls the Company within the meaning of the Act or the Exchange Act.

8. DEFAULT OF MANAGERS. If any Manager or Managers default in their obligations to purchase International Securities hereunder on either the First or any Optional Closing Date and the aggregate number of shares of International Securities that such defaulting Manager or Managers agreed but failed to purchase does not exceed 10% of the total number of shares of International Securities that the Managers are obligated to purchase on such Closing Date, CSFBL may make arrangements satisfactory to the Company for the purchase of such International Securities by other persons, including any of the Managers, but if no such arrangements are made by such Closing Date the non-defaulting Managers shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the International Securities that such defaulting Managers agreed but failed to purchase on such Closing Date. If any Manager or Managers so default and the aggregate number of shares of International Securities with respect to which such default or defaults occur exceeds 10% of the total number of shares of International Securities that the Managers are obligated to purchase on such Closing Date and arrangements satisfactory to CSFBL and the Company for the purchase of such International Securities by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Manager or the Company, except as provided in Section 9 (provided that if such default occurs with respect to International Optional Securities after the First Closing Date, this Agreement will not terminate as to the International Firm Securities or any International Optional Securities purchased prior to such termination). As used in this Agreement, the term "Manager" includes any person substituted for a Manager under this Section. Nothing herein will relieve a defaulting Manager from liability for its default.

9. SURVIVAL OF CERTAIN REPRESENTATIONS AND OBLIGATIONS. The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the several Managers set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any

Manager, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the International Securities. If this Agreement is terminated pursuant to Section 8 or if for any reason the purchase of the International Securities by the Managers is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 5 and the respective obligations of the Company and the Managers pursuant to Section 7 shall remain in effect and if any International Securities have been purchased hereunder the representations and warranties in Section 2 and all obligations under Section 5 shall also remain in effect. If the purchase of the International Securities by the Managers is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 8 or the occurrence of any event specified in Section 6(d)(A) or clause (iii), (iv), or (v) of Section 6(d)(B), the Company will reimburse the Managers for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the International Securities.

11. SUCCESSORS. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 7, and no other person will have any right or obligation hereunder.

12. REPRESENTATION OF MANAGERS. CSFBL will act for the several Managers in connection with this financing, and any action under this Agreement taken by CSFBL will be binding upon all the Managers.

13. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

14. APPLICABLE LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS.

The Company hereby submits to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

If the foregoing is in accordance with the Managers' understanding of our agreement, kindly sign and return to the Company one of the counterparts hereof, whereupon it will become a binding agreement between the Company and the several Managers in accordance with its terms.
