ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On March 1, 1996, pursuant to the Asset Purchase Agreement dated as of January 3, 1996 (the "Purchase Agreement"), Northrop Grumman Corporation ("Registrant") acquired from Westinghouse Electric Corporation (collectively "Seller") substantially all of the assets of Seller's Electronic Systems Group (excluding the security systems, wireless communications and airship businesses thereof and the business of Westinghouse Landmark GIS, Inc.) (the "Division"). The purchase includes the Seller's voting stock or other interests in several domestic and foreign subsidiaries and joint ventures. A copy of the Purchase Agreement is filed herewith as Exhibit 2.1, and certain ancillary agreements are filed as Exhibits 2.2 and 2.3, and reference is made thereto for the complete terms and conditions thereof.

The purchase price of \$3 billion cash (subject to adjustment following an audit of the closing date balance sheet of the Division) was based upon the estimated net assets to be acquired as well as the value of the ongoing business, and took into account the liabilities reflected on the balance sheet and assumed by Registrant.

Registrant obtained the cash portion of the purchase price from (i) an offering made pursuant to Rule 144A promulgated under the Securities Act of 1933, as amended, of \$1 billion in debt securities having maturity dates of 10,

20 and 30 years and (ii) a bank credit facility advanced under the Second Amended and Restated Credit Agreement dated as of April 15, 1994, Amended and Restated as of March 1, 1996 among Northrop Grumman Corporation, Bank of America National Trust and Savings Association, as Documentation Agent, Chemical Securities, Inc., as Syndication Agent, The Chase Manhattan Bank (National Association), as Administrative Agent and the Banks Signatories thereto (the "Credit Agreement"). A copy of the Credit Agreement is filed herewith as Exhibit 2.4 and reference is made thereto for the complete terms and conditions thereof.

Registrant intends to continue to use the assets purchased from Seller in the operation of the Division, which will be known as the Electronic Sensors and Systems Division of Registrant, and is reviewing these business areas and its strategic core competencies to determine whether any synergies may be achieved by repositioning or divesting certain assets or business areas.

No material relationship exists between Seller and Registrant or any of its affiliates, directors or officers, or any associate of any such directors or officers.

The Press Release of Registrant dated March 1, 1996, announcing the completion of the acquisition described above is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

REPORT OF INDEPENDENT ACCOUNTANTS

To the Board of Directors
Westinghouse Electric Corporation

In our opinion, the accompanying combined statement of financial position and the related combined statements of earnings, of cash flows and of changes in invested equity present fairly, in all material respects, the financial position of Electronic Systems (a unit of Westinghouse Electric Corporation) at December 31, 1995 and 1994, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 1995, in conformity with generally accepted accounting principles. These financial statements are the responsibility of the Company's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with generally accepted auditing standards which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for the opinion expressed above.

As discussed in Note 12, the Company changed its method of accounting

for certain postemployment benefits in 1993.

Electronic Systems is a unit of Westinghouse Electric Corporation and, as disclosed in the financial statements, receives support services from, and has transactions and relationships with, Westinghouse Electric Corporation and its affiliates.

NOTES TO COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 1995, 1994 AND 1993

(DOLLAR AMOUNTS IN THOUSANDS)

NOTE 1 NATURE OF OPERATIONS AND RELATIONSHIPS WITH WESTINGHOUSE

General

Electronic Systems (the Company), a unit of Westinghouse Electric Corporation (Westinghouse), provides advanced electronic systems, products and technologies primarily to U.S. and non-U.S. government agencies. The Company is not a legal entity. The operations included in these financial statements are substantially the Electronic Systems segment of Westinghouse as disclosed by Westinghouse for external reporting purposes. However, for purposes of these financial statements, operations disposed of or transferred to other business units during the three year period ended December 31, 1995 and those operations which will be retained by Westinghouse have been excluded for all years presented because any remaining assets and liabilities related to these entities are not included in the sale of the Company to Northrop Grumman Corporation (see Note 18).

The Company operates in one business segment -- the research, development, production and support of advanced electronic systems. The Company derives a substantial portion of its revenue from long-term contracts for systems development and production and related services principally in defense electronics, air traffic control systems and space systems. Significant customers include the U.S. Department of Defense (DOD), the Federal Aviation Administration (FAA) and the National Aeronautics and Space Administration (NASA). Sales to U.S. government agencies totalled \$2,040,000, \$1,789,000, and \$2,039,000 in 1995, 1994 and 1993, respectively.

As more fully described in Notes 2, 3, 4, 5, 6, and 17, the periodic reporting of results for long-term government contracts is inherently dependent on the extensive use of estimates. All such estimates have been made to the best of management's ability based upon facts available at the time, but it is possible that future developments may require revisions of those estimates.

Related Party Transactions

The Company is an integrated component of Westinghouse's operations and

receives a number of administrative and support services from Westinghouse and participates in a number of Westinghouse employee benefit plans and is included in Westinghouse's insurance programs and income tax returns. Further information about such relationships and transactions is included in Notes 2, 12, 13, 17 and 18.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Combination

The combined financial statements of the Company primarily comprise the accounts of one Westinghouse operating unit which is not a separate legal entity and certain subsidiaries of Westinghouse. All material intercompany accounts and transactions have been eliminated in combination.

Revenue Recognition

The majority of the Company's revenue results from contract services performed under a variety of contracts, including cost plus, fixed-price and time-and-materials type contracts. Sales under government and commercial fixed-price incentive contracts are recorded at the time deliveries are made or, for long-term contracts with a duration in excess of two years, upon the completion of specific tasks (pre-defined milestones). Sales under cost-reimbursement contracts are recorded as work is performed and billed. Estimated contract profits are recorded in proportion to recorded sales. Some contracts contain incentive provisions which provide for increased or decreased earnings based upon performance in relation to established targets. Such adjustments are considered in estimating sales and profit rates and are recorded when there is sufficient information to assess anticipated contract performance. Revenues relating to contracts or contract changes that have not been completely priced, negotiated, documented, or funded are not recognized unless realization is considered probable.

Major contracts for complex military systems are performed over extended periods of time and are subject to changes in scope and delivery schedules. Pricing negotiations on changes and settlement of claims often extend over prolonged periods of time. Estimates of final contract revenues include future revenue from expected recovery on claims. Such revenues are included when it is probable that the claim will result in additional contract revenue, when the amount can be reliably estimated and legal entitlement has been established.

Estimates are reviewed periodically, and changes in estimated contract revenue and costs which result in changes to estimated contract profit are recognized in the period in which they are determined. Provisions for anticipated losses on contracts are recorded in full as they are identified.

A standard one year warranty against defective material and workmanship is provided for products sold. Standard warranty costs, which have not been significant, are reported as incurred. Warranty beyond the scope of defective material and workmanship is quoted as a separate contract cost element, and provision is made for the anticipated warranty costs as sales are recognized.

Cash and Cash Equivalents

Westinghouse performs cash management on a centralized basis in North America for the Company as well as for other Westinghouse businesses. Under such service arrangements, accounts receivable are collected and cash is invested centrally. Activity in the Company's cash balances supporting its North American operations is recorded through the invested equity account with Westinghouse. The Company maintains certain separate bank accounts primarily related to its non-North American operations; the balances in such accounts are included in cash and cash equivalents in the accompanying balance sheet. The Company considers cash and cash equivalents to include cash on hand and on deposit and highly liquid investments with original maturities at date of acquisition

generally of three months or less.

Debt and Interest Cost

Westinghouse has not allocated any portion of its debt or related interest cost to the Company, and no portion of Westinghouse's debt is specifically related to the operations of the Company. Accordingly, the Company's financial statements include no charges for interest or capitalized interest.

Inventories

Inventories consist principally of unreimbursed costs under fixed-price contracts and are stated at total costs incurred reduced by the estimated average cost of deliveries. Inventoried costs include both direct contract costs and allocable overhead costs (generally determined on an average cost basis). All other inventories are stated at the lower of cost (generally determined on an average cost basis) or market.

Property, Plant and Equipment

Property, plant and equipment is stated at cost less accumulated depreciation. Depreciation is recorded using the straight-line method over the estimated useful lives of the assets (buildings, 40-45 years; land improvements, 15-25 years; machinery and equipment, 8-12 years; furniture and fixtures, 5-10 years; and information systems equipment, 3-5 years). Leasehold improvements are amortized on a straight-line basis over the shorter of the lease term or the estimated useful lives of the improvements. Capitalization of newly acquired assets is limited to those with cost in excess of \$1.5 (one thousand, five hundred dollars).

Goodwill and Other Intangible Assets

Goodwill and other intangible assets are amortized using the straight-line method over their estimated lives, but not exceeding 40 years for assets acquired prior to January 1, 1994 and not in excess of 15 years for assets acquired after December 31, 1993.

Subsequent to the acquisition of an intangible asset, management continually evaluates whether later events or circumstances have occurred that indicate the remaining estimated useful life of an intangible asset may warrant revision or that the remaining balance of such an asset may not be recoverable. When factors indicate that an intangible asset should be evaluated for possible impairment, management uses an estimate of the undiscounted future cash flows of the asset over its remaining useful life in measuring whether the intangible asset is recoverable. If such an analysis indicates that impairment has in fact occurred, the book value of the intangible asset is written down to its estimated realizable value.

Income Taxes

Historically, the results of the Company's domestic operations have been included in the consolidated U.S. federal income tax return of Westinghouse. The results of the Company's foreign operations have been reported separately in their respective taxing jurisdictions. The income tax expense and other tax-related information in these statements is presented as if the Company had not been eligible to be included in the consolidated tax returns of Westinghouse or other affiliates (i.e., the Company on a stand-alone basis). The recognition and measurement of income tax expense and deferred income taxes required certain assumptions, allocations, and significant estimates which management believes are reasonable to measure the tax consequences as if the Company was a stand-alone taxpayer.

The Company accounts for income taxes in accordance with Statement of Financial Accounting Standards (SFAS) No. 109 "Accounting for Income Taxes." SFAS 109 requires the asset and liability

method of accounting for income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in years in which those temporary differences are expected to be recovered or settled.

For purposes of these financial statements, any current income tax liabilities are considered to have been paid by Westinghouse and are recorded through the invested equity account with Westinghouse.

Deferred federal income taxes have not been provided on the cumulative undistributed earnings of foreign affiliates as these earnings are considered to be permanently reinvested.

Employee Benefit Plans

Westinghouse has a number of employee benefit plans covering substantially all employees. Historically, most of the Company's employees have participated in the Westinghouse plans for pensions, postretirement benefits other than pensions, and postemployment benefits. In addition, the Company has maintained its own pension and postretirement benefit plans for certain of its employees not included in the Westinghouse plans. Most pension plan benefits are based on years of service and compensation levels at the time of retirement, a formula based on career earnings or a final average compensation amount. Pension benefits are paid from trusts funded by contributions from employees and Westinghouse. The pension funding policy is consistent with the funding requirements of U.S. federal and other governmental laws and regulations. Plan assets consist primarily of listed stocks, fixed income securities and real estate investments. Postretirement benefit arrangements consist of various retiree medical, dental and life insurance arrangements sponsored by Westinghouse.

For purposes of these financial statements, the costs and related balance sheet accounts and disclosures for pensions, postretirement benefits other than pensions, and postemployment benefits have been presented as if the portion of the plans relating to the Company's employees had been segregated from the Westinghouse plans as separate plans. The accumulated benefit obligation (ABO) and projected benefit obligation (PBO) for pensions and accumulated postretirement benefit obligation (APBO) were calculated based on demographic data for the active, inactive, and retired employees of the Company. Plan assets and unrecognized net transition obligation, prior service cost and gain or loss were allocated based on the proportion of the Company's PBO or APBO to the total Westinghouse PBO or APBO for pensions and postretirement benefits other than pensions, respectively. The actuarially determined net periodic costs and related balance sheet accounts have been reflected in these financial statements. Contributions have been recorded through the invested equity account. Management believes that the assumptions, allocations, and significant estimates used are reasonable.

Research and Development Costs

Research and development costs are incurred under both independent Company-initiated programs and under contracts for specific programs with others, primarily the U.S. government. Research and development costs incurred under contract are charged to inventory as contracts in progress. Independent research and development costs which are not incurred in performance of specific contract requirements are reimbursable as indirect period cost through government-mandated cost accounting procedures. Unallowable research and development costs are charged against income as incurred.

Foreign Currency

Non-U.S. operations utilize the local currency as the functional currency. Assets and liabilities are translated into U.S. dollars at the exchange rate applicable at the time of translation, while revenue and costs are translated at the average rates of exchange prevailing during the year. Translation adjustments are accumulated in invested equity. Foreign exchange gains and losses incurred on foreign currency transactions are included in income. The Company has entered into forward exchange contracts to hedge the effect of foreign currency fluctuations on certain transactions and commitments denominated in foreign currencies. The Company's foreign exchange policy includes matching purchases and sales in national currencies when possible and hedging unmatched transactions in excess of \$250. Gains and losses on commitment hedges are deferred and included in the basis of the transaction underlying the commitment. Gains and losses on transaction hedges are recognized in income and offset the foreign exchange gains and losses on the related transactions.

Credit Risk

Financial instruments which potentially subject the Company to concentrations of credit risk consist of billed accounts receivable and unbilled accounts receivable (principally unreimbursed costs and fees under contracts). Receivables result primarily from contracts with U.S. and non-U.S. governments and from subcontracts with prime contractors to the U.S. government. Contracts with the U.S. government do not require collateral or other security. The Company conducts ongoing credit evaluations of non-government customers and generally does not require collateral or other security from these customers. The Company generally has negotiated terms and conditions which provide for non-U.S. government customers to make advance payments in amounts sufficient to limit the Company's credit risk. Historically, the Company has not incurred any significant credit related losses under its long-term contracts.

Fair Value of Financial Instruments

The carrying amount of the Company's cash and cash equivalents and trade accounts receivable approximates fair value.

NOTE 3 ACQUISITION

Effective June 1, 1994, the Company acquired certain assets of the Norden Systems Division (Norden) of United Technologies Corporation for \$94,600, of which \$72,700 was paid at closing and the remaining \$21,900 in January 1995, and assumed certain liabilities. Norden designs and manufactures advanced electronic systems for combat vehicles, aircraft, ships, submarines and air traffic control. The transaction was accounted for using the purchase method of accounting and, accordingly, the purchase price has been allocated to assets acquired and liabilities assumed based on the estimated fair value of such assets and liabilities at the date of acquisition. The purchase price resulted in an excess of costs over net assets acquired of approximately \$56,100. Such excess is being amortized on a straight-line basis over 13 years. Norden's results of operations have been included in the consolidated results of operations since the date of acquisition.

The following unaudited pro forma information presents the results of operations of the Company and Norden for the years ended December 31, 1994 and 1993, with pro forma adjustments as if the Norden acquisition had occurred as of the beginning of the periods presented. The pro forma presentation does not purport to be indicative of what would have occurred had the acquisition been made as of those dates or of results which may occur in the future.

Revenue.....	\$2,258,081	\$2,570,693
Earnings before cumulative effect of accounting change.....	69,364	77,687
Net earnings.....	69,364	64,310

A \$25 million liability was established in conjunction with the Norden acquisition for the consolidation of administrative and manufacturing facilities at the Norwalk and Melville locations into Baltimore, of which \$1.7 million has been expended to date; the consolidation is to be completed by May 1997. A memorandum of understanding for the treatment of the costs of the consolidation actions has been reached with the Corporate Administrative Contracting Officer. Such costs are subject to recovery through inclusion in allowable costs for government rate purposes over future periods. However, because the extent of recovery is not estimable, no asset has been recorded for any amounts that might ultimately be recovered from inclusion of these costs in future contracting rates.

NOTE 4 SPECIAL RESTRUCTURING ACTIONS

Management is committed to ongoing restructuring actions that will enhance the Company's competitive position in the defense industry. As a result, net restructuring charges principally related to workforce reductions, asset writedowns, and consolidation of facilities of \$51,200, \$8,600 and \$90,500 were recorded by the Company and charged against income in 1995, 1994 and 1993, respectively. A portion of the restructuring charges are expected to be allowed as indirect costs under the Company's government contracts in future periods. The amount estimated to be subject to recovery through inclusion for government rate purposes for years after 1995 is approximately \$94 million. Because the extent of recovery is not estimable, no asset has been recorded for any amounts that might ultimately be recovered from the inclusion of these costs in future contracting rates.

The 1993 and 1994 actions included the separation of approximately 1,000 employees, exiting of certain product lines and closure of certain facilities. In 1995, management announced a series of additional restructuring actions that included the separation of approximately 1,300 employees and the closure of additional facilities. The following table is a reconciliation of the restructuring charges under each of the initiatives to the remaining amounts accrued at December 31, 1995:

	EMPLOYEE SEPARATION COSTS	ASSET WRITEDOWNS	FACILITY CLOSURE & RATIONALIZATION COSTS	OTHER	TOTAL

NOTE 5 TRADE ACCOUNTS RECEIVABLE

Trade accounts receivable consist of the following:

	DECEMBER 31,	
	1995	1994
Commercial.....	\$ 65,861	\$ 50,371
Government contracts		
Billed.....	165,858	132,593

Less: Allowance for doubtful and potentially unrecoverable amounts...	(2,180)	(2,808)
	\$283,027	\$ 237,197

Unbilled receivables consist of amounts of revenue recognized on contracts for which billings have not been presented to the customers. Such amounts are usually billed and collected within one year.

The Company generally has several open contract disputes with its customers, particularly the U.S. government, at any point in time. These disputes arise in the normal course of long-term contracting and most of the disputes are formalized in Requests for Equitable Adjustments (RFEAs) that relate primarily to work beyond the scope of the contracts. Customers occasionally terminate contracts before completion, resulting in Termination for Convenience Claims (TCs). Unbilled accounts receivable at December 31, 1995 and 1994 included \$29,800 and \$37,300, respectively, in RFEAs and \$13,300 and \$13,200, respectively, in TCs. Management believes that the amounts are collectible during 1996.

Substantially all billed accounts receivable are expected to be collected within one year.

Costs of \$81,087 and \$90,212 are included in inventory at December 31, 1995 and 1994, respectively, for projects or products which were not under contract at those dates. Management of the Company believes that all inventories will be recovered in the normal course of business, and that costs incurred in advance of contractual coverage at December 31, 1995 will receive firm contractual coverage in 1996.

Costs and profits on long-term contracts with progress billing terms are presented in the accompanying financial statements according to the funded status of individual contracts as shown below:

NOTE 12 EMPLOYEE BENEFIT PLANS

Pensions

Net periodic pension cost was as follows:

	YEAR ENDED DECEMBER 31,		
	1995	1994	1993
Service cost.....	\$ 17,172	\$ 25,646	\$ 18,749

	-----	-----	-----
Net periodic pension cost.....	\$ 52,462	\$ 65,201	\$ 37,970
	-----	-----	-----

Net periodic pension cost decreased \$12,739 in 1995 compared to 1994, due primarily to reduced amortization cost as a result of a pension settlement charge of \$60,984 recognized in 1994.

The Company's restructuring activities contributed to a high level of lump sum cash distributions from the pension fund during 1994. The magnitude of these cash distributions required that the Company apply the provisions of SFAS No. 88, "Employers' Accounting for Settlements and Curtailments of Defined

Benefit Pension Plans and for Termination Benefits," and recognize a settlement loss of \$60,984 during the fourth quarter of 1994. This charge was recorded as an other expense item in the 1994 statement of earnings (see Note 14). This noncash charge to income represents the pro-rata portion of unrecognized losses associated with the pension obligation that was settled.

The actuarial present value of benefit obligations and funded status were as follows:

	DECEMBER 31,	
	1995	1994
Actuarial present value of benefit obligation		
Vested.....	\$ (1,130,535)	\$ (1,008,994)

Accumulated benefit obligation.....	\$ (1,164,139)	\$ (1,038,495)
Projected benefit obligation.....	\$ (1,270,998)	\$ (1,133,188)
Plan assets at fair value.....	794,744	759,197
Projected benefit obligation in excess of plan assets.....	(476,254)	(373,991)
Unrecognized prior service cost (benefit).....	(27,973)	(28,422)
Unrecognized losses, net.....	506,062	384,317
Unrecognized net transition obligation....	47,261	55,143
Prepaid pension cost.....	49,096	37,047
Adjustment to recognize minimum liability	(418,491)	(316,345)
Accrued pension liability.....	\$ (369,395)	\$ (279,298)

For financial reporting purposes, a pension plan is considered unfunded when the fair value of plan assets is less than the accumulated benefit obligation. When that is the case, a minimum pension liability must be recognized for the sum of the unfunded amount less any accrued pension cost. In recognizing such a liability, an intangible asset is usually recorded. However, the amount of the intangible asset may not be greater than the sum of the prior service cost not yet recognized and any unrecognized transition obligation. When the liability to be recognized is greater than the intangible asset limit, the excess is charged to invested equity, net of any tax effects which could be recognized in the future.

At December 31, 1995, a minimum pension liability of \$418,491 was recognized for the sum of the unfunded amount of \$369,395 plus the prepaid pension cost of \$49,096. An intangible asset of \$19,288 and a charge to invested equity of \$399,203, which was reduced to \$239,522 due to tax deferrals of \$159,681, offset the pension liability. As a result of this remeasurement, year-end 1995 invested equity was decreased by \$65,745 from December 31, 1994.

At December 31, 1994, a minimum pension liability of \$316,345 was recognized for the sum of the unfunded amount of \$279,298 plus the prepaid pension cost of \$37,047. An intangible asset of \$26,721 and a charge to invested equity of \$289,624, which was reduced to \$173,777 due to tax deferrals of \$115,847, offset the pension liability. As a result of this remeasurement, year-end 1994 invested equity was increased by \$52,176 from December 31, 1993.

The Company sponsors various nonqualified supplemental pension plans which provide additional benefits to certain employees and are paid from the Company's assets. The unfunded accumulated benefit obligation under these plans at December 31, 1995 was \$37,500 and is included in the accrued pension liability above.

Assumptions used in developing the projected benefit obligations as of December 31 were as follows:

	1995	1994	1993
	-----	-----	-----
Discount rate.....	6.75%	8.50%	7.25%
Rate of increase in compensation...	4.00%	4.00%	4.00%
Rate of return on plan assets.....	9.75%	9.75%	9.75%

In addition to the above described defined benefit pension plans, employees of the Company meeting certain eligibility requirements may elect to participate in employee savings plans sponsored by Westinghouse and the Company which qualify as deferred salary arrangements under Section 401(k) of the Internal Revenue Code. Under these plans, participating employees may defer a portion of their pretax earnings, subject to statutory limitations. The Company matches a portion of employees' contributions. Expense recorded by the Company related to these plans was \$16,338, \$15,869, and \$15,939 in 1995, 1994 and 1993, respectively.

Postretirement Benefits Other than Pensions

Net periodic postretirement cost was as follows:

	YEAR ENDED DECEMBER 31,		
	1995	1994	1993
	-----	-----	-----
Service cost.....	\$ 2,768	\$ 4,360	\$ 3,286

Net periodic postretirement benefit cost.	\$25,803	\$26,700	\$ 25,095

The actuarial present value of benefit obligations and funded status were as follows:

	DECEMBER 31,	
	1995	1994
	-----	-----

Accumulated postretirement benefit obligation:		
Retirees.....	\$ (220,801)	\$ (183,779)

	-----	-----
Accrued postretirement benefits.....	\$ (264,030)	\$ (263,762)
	-----	-----

The accumulated postretirement benefit obligation was calculated using the terms of Westinghouse's medical, dental and life insurance plans, including the effects of established maximums on covered costs.

The effect of a 1% annual increase in the assumed healthcare cost trend rates would increase the accumulated postretirement benefit obligation by approximately \$19,169 and would increase net periodic postretirement benefit cost by approximately \$1,620.

Assumptions used in developing the projected benefit obligation at December 31 were as follows:

	1995	1994	1993
	-----	-----	-----
Discount rate.....	6.75%	8.50%	7.25%
Compensation increase rate.....	4.00%	4.00%	4.00%
Healthcare cost trend rates.....	10.50%	11.00%	12.00%
Long-term rate of return on plan assets..	7.00%	7.00%	9.75%

Postemployment Benefits

The Company provides certain postemployment benefits to former or inactive employees and their dependents during the time period following employment but before retirement. These amounts include salary continuation and other miscellaneous postemployment benefits such as weekly accident and sickness pay, life insurance and death gratuities. Electronic Systems' liability for postemployment benefits was \$14,994 and \$15,652 at December 31, 1995 and 1994, respectively. In December 1993, Electronic Systems adopted, retroactive to January 1, 1993, SFAS No. 112, "Employers Accounting for Postemployment Benefits". Electronic Systems' charge for adoption of SFAS 112 at January 1, 1993 was \$13,377, net of \$8,918 of deferred taxes, and was immediately recognized as a cumulative effect of a change in accounting for postemployment benefits.

NOTE 13 RELATED PARTY TRANSACTIONS

The Company purchases products from and sells products to other Westinghouse operations on a limited basis. The Company also purchases certain services from Westinghouse, including liability,

property and workers' compensation insurance. These transactions are discussed in further detail below. All transactions with Westinghouse are assumed to be immediately settled and, accordingly, are recorded through the invested equity account.

Corporate Services

The Company uses, and is charged directly for, certain services that Westinghouse provides to its business units. These services generally include information systems support, certain accounting functions, such as transaction processing, legal services, environmental affairs, human resources and telecommunications. The Company also purchases other Westinghouse internally-provided services as needed, including printing, productivity and quality consulting and other services.

Westinghouse centrally develops, negotiates and administers Electronic Systems' insurance programs. The insurance includes broad all-risk coverage for real and personal property, third-party liability coverage, employer's liability, automobile liability, general product liability, and other standard liability coverage. Westinghouse also maintains a program of self-insurance for workers' compensation in the U.S. The cost of this program is charged to the Company based on claims history.

All of the cost of services described above are included in the combined statement of earnings. Such charges are based on costs which directly relate to the Company on a basis that management believes is reasonable. However, management believes that it is possible that the costs of these transactions may differ from those that would result from transactions among unrelated parties. Charges included in the statement of earnings related to the services above are \$51,323, \$56,468 and \$69,857 for 1995, 1994 and 1993, respectively.

Other Corporate Expenses

Westinghouse allocates a certain portion of its corporate expenses to its business units. These allocated costs include Westinghouse executive management and corporate overhead; corporate legal, environmental, audit, treasury and tax services, and other corporate support and executive costs.

These corporate expenses are allocated primarily based on payroll dollars. Such allocations are not necessarily indicative of actual results and it is not practical for management to estimate the level of expenses that might have been incurred had the Company operated as a separate stand-alone entity.

Amounts so allocated included in the statement of earnings are \$47,457, \$45,949 and \$46,078 for 1995, 1994 and 1993, respectively, approximately one-half of which is allowable for the Company's government contract pricing purposes in accordance with government-mandated cost accounting procedures.

Guarantees

The Company provides guarantees to customers in the form of standby letters of credit for Company bids, advance payments and performance of contractual obligations. Such guarantees are supported by Westinghouse's lines of credit. At December 31, 1995 there are 53 guarantees in the amount of approximately \$202 million outstanding. The cost for the lines of credit which support the guarantees is charged to the Company and is inventoried if specifically related to an ongoing contract or otherwise expensed as incurred.

These contracts mature in various periods through March 1998 and were entered into to hedge foreign currency commitments. The aggregate fair value of these forward exchange contracts at December 31, 1995 was \$6,414 and \$14,176 bought and sold, respectively.

NOTE 17 COMMITMENTS AND CONTINGENCIES

The Company leases certain office space and facilities and equipment under noncancelable operating leases which expire in various years through 2010. These leases generally provide for renewal options ranging from one to five years. In addition, certain of such leases require the Company to share proportionately in

building operating costs and real estate taxes and contain escalation clauses for periodic increases. Rental expense incurred under such leases was approximately \$32,067, \$25,753 and \$39,217 in 1995, 1994 and 1993, respectively. These amounts include payments to West Quest Limited Partnership, of which the Company is a 25% owner, of \$5,400, \$5,268 and \$5,140 in 1995, 1994 and 1993, respectively. Future minimum lease commitments at December 31, 1995, are as follows:

1996.....	\$ 23,258
1997.....	16,593
1998.....	14,443
1999.....	13,658

These minimum lease commitments include amounts due to West Quest Limited Partnership of \$5,335 -- 1996, \$5,673 -- 1997, \$5,815 -- 1998, \$5,960 -- 1999, \$6,109 -- 2000, and \$9,164 -- thereafter.

All of the costs that are directly or indirectly allocable to the Company's U.S. government contracts or subcontracts are subject to audit by the Defense Contract Audit Agency (DCAA) or other government agencies. Payments made to the Company under cost-reimbursable contracts, which represent approximately 30% of total revenue during 1995, are subject to adjustment (including refunds to the government) in the event that claimed overhead costs are determined to be unallowable for reimbursement. In addition, the DCAA has made various allegations under the Truth in Negotiation Act (TINA). Certain of these matters are currently under review by the DCAA or other government agencies. As of December 31, 1995, DCAA had completed rate audits through 1988 and has open allegations dating back to 1985. While the outcome of these matters is uncertain, the Company believes that its existing accruals for any such matters are adequate and that future audits and final adjustments will not have a significant impact on the Company's financial position.

In the normal course of its operations, the Company becomes involved in certain legal proceedings, including contract claims and disputes, employment related disputes or litigation, environmental matters, and investigations of compliance with government laws and regulations. In the opinion of management, based upon information presently available, after consideration of existing accruals, none of these matters is likely to have a significant effect upon the financial position of the Company. The more significant of these matters are discussed below:

Herman/EEOC

In January 1993, Herman and 96 (later 106) other former Electronic Systems employees filed suit for unlawful termination associated with a reduction in force (RIF) of approximately 1,200 employees. In April 1993, the EEOC filed suit in connection with the same RIF. These cases have been consolidated for the purpose of discovery. Both suits are based on alleged age discrimination and together involve 385 plaintiffs, 126 of whom have been dismissed with prejudice from the action. The Federal Court in Baltimore has adopted a multi-phase trial structure plan pursuant to which in the initial phase only a few of the remaining 259 plaintiffs claims would be tried and resolved. The first phase trial is presently expected to commence in 1996.

Abu Dhabi

In April 1994, suit was brought in Abu Dhabi Civil Court for \$21 million in compensation allegedly due to the plaintiff under an oral agreement to provide information and consulting services to Electronic Systems in support of its efforts to win a contract. The trial court issued a judgment in November 1995, awarding \$3 million to the plaintiff. Both of the parties have appealed this decision, and a quasi-de novo trial will now be held on this matter at the next higher court.

Over and above any judgment the Court may render in this case, Electronic Systems could be subject to a penalty of up to \$70 million under the contract if the Court determines that the plaintiff was an agent for Electronic Systems.

Iran-Iranian Air Force Claim

In 1982, Electronic Systems filed claims against the Islamic Republic of Iran Air Force (IRIAF) with the Iran - U.S. Claims Tribunal. The Company is claiming compensation in respect of the failure of IRIAF to pay sums due under several contracts, and IRIAF has submitted counterclaims challenging the Company's performance of the contracts. The trial in this case was completed in March 1992, and the parties are awaiting the decision of the Tribunal.

Iran-Iranian Defense Ministry Claim

In October 1991, the Ministry of Defense of the Islamic Republic of Iran brought an arbitration before the International Court of Arbitration of the International Chamber of Commerce against the Company alleging breach of nine radar equipment contracts that had been executed and performed prior to the 1979 Iranian Revolution. Only one of those contracts contained an arbitration clause, and as a preliminary matter, the Company sought to dismiss the arbitration proceeding with regard to the other eight contracts. The Company also sought to dismiss all of the claims as untimely because the arbitration was filed well after the expiration of the applicable statutes of limitations.

A hearing was held in July 1995 with respect to Electronic Systems' motion to dismiss this case and the parties are awaiting a decision of the arbitrators.

NOTE 18 SUBSEQUENT EVENT

On January 3, 1996, Westinghouse and Northrop Grumman Corporation (Northrop Grumman) entered into an Asset Purchase Agreement whereby substantially all of the operations and assets of the Company will be sold to Northrop Grumman, and Northrop Grumman will assume substantially all of the liabilities of the Company. The consummation of the sale is scheduled to take place on March 1, 1996, pending regulatory approval.

ASSET PURCHASE AGREEMENT dated as of January 3, 1996,
between WESTINGHOUSE ELECTRIC CORPORATION, a Pennsylvania
Corporation ("Seller"), and Northrop Grumman Corporation, a
Delaware corporation ("Purchaser").

Seller wishes to sell to Purchaser, and Purchaser wishes to purchase
from Seller, substantially all the assets of Seller's Electronic Systems Group,
excluding the security systems, wireless communications and airship businesses
thereof and the business of Westinghouse Landmark GIS, Inc., (the "Division"),
which Division includes certain assets owned by subsidiaries of Seller, upon the
terms and subject to the conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants herein
contained, the parties agree as follows:

ARTICLE I

Purchase and Sale of Acquired Assets

SECTION 1.1. Purchase and Sale. Upon the terms and subject to the

conditions of this Agreement, at the Closing (as defined in Section 2.1) Seller
agrees to sell, assign, transfer, convey and deliver to Purchaser all of
Seller's right, title and interest in, to and under the Acquired Assets (as
defined in Section 1.2(a)) and to cause any Subsidiary (as defined below) of
Seller, other than any Sold Subsidiary (as defined in Section 1.2(a)(x)), having
any right, title or interest in, to or under the Acquired

Assets or any obligations or liabilities included in the Assumed Liabilities (as
defined in Section 1.3(a)) (each such Subsidiary other than a Sold Subsidiary, a
"Selling Subsidiary") to sell, assign, transfer, convey and deliver to Purchaser
all of such Selling Subsidiary's right, title and interest in, to and under the
Acquired Assets, and Purchaser agrees to purchase, acquire and accept from
Seller and each Selling Subsidiary (collectively, "Sellers") all such right,
title and interest in, to and under the Acquired Assets. The term "Subsidiary"

2.1) and used or held for use primarily in the Division, including:

(i) all real property, leaseholds and other interests in real
property of Sellers listed in Schedules 3.1(g)-1 and 3.1(g)-2, in each case
together with Sellers' right, title and interest in all

buildings, improvements, fixtures and all other appurtenances thereto (the
"Premises");

(ii) all raw materials, work-in-process, finished goods, supplies,
parts and other inventories ("Inventory") of Sellers that on the Closing
Date is located on the Premises and all other Inventory, including
Inventory in transit, of Sellers on the Closing Date that is used or held

(iii) all machinery and equipment of Sellers that is used or held for use primarily by or for the Division;

(iv) all accounts receivable of Sellers on the Closing Date arising out of operations of the Division;

(v) subject to the license to be granted pursuant to Section 4.9(a), all domestic and foreign patents, patent applications, trademarks, trademark registrations, servicemarks, trade names, registered copyrights and licenses with respect to the foregoing ("Intellectual Property") owned by Sellers that relate primarily to the operations of the Division (excluding the names and marks "Westinghouse Electric Corporation", "Westinghouse" and "Circle W" (in logotype design or any other style or design), and any

name or mark derived from or including any of the foregoing);

(vi) subject to the license to be granted pursuant to Section 4.9(a), all trade secrets, inventions, know-how, formulae, processes, procedures, research records, records of inventions, test information, market surveys and marketing know-how and unregistered copyrights ("Technology") owned by Sellers that relate primarily to the operations of the Division;

(vii) all permits, licenses, franchises, approvals and authorizations by governmental or regulatory authorities or bodies ("Permits") owned by Sellers that relate primarily to the operations of the Division;

(viii) all contracts, leases, indentures, joint venture, environmental indemnity and other agreements, commitments and all other legally binding arrangements, whether oral or written, to which any of Sellers is a party or by which any of Sellers is bound, including any contracts, agreements, commitments and other legally binding arrangements relating to plans and arrangements referred to in Section 3.1(o) to the extent provided in Section 4.5 excluding such contracts, agreements, commitments and other legally binding arrangements relating to plans and arrangements

referred to in Section 3.1(o), ("Contracts") that are listed in Schedule 3.1(g)-1, 3.1(g)-2, 3.1(j) or 3.1(q) and all other Contracts that relate primarily to the Division and that are not required to be listed in such Schedules;

(ix) all bids, quotations and proposals for Contracts, whether oral or written, to which any of Sellers is a party or by which any of Sellers is bound that relate primarily to the Division;

(xii) all personal property of Sellers that is used or held for use primarily by or for the Division; and

(xiii) all rights, claims and causes of action to the extent relating to any of the Assumed Liabilities or the Acquired Assets, including, subject to Section 4.19, rights, claims and causes of action under insurance policies relating thereto, but excluding claims for refunds of Income Taxes as provided in Section 1.2(b).

The term "Acquired Assets" shall also include all equipment (including any equipment constituting a fixture) and personal property owned by any of Sellers on the Closing Date and used or held for use primarily in the portion of Sellers' Science and Technology Center which primarily provides research and development support to the business comprised of the Division and the performance of third party Contracts of the type listed in Schedule 3.1(j) pursuant to Section 3.1(j)(xiv) (such portion, the "Center"), and any such Contracts so listed or entered into in the ordinary course of business between the date of this Agreement and the Closing Date, and any Intellectual Property and

Technology relating primarily to the Division or the performance of such third party Contracts. For the avoidance of doubt, "Acquired Assets" shall include all assets set forth on the Closing Balance Sheet (as defined in Section 2.3(a)).

(b) The term "Excluded Assets" means:

(i) all cash on hand or in banks and all cash equivalents, except any cash or cash equivalents reflected on the Closing Statement (as defined in Section 2.3(a));

(ii) all rights of Sellers under this Agreement and the agreements, instruments and certificates delivered in connection with this Agreement;

(iv) all rights, claims and causes of action relating to any of the Excluded Liabilities or the Excluded Assets, including rights, claims and causes of action under insurance policies relating thereto;

(v) all rights to claims, available to or being pursued by Sellers or any Sold Subsidiary, for refunds of or credits against Income Taxes (as defined in Section 4.14(g)(ii)) (including all refunds or credits

relating to any FSC for purposes of the Internal Revenue Code of 1986, as amended (the "Code"), investment tax credits, research credits and credits for prepayments of Income Taxes) attributable to the Division for taxable periods ending on or before the Closing Date and for the portion ending on the Closing Date of any taxable period that includes but does not end on the Closing Date (the "Pre-Closing Tax Periods") (determined as if such taxable period ended as of the close of business on the Closing Date); provided, however, that in the case of a taxable period that includes

but does not end on the Closing Date, if a taxable loss exists for the portion of such period that is included in the Pre-Closing Tax Period, then the amount of such refund that constitutes an Excluded Asset shall not exceed the amount of Income Taxes (including estimated Income Taxes) actually paid by Seller, any of its affiliates or any other Person (as defined in Section 1.3(c)) prior to the Closing Date with respect to such taxable period; and provided, further, to the extent that any such

refunds or credits of state Income Taxes relate to any "allowable cost" that is credited to the United States Government as a cost reduction by credit or actual refund, the amount

of such tax refunds or credits so credited or refunded, less any amount

that was reserved for such taxes through the fee and rate reserve reflected on the Closing Balance Sheet, shall not constitute an Excluded Asset and shall be for the benefit of Purchaser, and Seller shall cause such amount to be promptly paid to Purchaser;

(vi) any consolidated, combined, unitary or separate company Tax Return (as defined in Section 4.14(g) (iii)) relating to Income Taxes that includes any of Sellers or any Sold Subsidiary, and records and work papers used in preparation thereof;

(vii) the names and marks "Westinghouse Electric Corporation", "Westinghouse" and "Circle W" (in logotype design or any other style or design), and any name or mark derived from or including any of the foregoing); and

(viii) all assets identified in Schedule 1.2(b).

SECTION 1.3. Assumption of Liabilities. (a) Upon the terms

and subject to the conditions of this Agreement, Purchaser hereby assumes, effective as of the Closing, and agrees to pay, perform and discharge when due, and indemnify Seller, its affiliates (including the Selling Subsidiaries) and their respective officers, directors, employees,

stockholders, agents and representatives against and hold them harmless from and after the Closing from all obligations and liabilities of Sellers and the Sold Subsidiaries of any nature, whether known or unknown, absolute, accrued, contingent or otherwise and whether due or to become due, in the case of Sellers, arising out of, relating to or otherwise in respect of the Acquired Assets, the Division or the operations of the Division before, on or after the Closing Date (collectively, the "Assumed Liabilities"), excluding any Excluded Liabilities, but otherwise including:

(i) all obligations and liabilities of Sellers under Contracts that are to be acquired by Purchaser pursuant to the provisions of this Agreement;

(ii) all accounts payable owed by Sellers arising out of operations of the Division or otherwise in respect of the Division;

(iii) all obligations and liabilities in respect of any and all products sold by the Division at any time, including obligations and liabilities for refunds, adjustments, allowances, repairs, exchanges, returns and warranty, merchantability and other claims;

(iv) subject to the rights of Purchaser under Section 7.3, all obligations and liabilities arising as

a result of at any time being the owner or occupant of, or the operator of the activities conducted at, the Premises included in the Acquired Assets or any other real property owned or leased at any time by any of Sellers for use primarily in the Division or by any Sold Subsidiary, including all obligations and liabilities relating to personal injury, property damage, the environment and on-site or off-site waste disposal;

(v) other than the items included in Section 1.3(a)(vi), which are assumed only to the extent provided in Section 4.5, and subject to the rights of Purchaser under Section 7.4, all obligations and liabilities relating to the employment or termination of employment of (x) any employee of the Division and (y) any employee of the Center, at any time;

(vi) to the extent provided in Section 4.5, all obligations or liabilities arising under or in connection with any bonus, pension, profit sharing, deferred compensation, retirement, vacation, severance pay, disability benefits, death benefits, hospitalization, insurance or other

similar plan or arrangement or understanding (whether or not legally

binding) providing benefits, including postretirement benefits, to Division or Center employees;

(vii) all obligations and liabilities for taxes (other than Income Taxes described in Section 1.3(b)(ii)) attributable to the Division (including the Sold Subsidiaries) for all taxable periods;

(viii) other than the items included in Section 1.3(a)(vi), which are assumed only to the extent provided in Section 4.5, and subject to the rights of Purchaser under Sections 7.3, 7.4 and 7.5, all obligations and liabilities in respect of lawsuits, actions and proceedings, pending or threatened, and claims, whether or not presently asserted, arising out of, relating to or otherwise in any way in respect of the Division or the operations of the Division at any time; and

(ix) subject to the rights of Purchaser under Sections 7.3, 7.4 and 7.5, all obligations and liabilities of Sellers and the Sold Subsidiaries as of the Closing Date of the type reflected on the Balance Sheet (as defined in Section 3.1(c)), including the notes thereto.

(b) The term "Excluded Liabilities" means:

(i) any obligation or liability of Sellers to the extent related to the Excluded Assets; and

(ii) any obligation or liability of Sellers or any Sold Subsidiary for Income Taxes attributable to the Division (including the Sold Subsidiaries) for Pre-Closing Tax Periods, including (A) Income Taxes of Seller's Federal Consolidated Income Tax group (and any other Income Tax group or predecessor Income Tax group which included a Sold Subsidiary) under any Treasury Regulation under Section 1502 of the Code or any comparable provisions of foreign, state or local law, (B) Income Taxes resulting from any transferee liability or successor liability of a Sold Subsidiary attributable to Pre-Closing Tax Periods and (C) Income Taxes resulting from the sale and transfer from Seller to Purchaser of the Acquired Assets (including Income Taxes resulting from the Section 338 Elections (as defined in Section 4.14(c)), and any state Income Taxes imposed by states which do not recognize an election comparable to the election under Section 338(h)(10) of the Code and for which a regular Section 338 election is made or deemed made), but excluding (X) any Transfer Taxes (as defined in Section 4.14(d)), (Y) any taxes resulting from actions taken by Purchaser or its

affiliates after the Closing and (Z) any state Income Taxes resulting from a regular Section 338 election with respect to a Sold Subsidiary created pursuant to Section 4.14(l).

(c) Notwithstanding anything to the contrary contained herein, but subject to the provisions of Section 4.4, this Agreement shall not operate to assign any Intellectual Property, Technology or Contract (including any Government Contract as defined in Section 4.4(a)) or any claim, right or benefit arising thereunder or resulting therefrom if an attempted assignment thereof, without the consent of any court, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign (a "Governmental Entity"), or any individual, corporation, partnership, limited liability company, joint venture, trust, business association or other entity (a "Person", which term shall include a Governmental Entity), would constitute a breach, default or other contravention thereof or a violation of applicable law. Except as otherwise contemplated in Section 4.4(a), Seller and Purchaser shall each use all reasonable efforts to obtain the consent of such Persons for the assignment thereof to Purchaser prior to the Closing (it being understood that the failure to obtain such consents shall not relieve either

party from its obligation to consummate at the Closing the transactions contemplated by this Agreement) and shall otherwise comply with the provisions of Section 4.4.

(d) Notwithstanding anything to the contrary in any agreement or otherwise, any rights, express or implied, of any Sold Subsidiary to use any Intellectual Property or Technology owned by Sellers shall terminate at the Closing, except to the extent any such Intellectual Property or Technology is an Acquired Asset and except as otherwise contemplated by the license to be granted pursuant to Section 4.9(b).

SECTION 1.4. Purchase Price. The purchase price for the

Acquired Assets shall be \$3,000,000,000 (the "Purchase Price"), payable as set forth in Section 2.2(b) and subject to adjustment as provided in Section 2.3, together with the assumption of the Assumed Liabilities as provided in Section 1.3.

ARTICLE II

The Closing; Purchase Price Adjustment -----

SECTION 2.1. Closing Date. The closing of the sale and transfer

of the Acquired Assets and the assumption of the Assumed Liabilities (the "Closing") shall take place at the offices of Cravath, Swaine & Moore, 825 Eighth Avenue, New York, New York 10019, at 10:00 a.m. on March 1,

1996, or, if the conditions to the Closing set forth in Article V shall not have been satisfied by such date, as soon as practicable after such conditions shall have been satisfied. The date on which the Closing shall occur is herein referred to as the "Closing Date".

SECTION 2.2. Transactions To Be Effected at the Closing. At the

Closing:

(a) Seller shall deliver or cause to be delivered to Purchaser such appropriately executed deeds, bills of sale, assignments and other instruments of transfer providing for the sale, assignment, transfer, conveyance and delivery as contemplated by this Agreement of the Acquired Assets in form and substance reasonably satisfactory to Purchaser and its counsel (it being understood that any such deed, bill of sale, assignment or other instrument shall not provide for any representations or warranties or any obligations or liabilities that are not otherwise expressly provided for in this Agreement), together with resignations as director of each director of each Sold Subsidiary; and

(b) Purchaser shall deliver to Seller (or, at Seller's direction, one or more Selling Subsidiaries) (i) by wire transfer to an account designated in writing by Seller prior to the Closing of immediately

available funds in an amount equal to the Purchase Price plus or minus an estimate prepared by Seller and delivered to Purchaser at least two business days prior to the Closing Date of any adjustment to the Purchase Price under Section 2.3 (the Purchase Price plus or minus such estimate being herein referred to as the "Closing Date Amount") and (ii) such appropriately executed assumption agreements and other instruments of assumption providing for the assumption of, and indemnification against, the Assumed Liabilities as contemplated by this Agreement in form and substance reasonably satisfactory to Seller and its counsel (it being understood that any such deed, bill of sale, assignment or other instrument shall not provide for any representations or warranties or any obligations or liabilities that are not otherwise expressly provided for in this Agreement).

SECTION 2.3. Purchase Price Adjustment. (a) Within 60 days

after the Closing Date, Seller shall prepare and deliver to Purchaser (i) an audited combined balance sheet of the Division as of the Closing Date (the "Closing Balance Sheet"), prepared from the books and records of Seller and its subsidiaries relating to the Division in accordance with generally accepted accounting principles

applied on a consistent basis with the Balance Sheet, together with a report thereon prepared and certified by Price Waterhouse, (ii) a statement (the "Closing Statement") setting forth Working Capital (as defined below) as of the close of business on the Closing Date ("Closing Working Capital"), together with a certificate of Price Waterhouse that the Closing Statement has been prepared in compliance with the requirements of this Section 2.3, (iii) a statement setting forth the Restructuring Amount (as defined below) as of the close of business on the Closing Date and (iv) a statement setting forth the Norden Amount (as defined below) as of the close of business on the Closing Date.

Purchaser shall cause the employees of the Division to assist Seller in the preparation of the Closing Balance Sheet and the Closing Statement and shall provide Seller access at all reasonable times to the personnel, properties, books and records of the Division for such purpose. Seller's independent auditors may participate in the preparation of the Closing Statement and Purchaser's independent auditors may review the preparation of, and all working papers related to, the Closing Balance Sheet and the Closing Statement; provided, however, that Purchaser acknowledges that Seller shall have the

primary

responsibility and authority for preparing the Closing Balance Sheet and the Closing Statement.

At Purchaser's option and expense, a physical of the inventory shall be conducted by Sellers consistent with past practice on or before the Closing Date for the purpose of preparing the Closing Balance Sheet, and each of Seller and Purchaser and their respective independent auditors shall have the right to observe the taking of such physical inventory. Any costs or expenses incurred by the Division in connection with such taking of such physical inventory shall be added back in determining Closing Working Capital.

During the 30-day period following Purchaser's receipt of the Closing Statement, subject to signing of customary releases, Purchaser and its independent auditors shall be permitted to review Seller's independent auditors' working papers relating to the Closing Balance Sheet and the Closing Statement. The Closing Statement shall become final and binding upon the parties on the thirtieth day following delivery thereof, unless Purchaser gives written notice of its disagreement with the Closing Statement ("Notice of Disagreement") to Seller prior to such date. Any Notice of Disagreement shall (A) specify in reasonable detail the nature of any disagreement so asserted, (B) only include

disagreements based on Closing Working Capital not being calculated in accordance with this Section 2.3 (which includes disagreements based on the Closing Balance Sheet and the Closing Statement not being in compliance with the requirements of this Section 2.3) and (C) be accompanied by a certificate of Purchaser that it has complied with the covenants set forth in Section 2.3(f). If a Notice of Disagreement is received by Seller in a timely manner, then the Closing Statement (as revised in accordance with clause (I) or (II) below) shall become final and binding upon Seller and Purchaser on the earlier of (I) the date Seller and Purchaser resolve in writing any differences they have with respect to the matters specified in the Notice of Disagreement or (II) the date any disputed matters are finally resolved in writing by the Accounting Firm (as defined below).

During the 30-day period following the delivery of a Notice of

Disagreement, Seller and Purchaser shall seek in good faith to resolve in writing any differences which they may have with respect to the matters specified in the Notice of Disagreement. During such period Seller and its independent auditors shall have access to the working papers relating to the Notice of Disagreement. At the end of such 30-day period, Seller and Purchaser shall submit to an

independent accounting firm (the "Accounting Firm") for review and resolution any and all matters which remain in dispute and which were properly included in the Notice of Disagreement. The Accounting Firm shall be Ernst & Young or, if such firm is unable or unwilling to act, such other nationally recognized independent public accounting firm as shall be agreed upon by the parties hereto in writing. Seller and Purchaser shall jointly use all reasonable efforts to cause the Accounting Firm to render a decision resolving the matters submitted to the Accounting Firm within 30 days following submission. Seller and Purchaser agree that judgment may be entered upon the determination of the Accounting Firm in any court having jurisdiction over the party against which such determination is to be enforced. The cost of any arbitration (including the fees and expenses of the Accounting Firm and reasonable attorney fees and expenses of the parties) pursuant to this Section 2.3 shall be borne by Purchaser and Seller in inverse proportion as they may prevail on matters resolved by the Accounting Firm, which proportionate allocations shall also be determined by the Accounting Firm at the time the determination of the Accounting Firm is rendered on the merits of the matters submitted. The fees and disbursements of Seller's independent auditors incurred in connection with

their review of any Notice of Disagreement shall be borne by Seller, and the fees and disbursements of Purchaser's independent auditors incurred in connection with their review of the Closing Statement shall be borne by Purchaser.

(b) The Purchase Price shall be increased by the Restructuring Amount, by the Norden Amount and by the amount by which Closing Working Capital exceeds \$349,000,000 (the "WC Amount"), and the Purchase Price shall be decreased by the amount by which Closing Working Capital is less than the WC Amount (the Purchase Price as so increased or decreased is herein referred to as the "Adjusted Purchase Price"). If the Closing Date Amount is less than the Adjusted Purchase Price, Purchaser shall, and if the Closing Date Amount is more than the Adjusted Purchase Price, Seller shall, within 10 business days after the Closing Statement becomes final and binding on the parties, make payment by wire transfer in immediately available funds of the amount of such difference, together with interest thereon at the rate of 8.5% per annum, calculated on the basis of the actual number of days elapsed divided by 365, from the Closing Date to the date of actual payment, compounded annually.

(c) The term "Working Capital" shall mean Current Assets minus Current Liabilities (in each case as defined below). The WC Amount equals Working Capital as set forth

on the Statement of Working Capital as of September 30, 1995, attached as Schedule 2.3 (the "September 30 Statement") plus \$12,000,000, and shall not be subject to change regardless of whether the items included therein were in accordance with generally accepted accounting principles or for any other reason whatsoever. Subject to the adjustments described in Schedule 2.3(c), the terms "Current Assets" and "Current Liabilities" shall mean the current assets (other than any Excluded Assets) and current liabilities (other than any Excluded Liabilities), respectively, of the Division, determined in the same way, using the same methods, estimates, methodologies and judgments, as the line items comprising Working Capital on the September 30 Statement (but only to the extent doing so would be in accordance with generally accepted accounting principles consistently applied). The amounts used in preparing the Closing Statement for each category of Current Assets and Current Liabilities shall be the corresponding amount shown on the Closing Balance Sheet with the respective adjustments thereto described on Schedule 2.3(c). Without limiting the generality of the foregoing, Closing Working Capital and the amounts shown on

the Closing Balance Sheet are to be determined in the same way, using the same methods, estimates, methodologies and judgments, employed in

determining the WC Amount, including using the same accounting methods, policies, practices, assumptions and procedures with consistent classifications, judgments and valuation and estimation methodologies, and using the same methodologies used by Seller in determining its estimates and judgments for evaluating the status of its Contracts (but only to the extent doing so would be in accordance with generally accepted accounting principles consistently applied). Purchaser acknowledges that it has had the opportunity to review Seller's contract estimates at completion. Purchaser agrees that, in calculating the Closing Working Capital, no changes will be made in the estimates at completion except to reflect events occurring between the date of this Agreement and the Closing Date and that any items relating to contract estimates at completion in any Notice of Disagreement will be limited to those proposed changes in contract estimates at completion which are based on such intervening events. The scope of the disputes to be resolved by the Accounting Firm is limited to whether the Closing Statement was prepared in compliance with the requirements of this Section 2.3, and the Accounting Firm is not to make any other determination (including as to whether the WC Amount is correct).

(d) The term "Restructuring Amount" shall mean the

amount by which the cash expenditures by Sellers and the Sold Subsidiaries during the period from October 1, 1995 to the Closing Date, in respect of the restructuring actions described in the second paragraph of note 16 to the Financial Statements (as defined in Section 3.1(c)) (other than the approximately \$35 million portion thereof in respect of pension curtailment), exceed the economic benefit realized by Sellers during such period as a result of such expenditures (it being agreed that such economic benefit shall consist of any increased operating margins realized by Sellers during such period as a result of the expense reductions associated with such restructuring actions and any cost recoveries of such expenditures realized by Sellers during such period as a result of increases in billing rates on government contracts).

(e) The term "Norden Amount" shall mean the amount by which the cash expenditures by Sellers and the Sold Subsidiaries during the period from October 1, 1995 to the Closing Date, in respect of the restructuring actions described in the third paragraph of note 16 to the Financial Statements, exceed the economic benefit realized by Sellers during such period as a result of such expenditures (it being agreed that such economic benefit shall consist of any increased operating margins realized during such period as a

result of the expense reductions associated with such restructuring actions and any cost recoveries of such expenditures realized during such period as a result of increases in billing rates on government contracts).

(f) During the period of time from and after the Closing Date through the resolution of any adjustment to the Purchase Price contemplated by this Section 2.3, Purchaser agrees that it shall maintain the accounting books and records of the Division on which the Closing Balance Sheet is to be based in a manner consistent with the Division's past practices. Without limiting the generality of the foregoing, during the period of time from and after the date of this Agreement through the resolution of any adjustment to the Purchase Price contemplated by this Section 2.3, Purchaser and Seller agree that no changes shall be made in any reserve or other account existing as of September 30, 1995, except as a result of specific events occurring after September 30, 1995, and, in such event, only in a manner consistent with generally accepted accounting principles and past practices. Purchaser shall cooperate in the preparation of the Closing Balance Sheet and the Closing Statement.

(g) During the period of time from and after the Closing Date through the resolution of any adjustment to the Purchase Price contemplated by this Section 2.3, Purchaser shall afford to Seller and any accountants, counsel or financial advisers retained by Seller in connection with any adjustment to the

(b) Authority. Seller has the requisite corporate power and

authority to execute this Agreement. Sellers have the requisite corporate power and authority to execute the agreements to be entered into by them at the Closing pursuant hereto (the "Seller Ancillary Documents") and to consummate the transactions contemplated hereby and

thereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of Sellers, or, in the case of the Selling Subsidiaries and in the case of the Seller Ancillary Documents, will be authorized by all necessary corporate action on the part of Sellers prior to the Closing, and do not and will not require the approval of the stockholders of Seller. This Agreement has been duly executed and delivered by Seller and constitutes, and each Seller Ancillary Document to be entered into by any of Sellers will be duly executed and delivered at the Closing and when so executed and delivered will constitute, its legal, valid and binding obligation enforceable against it in accordance with its terms. The execution and delivery of this Agreement by Seller do not, and the consummation by Sellers of the transactions contemplated hereby and the compliance by Sellers with the terms hereof will not, conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation (except any acceleration of vesting under the Westinghouse Savings Program) or to loss of a material benefit under, or result in the creation of any Lien (as

defined in Section 3.1(f)) upon any of the Acquired Assets under, any provision of (i) the Business Corporation Law of the Commonwealth of Pennsylvania, (ii) the certificate of incorporation or by-laws (or comparable organizational documents) of any of Sellers, (iii) except as disclosed on Schedule 3.1(b), any Intellectual Property, Technology or Contract which is not subject to Section 4.4 or (iv) subject to the filings and other matters referred to in the following sentence, any law, judgment, order, decree, statute, ordinance, rule or regulation applicable to Sellers or the Acquired Assets, other than, in the case of clauses (iii) and (iv) above, any such conflicts, violations, defaults, rights or Liens that, individually or in the aggregate, would not (A) have a material adverse effect on the business or financial condition of the Division or (B) materially impair the ability of Seller to perform its obligations under this Agreement. No consent, approval, license, permit, order or authorization of, or registration, declaration or filing with, any Governmental Entity is required to be obtained or made by or with respect to Sellers or the Acquired Assets in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby, except for (i) compliance

25359.7 (1992), (vi) those that may be required solely by reason of Purchaser's (as opposed to any other Person's) participation in the transactions contemplated hereby and (vii) those the failure of which to obtain or make, individually or in the aggregate, would not (A) have a material adverse effect on the business or financial condition of the Division or (B) materially impair the ability of Seller to perform its obligations under this Agreement.

(c) Financial Statements. Schedule 3.1(c) sets forth the unaudited

combined balance sheet of the Division as of September 30, 1995 (the "Balance Sheet"), and the unaudited combined statement of income of the Division for the nine months ended September 30, 1995, together with the notes to such financial statements (the "Financial Statements"). The Financial Statements have been prepared from the books and records of Seller and its subsidiaries relating to the Division and, except as described in the notes thereto, have been prepared in accordance with generally accepted accounting principles and fairly present, in all material respects, the financial condition and the results of operations of the Division as at the date and for the period indicated. The estimated allocation of assets of the Westinghouse Pension Plan between Seller's Electronic Systems Group active employees and other employees as reflected in Note 13 of the Financial Statements is based on application of the Pension Benefit Guaranty Corporation ("PBG") safe harbor assumptions set forth in Treas. Reg. (S)1.414(l)-(b)(5)(ii) (the projected benefit obligation in Note 13 having been calculated using other assumptions, as set forth therein).

(d) Compliance with Applicable Laws. Subject to Section 4.4, Sellers

Except as set forth in Schedule 3.1(d), since January 1, 1995, Sellers have not received any written notice alleging any non-compliance in a material respect with any such laws, regulations, rules or orders. Except as set forth in Schedule 3.1(d), since January 1, 1995, Sellers have not received any written notice of any administrative, civil or criminal investigation or audit by any Governmental

Entity (including any qui tam action brought under the Civil False Claims Act

alleging any irregularity, misstatement or omission arising under or relating to

any Contract) relating to the Division which is reasonably likely to be adversely determined and which if adversely determined would have a material adverse effect on the business or financial condition of the Division. This Section 3.1(d) does not relate to labor and employment matters for which Section 3.1(e) is applicable, employee benefits matters for which Section 3.1(o) is applicable, Environmental Laws (as defined in Section 3.1(p)) for which Section 3.1(p) is applicable or to tax matters for which Section 3.1(q) is applicable.

(e) Litigation; Decrees. Schedule 3.1(e) sets forth a list as of

the date of this Agreement of certain lawsuits, actions and proceedings. Except as set forth in Schedule 3.1(e) and except for any lawsuit, action or proceeding brought after the date of this Agreement by any Person seeking to delay or prevent, or otherwise challenging, the transactions contemplated hereby, there is no lawsuit, action or proceeding pending, or, to Seller's knowledge, threatened, against any of Sellers relating to the Division (including any relating to the suspension, debarment or similar preclusion of Seller from doing business with a Governmental Entity) which is reasonably

likely to be adversely determined and which if adversely determined would have a material adverse effect on the business or financial condition of the Division. Sellers are not in default under any material judgment, order, injunction or decree of any Governmental Entity or arbitrator entered against any of Sellers and relating to the Division.

(f) Title to Acquired Assets. Sellers have good and valid title to

all the Acquired Assets free and clear of all mortgages, liens, security interests, easements, rights of way, pledges, restrictions or encumbrances of any nature whatsoever (collectively, "Liens"), except for (i) Liens disclosed in Schedule 3.1(f) or in the Financial Statements or securing debt reflected as a liability on the Balance Sheet, (ii) any progress payment liens arising in the ordinary course of business from progress payments made by the United States Government or any agency thereof or any other Governmental Entity on Government Contracts and (iii) (A) mechanics', carriers', workmen's, repairmen's and other like Liens arising or incurred in the ordinary course of business, (B) Liens for taxes, assessments and other governmental charges that are not yet due and payable or that may thereafter be paid without penalty or that are being contested in good faith by appropriate proceedings and

(C) imperfections of title and other Liens that, individually or in the aggregate, do not materially impair the continued operation of the business of the Division as presently conducted (the Liens described in clauses (i), (ii) and (iii) being herein referred to as "Permitted Liens"). This Section 3.1(f) does not relate to Intellectual Property, Technology, real property, interests in real property or leasehold interests (except that the defined term "Permitted Liens" shall be applicable to Section 3.1(g) to the extent used therein).

(g) Real Property. Schedule 3.1(g)-1 sets forth a list of all

material real property and interests in real property owned in fee by Sellers and used by Sellers primarily with respect to the operations of the Division, other than any Excluded Assets (individually, an "Owned Property"). There is no real property or interest in real property owned in fee by Sellers (other than any Excluded Assets) which is material to the operations of the Division as presently conducted which is not listed on Schedule 3.1(g)-1. Schedule 3.1(g)-2 sets forth a list of all material real property and interests in real property leased by Sellers and used by Sellers primarily with respect to the operations of the Division (other than any Excluded Assets) (individually, a "Leased Property"). Sellers have good and

insurable fee title to all Owned Property free and clear of all Liens other than (i) Permitted Liens, (ii) easements, covenants, rights-of-way and other encumbrances or restrictions of record, (iii) any conditions that a current, accurate survey or physical inspection of any Owned Property may show, (iv)

zoning, building and other similar restrictions, (v) unrecorded easements, covenants, rights-of-way or other restrictions, (vi) Liens that have been placed by any developer, landlord or other Person (other than Sellers) on property over which any of Sellers has easement rights, none of which items set forth in clauses (iii), (iv), (v) or (vi) above, individually or in the aggregate, materially impair the continued operation of the business of the Division as presently conducted. Except as set forth on Schedule 3.1(g)-2, one of Sellers is the lessee of all the Leased Property and is in possession of the premises purported to be leased thereunder, and each such lease is a valid obligation of one of Sellers without any material default thereunder by Sellers, or, to Seller's knowledge, by the applicable lessor.

(h) Intellectual Property and Technology. Schedule 3.1(h) sets forth

a list, as of the date of this Agreement, of all material Intellectual Property (other than licenses) included in the Acquired Assets and, to the extent

indicated on such Schedule, such Intellectual Property has been duly registered in, filed in or issued by the United States Copyright Office or the United States Patent and Trademark Office, the appropriate offices in the various states of the United States and the appropriate offices of other jurisdictions. Except as set forth on Schedule 3.1(h), Sellers are the sole and exclusive owner of all material Intellectual Property (other than licenses) and material Technology included in the Acquired Assets. Except as set forth on Schedule 3.1(h), Sellers have not received any written notice from any other Person challenging in any material respect the right of Sellers to use any of the material Intellectual Property or material Technology included in the Acquired Assets or any rights thereunder. Sellers have taken measures, consistent with Seller's corporate practice, to protect the secrecy, confidentiality and value of the material Technology included in the Acquired Assets. Except as set forth in Schedule 3.1(h), to Seller's knowledge, no material Technology (other than unregistered copyrights) included in the Acquired Assets has been used, divulged or appropriated for the benefit of any Person other than Sellers, except where such use, divulgence or appropriation would not, individually or in the aggregate, reasonably be expected to have a material adverse

effect on the business or financial condition of the Division. Sellers have not made any claim in writing of a violation, infringement, misuse or misappropriation by others of their rights to or in connection with any material Intellectual Property or material Technology included in the Acquired Assets. Except as set forth on Schedule 3.1(h), to Seller's knowledge, as of the date of this Agreement, there is no pending or threatened claim by any third Person of a violation, infringement, misuse or misappropriation by any of Sellers of any Intellectual Property or Technology owned by any third Person, or of the invalidity of any patent included in the Acquired Assets, which is reasonably likely to be adversely determined and which if adversely determined would have a material adverse effect on the business or financial condition of the Division. There are no interferences or other contested inter partes proceedings, either pending or, to the knowledge of Seller, threatened, in the United States Copyright Office, the United States Patent and Trademark Office or any Federal, state or local court or before any other Governmental Entity relating to any pending application with respect to any material Intellectual Property included in the Acquired Assets.

(i) Insurance. All the material properties and businesses

constituting any part of the Acquired Assets are

insured for Sellers' benefit, and will be so insured through the Closing, in amounts and against risks consistent with Seller's corporate practice. Except as set forth on Schedule 3.1(i), Seller does not self-insure any material risks with respect to the Division other than employee benefit plans.

Each of Seller and the Sold Subsidiaries has timely paid, after giving effect to any applicable extensions, all material taxes required to be paid by it with respect to the Acquired Assets and the income

or operations of the Division, or such taxes have been paid on its behalf.

(ii) No taxing authority is asserting in writing any material tax deficiency that has not been adequately reserved for, and no liens for material taxes exist (other than liens for taxes not yet due or for taxes being contested in good faith), with respect to the Acquired Assets or the income or operations of the Division.

(iii) All material amounts that are required to be collected or withheld by Seller or the Sold Subsidiaries with respect to the Division have been duly collected and withheld, and any such amounts that are required to have been remitted to any taxing authority have been duly remitted.

(iv) (A) No Acquired Asset or asset of any Sold Subsidiary is property that is required to be treated as owned by any other person pursuant to the "safe harbor lease" provisions of former Section 168(f)(8) of the Internal Revenue Code of 1954, as amended and (B) to the knowledge of Seller, no material Acquired Asset or material asset of any Sold Subsidiary constitutes "tax exempt use property" within the meaning of Section

168(h) of the Code. The applicable safe harbor leases are set forth on Schedule 3.1(q).

(v) To the knowledge of Seller, no material Acquired Asset or material asset of any Sold Subsidiary secures any debt the interest on which is tax exempt under Section 103 of the Code.

(vi) The statute of limitations (A) in respect of the Division's Federal Income Taxes has closed for all taxable periods up to and including the taxable year ended December 31, 1989 and (B) in respect of Seller's, Xetron Corporation's and Perceptics Corporation's sales and use taxes relating to the Division has not been extended.

(vii) No Sold Subsidiary is a party to any agreement providing for the sharing of taxes among members of a group filing consolidated, combined or unitary Tax Returns (or comparable Tax Returns for foreign purposes).

(viii) No material contract of the Division that is a long-term contract (for purposes of Section 460 of the Code) and that was entered into after June 20, 1988 has been reported on a method of tax accounting other than the 100 percent percentage of completion method for Income Tax purposes.

(r) Sold Subsidiaries. Each Sold Subsidiary is a corporation duly

organized, validly existing and in good standing under the laws of its jurisdiction of organization and has the requisite power and authority to own its assets and to carry on its business as now being conducted. Except as disclosed to Purchaser prior to the execution of this Agreement, Seller has heretofore delivered to Purchaser true and complete copies of the certificate of incorporation and by-laws of each Sold Subsidiary, as amended through the date of this Agreement. The authorized and outstanding capital stock of each Sold Subsidiary is as set forth on Schedule 3.1(r), and, except as set forth on such Schedule (and except for directors' qualifying shares), one of Sellers is the record and beneficial owner of all such outstanding capital stock.

(s) Clearances. Except to the extent prohibited by the National

Industrial Security Program Operating Manual (NISPOM), Schedule 3.1(s) sets forth, as of the date set forth therein, all facility security clearances held by Sellers to the extent relating to the Acquired Assets and the number of personnel holding security clearances at each such facility.

(t) Sales Representatives. To the knowledge of Seller, Schedule

3.1(t) sets forth, as of the date set forth

therein, the names of all sales representatives providing sales representation services to the Division to the extent relating to the Acquired Assets.

SECTION 3.2. Representations and Warranties of Purchaser. Purchaser

hereby represents and warrants to Seller as follows:

(a) Organization, Standing and Power. Purchaser is a corporation

duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is incorporated and has the requisite corporate power and authority to carry on its business as now being conducted.

(b) Authority. Purchaser has the requisite corporate power and

authority to execute this Agreement and the agreements to be entered into by it at the Closing pursuant hereto (the "Purchaser Ancillary Documents") and to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of Purchaser, or, in the case of Purchaser Ancillary Documents, will be duly authorized by all necessary corporate action on the part of Purchaser prior to the Closing, and do not and will not require the approval of

the stockholders of Purchaser. This Agreement has been duly executed and delivered by Purchaser and constitutes, and each Purchaser Ancillary Document will be duly executed and delivered by Purchaser at or prior to the Closing and when so executed and delivered will constitute, a legal, valid and binding obligation of Purchaser enforceable in accordance with its terms. The execution and delivery of this Agreement by Purchaser do not, and the consummation by Purchaser of the transactions contemplated hereby and the compliance by Purchaser with the terms hereof will not, conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or to loss of a material benefit under, or result in the creation of any Lien upon any of Purchaser's assets under, any provision of (i) the General Corporation Law of the State of Delaware, (ii) the certificate of incorporation or by-laws (or comparable organizational documents) of Purchaser or (iii) subject to the filings and other matters referred to in the following sentence, any law, judgment, order, decree, statute, ordinance, rule or regulation applicable to Purchaser, other than, in the case of clause (iii) above, any such conflicts, violations, defaults, rights or Liens that, individually or

in the aggregate, would not materially impair the ability of Purchaser to perform its obligations under this Agreement. No consent, approval, license, permit, order or authorization of, or registration, declaration or filing with, any Governmental Entity is required to be obtained or made by or with respect to Purchaser in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby, except for (i) compliance with and filings under the HSR Act, (ii) compliance with and filings under Section 13(a) of the Exchange Act, (iii) compliance with the facilities clearance requirements of the DIS, as set forth in the DIS Industrial Security Regulation and the DIS Industrial Security Manual, as amended from time to time, (iv) consents or novations which may be required for the assignment of any Intellectual Property, Technology or Contract as contemplated in Section 4.4, (v) compliance with, and notices and filings under, environmental permits, statutes and regulations, including the Connecticut Transfer Act, Conn. Gen. Stat. (S) 22a-134 et seq. (1993), and the California Health and Safety Code (S) 25359.7 (1992), and (vi) those the failure of which to obtain or make,

individually or in the aggregate, would not materially impair the ability of Purchaser to perform its obligations under this Agreement.

(c) Security Clearance. Purchaser controls facilities classified for

United States government security purposes as high as the level of "Top Secret", and employs individuals holding United States government security clearances as high as the level of "Top Secret".

(d) Financing. Purchaser has obtained from certain financial

institutions (the "Banks") firm commitments pursuant to a commitment letter dated January 2, 1996, (as in effect on the date of this Agreement, the "Commitments") to provide financing sufficient to enable it to consummate the transactions contemplated hereby. A true and complete copy of such commitment letter has been provided to Seller.

ARTICLE IV

Covenants -----

SECTION 4.1. Covenants of Seller Relating to Conduct of Business. -----

During the period from the date of this Agreement and continuing until the Closing, Seller agrees (except as expressly provided in this Agreement or the Schedules or to the extent that Purchaser shall otherwise consent in writing) that:

(a) Ordinary Course. Sellers shall carry on the business of the

Division in the ordinary course in substantially the same manner as presently conducted and use

all reasonable efforts consistent with past practices (including as to levels of capital expenditures) to preserve intact the Division's present business organization, keep available the services of the Division's present officers and employees and preserve the Division's relationships with customers, suppliers and others having business dealings with the Division. Seller shall not sell, assign or convey any material long term asset (other than as requested by Purchaser pursuant to Section 4.14(1) or among any of Sellers or any Sold Subsidiary) constituting an Acquired Asset. Seller shall not incur any long term indebtedness for borrowed money (including purchase money financing) which would constitute an Assumed Liability.

(b) No Other Bids. Seller shall not, nor shall it authorize or

permit any officer, director or employee of, or any investment banker, attorney, accountant or other representative retained by, Seller to, (i) solicit or encourage (including by way of furnishing non-public information) any inquiries or the making of any proposal which constitutes, or may reasonably be expected to lead to, any "other acquisition" or (ii) engage in any discussions or negotiations or enter into any agreement with respect to any other acquisition. Seller shall promptly advise Purchaser orally and in writing of any such inquiries or proposals. As

used in this paragraph, "other acquisition" shall mean any transaction involving the acquisition by a Person other than Purchaser in any manner of all or substantially all the Division.

(c) Other Actions. Seller shall not take any action that would, or

that would reasonably be expected to, result in any of the conditions to the Closing set forth in Article V not being satisfied.

(d) Advise of Changes. Seller shall promptly advise Purchaser in

writing of the occurrence of any material adverse change in the business or
financial condition of the Division.

SECTION 4.2. Access to Information. Seller shall afford to

Purchaser and its accountants, counsel and other representatives reasonable
access during normal business hours during the period prior to the Closing to
all the properties, books, Contracts, commitments, tax returns and records of
the Division (other than the Excluded Assets), and, during such period shall
furnish promptly to Purchaser any information concerning the Division (other
than the Excluded Assets) as Purchaser may reasonably request; provided,

however, that Seller is under no obligation to disclose to Purchaser any (i)

"Classified Information" other than in compliance with the DIS Industrial
Security

Regulations, the DIS Industrial Security Manual and any other applicable
government security regulations, (ii) any information the disclosure of which is
restricted by Contract or applicable law except in strict compliance with the
applicable Contract or law and (iii) any information as to which the attorney-
client privilege may be available, until a mutually satisfactory joint defense
agreement has been executed by Purchaser and Seller. Purchaser acknowledges that
any information being provided to it or its representatives by Sellers pursuant
to or in connection with this Agreement is subject to the terms of a
confidentiality agreement between Purchaser and Seller dated December 7, 1995
(the "Confidentiality Agreement"), which terms are incorporated herein by
reference.

SECTION 4.3. Governmental Approvals, etc. (a) Each of Purchaser and

Seller shall as promptly as practicable, but in no event later than five
business days following the execution and delivery of this Agreement, file with
the United States Federal Trade Commission and the United States Department of
Justice, the notification and report form under the HSR Act required for the
transactions contemplated hereby and any supplemental information requested in
connection therewith pursuant to the HSR Act. Each of Purchaser and Seller shall
as promptly as

practicable comply with any other laws of any country and the European Union
which are applicable to any of the transactions contemplated hereby and pursuant
to which any consent, approval, order or authorization of, or registration,
declaration or filing with, any Governmental Entity or any other Person in
connection with such transactions is necessary. Each of Purchaser and Seller
shall furnish to the other such necessary information and reasonable assistance
as the other may request in connection with its preparation of any filing,
registration or declaration which is necessary under the HSR Act or any other
such laws. Purchaser and Seller shall keep each other apprised of the status of
any communications with, and any inquiries or requests for additional
information from, any Governmental Entity, and shall comply promptly with any
such inquiry or request. Purchaser shall use its best efforts to obtain any
clearance under the HSR Act or any other consent, approval, order or
authorization of any Governmental Entity, necessary in connection with the
transactions contemplated hereby or to resolve any objections which may be
asserted by any Governmental Entity with respect to the transactions
contemplated hereby, including by executing agreements and submitting to
judicial or administrative orders to hold

separate and divest any business or assets of the Division or of Purchaser or
any of its subsidiaries.

(b) Subject to the terms and conditions of this Agreement, each
party shall use its best efforts to cause the Closing to occur, including (i) as

contemplated by Section 4.3(a) or 4.4, (ii) defending against any lawsuits, actions or proceedings, judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated hereby, including seeking to have any preliminary injunction, temporary restraining order, stay or other legal restraint or prohibition entered or imposed by any court or other Governmental Entity that is not yet final and nonappealable vacated or reversed; provided, however, that none of Sellers or their affiliates shall be

required to make any material monetary expenditure, commence or be a plaintiff in any litigation or offer or grant any material accommodation (financial or otherwise) to any third Person. Without limiting the foregoing, each party shall use its best efforts (subject to the proviso in the immediately preceding sentence) to cause the Closing to occur by March 1, 1996.

SECTION 4.4. Novation of Government Contracts and Third Party

Consents. (a) As soon as practicable following the Closing, Purchaser shall

prepare (with Seller's

assistance), in accordance with Federal Acquisition Regulations Part 42, (P) 42.12 and any applicable agency regulations or policies, a written request meeting the requirements of the Federal Acquisition Regulations Part 42, as reasonably interpreted by the Responsible Contracting Officer (as such term is defined in Federal Acquisition Regulations Part 42, (P) 42.1202(a)), which shall be submitted by Seller to each Responsible Contracting Officer, for the United States Government to (i) recognize Purchaser as Sellers' successor in interest to all the Acquired Assets constituting Contracts made with the United States Government (collectively, "Government Contracts"); and (ii) to enter into a novation agreement (a "Novation Agreement") in form and substance reasonably satisfactory to Purchaser and Seller and their respective counsel, pursuant to which, subject to the requirements of the Federal Acquisition Regulations Part 42, all of Sellers' right, title and interest in and to, and all of Sellers' obligations and liabilities under, each such Government Contract shall be validly conveyed, transferred and assigned and novated to Purchaser by all parties thereto. Purchaser shall provide to Seller promptly any information regarding Purchaser required in connection with such request. Seller and Purchaser shall each use all reasonable efforts to obtain

all consents, approvals and waivers required for the purpose of processing, entering into and completing the Novation Agreements with regard to any of the Government Contracts, including responding to any requests for information by the United States Government with regard to such Novation Agreements.

(b) In the event that any and all novations, transfer or other agreements, consents, approvals or waivers necessary for the assignment, transfer or novation of any Acquired Asset constituting Intellectual Property, Technology or a Contract, or any claim, right or benefit arising thereunder or resulting therefrom, shall not have been obtained prior to the Closing Date, then as of the Closing, this Agreement, to the extent permitted by law, shall constitute full and equitable assignment by Sellers to Purchaser of all of Sellers' right, title and interest in and to, and all of Sellers' obligations and liabilities under, such Intellectual Property, Technology and Contracts, and, in the

case of Contracts, Purchaser shall be deemed Sellers' agent for purpose of completing, fulfilling and discharging all of Sellers' liabilities under any such Contract. The parties shall take all necessary steps and actions to provide Purchaser with the benefits of such Intellectual Property, Technology and Contracts, and, in the case of Contracts, to relieve Sellers of the performance and other obligations thereunder, including entry into subcontracts for the performance thereof. Purchaser agrees to pay, perform and discharge, and indemnify Sellers against and hold Sellers harmless from, all obligations and liabilities of Sellers relating to such performance or failure to perform under such Contracts.

(c) In the event Sellers shall be unable to make the equitable assignment described in Section 4.4(b), or if such attempted assignment would give rise to any right of termination, or would otherwise adversely affect the rights of Sellers or Purchaser under such Intellectual Property, Technology or Contract, or would not assign all Sellers' rights thereunder at the Closing, Sellers and Purchaser shall continue to cooperate and use all reasonable efforts to provide Purchaser with all such rights. To the extent that any such consents and waivers are not obtained, or until the impediments to such assignment are resolved, Sellers shall use all reasonable efforts (without the expenditure, in the aggregate, of any material sum) to (i) provide to Purchaser, at the request of Purchaser, the benefits of any such Intellectual Property, Technology or Contract to the extent related to the Division, (ii) cooperate in any lawful arrangement designed to provide such

benefits to Purchaser and (iii) enforce, at the request of and for the account of Purchaser, any rights of Sellers arising from any such Intellectual Property, Technology or Contract against any third Person (including any Governmental Entity) including the right to elect to terminate in accordance with the terms thereof upon the advice of Purchaser. To the extent that Purchaser is provided the benefits of any Intellectual Property, Technology or Contract referred to herein (whether from Sellers or otherwise), Purchaser shall perform at the direction of Seller and for the benefit of any third Person (including any Governmental Entity) the obligations of Sellers thereunder or in connection therewith, and Purchaser agrees to pay, perform and discharge, and indemnify Sellers against and hold Sellers harmless from, all obligations and liabilities of Sellers relating to such performance or failure to perform, and in the event of a failure of such indemnity, Sellers shall cease to be obligated under this Agreement in respect of the Intellectual Property, Technology or Contract which is the subject of such failure.

(d) In connection with obtaining the consents contemplated by this Section 4.4, Sellers shall not consent to any modification of any Contract included in the Acquired Assets which would adversely affect the rights of Purchaser

under such Contract without the prior written consent of Purchaser.

SECTION 4.5. (a) Employment.

(i) Continuation of Employment. Purchaser shall offer employment to

(x) each Division employee (including any individual whose principal place of employment is on the Premises, who primarily renders services on behalf of the Division and whose compensation cost is borne primarily by the Division) of Sellers or their affiliates (a "Division Employee") who is actively at work on the Closing Date and (y) each employee in the Center, but excluding any employee in the Information Technology Group (each employee in the Center other than an employee of the Information Technology Group being referred to herein as a "Center Employee") who is actively at work on the Closing Date (Division Employees and Center Employees being collectively referred to herein as "Active Employees"). Purchaser shall also honor any legal obligation of Sellers or Purchaser to reemploy any Division Employee and Center Employee who is not actively at work on the Closing Date due to leave of absence, disability leave, military leave or layoff with recall rights (collectively, "Inactive Employees"). The period of such employment shall in the case of Active Employees begin on the Closing Date and in the case of Inactive Employees on

the date that they first become eligible for reemployment. For purposes hereof, any Division Employee or Center Employee who is not actively at work on the Closing Date due to a short-term absence (including due to vacation, holiday, illness or injury of shorter duration than a short-term disability, jury duty or death leave) in accordance with applicable policies of the Sellers or their affiliates shall be deemed an Active Employee. For purposes of this Agreement,

Active Employees who immediately following the Closing continue their employment with the Division or Center, as applicable, and Inactive Employees, whether or not they become reemployed by Purchaser (but excluding any Division Employee or Center Employee whose recall rights result solely from a scheduled reduction in force) shall be referred to herein collectively as "Transferred Employees".

(ii) Terms of Offer/Continuation of Compensation and Benefits.

Subject to subsections (b), (c), (d), (e) and (f) of this Section 4.5, Purchaser's offer of employment under (i) above shall provide, and Purchaser shall maintain, compensation and benefit plans and arrangements which in the aggregate as to each Transferred Employee are comparable to the wages and benefits in effect on the date of this Agreement for a period of not less than two years following the Closing Date (or, in the case of Transferred Employees

who are subject to a collective bargaining agreement, the period required therein). Purchaser shall have welfare benefit plans in effect on the Closing Date providing continuous uninterrupted medical and dental benefits, life insurance and disability benefit coverage for the Transferred Employees and their dependents who immediately prior to the Closing were covered under welfare benefit plans by Sellers. Purchaser shall recognize each Transferred Employee's eligibility service with Sellers or their affiliates as of the Closing Date as eligibility service with Purchaser for purposes of determining eligibility and benefit levels as applicable in Purchaser's welfare benefit plans, vacation, disability, severance and similar benefits. Purchaser shall cause to be waived any pre-existing condition limitation under the welfare plans applicable to Transferred Employees or their dependents and shall recognize (or cause to be recognized) the dollar amount of all expenses incurred by Transferred Employees and their dependents during the 1996 calendar year for purposes of satisfying the 1996 calendar year deductibles and co-payments limitations under the relevant welfare benefit plans of Purchaser.

(b) Accrued Vacation. Purchaser shall credit each Transferred

Employee with the unused vacation days and

any personal and sickness days accrued in accordance with the vacation and personnel policies and labor agreements of Sellers or their affiliates in effect as of the Closing Date.

(c) Union Representation. Purchaser agrees to (i) recognize each

union which at the Closing Date represents any of the Transferred Employees as the collective bargaining representatives of such employees as of the Closing Date and (ii) provide such employees with comparable wages and benefits as those in effect on the date of this Agreement.

(d) Benefit Plans.

(i) Pension Plan. Purchaser shall, effective as of the Closing,

establish a defined benefit plan (or designate an existing defined benefit plan of Purchaser), intended to qualify under Section 401(a) of the Code and providing benefits to Transferred Employees who immediately prior to the Closing were participating in, and accruing eligibility service under, the Westinghouse Pension Plan (such new or existing defined benefit plan of Purchaser being referred to herein as "Purchaser's Pension Plan"). Each Transferred Employee participating in the Westinghouse Pension Plan prior to the Closing shall thereupon become a participant in Purchaser's Pension Plan, with credit

(without duplication) for all service with Sellers and their affiliates for purposes of eligibility, vesting and benefit accrual (including eligibility for early retirement and ancillary benefits).

As soon as practicable after the Closing, Seller shall cause to be transferred from the Westinghouse Pension Plan to Purchaser's Pension Plan all accrued benefits and other liabilities of the Westinghouse Pension Plan relating to Transferred Employees (the "Transferred Benefits") in the form and manner described below.

Following the transfer of assets and liabilities from the Westinghouse Pension Plan to Purchaser's Pension Plan as provided herein, Sellers and their affiliates shall have no further liability whatsoever (either under this Agreement or otherwise) with respect to the Transferred Employees for benefits under the Westinghouse Pension Plan.

Seller shall cause Kwasha Lipton ("Seller's Actuary") to determine the amount of assets required by Section 414(l) of the Code for the Transferred Benefits obligation based on allocating assets by priority categories described in Section 4044(a) of ERISA (the "414(l) Amount"), to be transferred from the Westinghouse Pension Plan to Purchaser's Pension Plan. The 414(l) Amount shall be determined as of the Closing Date by Seller's Actuary on the

basis of the PBGC's safe harbor assumptions set forth in Treasury Regulation Section 1.414(l)-1(b)(5)(ii). The actuarial calculation of the liabilities by PBGC priority categories underlying the 414(l) Amount determined by Seller's Actuary shall be reviewed by an actuarial firm designated by Purchaser ("Purchaser's Actuary"). In the event of a dispute between Seller's Actuary and Purchaser's Actuary as to whether the actuarial calculation so determined by Seller's Actuary satisfies the requirements of Section 414(l) of the Code and Section 4044 of ERISA, Seller's Actuary and Purchaser's Actuary shall jointly select a third actuarial firm of national repute to review the calculation, and the determination of such third firm shall be final and binding upon the parties. Seller and Purchaser shall each pay the cost of its own actuary and the cost of the third actuarial firm shall be shared equally by Seller and Purchaser. As soon as practicable following (i) the Closing Date, and (ii) receipt by Seller of an opinion of Purchaser's counsel, reasonably satisfactory to Seller, that Purchaser's Pension Plan meets the requirements for qualification under Section 401(a) of the Code, Seller shall cause to be transferred from the Master Trust for the Westinghouse Pension Plan (the "Master Trust") to the trust established for Purchaser's Pension Plan, in the form of

cash and other assets mutually acceptable to Seller and Purchaser, the 414(l) Amount, plus or minus any earnings and losses thereon (based upon the earnings and losses of the Master Trust from the Closing Date through the date of transfer to Purchaser's Pension Plan) and minus distributions, if any, from, and expenses of administration under, the Westinghouse Pension Plan for benefits or other purposes made with respect to Transferred Employees from the Closing Date through the date of transfer.

(ii) Savings Plan. Effective as of the Closing Date, Purchaser shall

in effect a defined contribution plan that includes a qualified cash or deferred arrangement within the meaning of Section 401(k) of the Code ("Purchaser's 401(k) Plan") providing benefits as of the Closing to Transferred Employees participating in the Westinghouse Savings Program as of the Closing. Each Transferred Employee who was participating in the Westinghouse Savings Program as of the Closing shall become a participant in Purchaser's 401(k) Plan as of the Closing. Transferred Employees shall receive credit for all service with Sellers and their affiliates for purposes of eligibility and vesting under Purchaser's 401(k) Plan. The Westinghouse Savings Program shall retain all assets and liabilities with respect to the accounts of retirees or

other former employees of the Division or Center ("Former Employees") thereunder.

Upon receipt by Purchaser of a favorable determination letter to the effect that Purchaser's 401(k) Plan is qualified under Section 401(a) of the Code (or an opinion of Purchaser's counsel, reasonably satisfactory to Seller,

to such effect), Sellers shall cause to be transferred from the Westinghouse Savings Program to Purchaser's 401(k) Plan assets having a fair market value equal to the aggregate value of the account balances in the Westinghouse Savings Program as of the date of transfer (such transfer to be in shares of common stock of Seller to the extent of shares in the Westinghouse Common Stock Fund applicable to Transferred Employees, in notes evidencing loans to Transferred Employees from their account balances and the balance in cash), and shall also transfer all qualified domestic relations orders, within the meaning of Section 414(p) of the Code. Purchaser's 401(k) Plan shall provide for the receipt of such transfer. Purchaser's 401(k) Plan shall maintain a Westinghouse common stock fund, in accordance with applicable law, for Transferred Employees who so elect, for a period of not less than five years following the Closing.

(iii) Medical and Disability Benefits; Life Insurance.

(A) Sellers shall be responsible in accordance with their applicable welfare plans in effect prior to the Closing for all medical and dental claims for expenses incurred prior to the Closing Date by Transferred Employees, Former Employees and their dependents. Reimbursement of employees and their dependents for medical and dental expenses associated with such claims (including claims submitted on behalf of disabled employees and their dependents) shall be determined in accordance with the terms of Sellers' medical and dental programs as in effect immediately prior to the Closing Date. Sellers shall terminate coverage of Transferred Employees and their dependents effective for claims for expenses incurred on and after the Closing Date. Purchaser shall be responsible for all medical and dental claims for expenses incurred on and after the Closing Date (including, but not limited to, responsibility for post-retirement medical and dental claims) by Transferred Employees and their dependents; provided, however, that Purchaser's medical and dental programs shall not -----
contain a pre-existing condition clause and shall otherwise provide sufficient

medical and dental coverage that Sellers and their affiliates shall have no obligation to provide "COBRA" continuation coverage under Section 4980B(f) of the Code.

(B) Purchaser shall be responsible for all long-term disability income benefits payable in respect of periods on or after the Closing Date for Transferred Employees who become disabled on or after the Closing Date and for short-term disability benefits payable in respect of periods on or after the Closing Date regardless of when the Transferred Employee becomes disabled. Sellers shall be responsible for long-term disability benefits payable in respect of periods on or after the Closing Date for Transferred Employees who become disabled prior to the Closing Date. Nothing herein shall be construed as modifying Purchaser's obligation to reemploy certain Division Employees and Center Employees on or after the Closing Date in accordance with Section 4.5(a) (i).

(C) Purchaser shall be responsible for all life insurance claims (including post-retirement life insurance claims) of Transferred Employees and their dependents for losses incurred by such employees or dependents on and after the Closing Date under group life, travel and

accident, and accidental death and dismemberment insurance policies in effect prior to or following the Closing. Sellers shall be responsible solely for claims for such losses incurred prior to the Closing Date.

(e) Severance Obligations. Sellers and Purchaser agree that the

transactions contemplated by this Agreement shall not constitute a severance of employment of any Transferred Employee prior to the consummation of the transactions contemplated hereby, and that such employees will have continuous and uninterrupted employment before and immediately after the Closing.

Purchaser shall provide severance and other separation benefits to each Transferred Employee terminated by Purchaser within two years following the Closing Date (or, in the case of Transferred Employees who are subject to a collective bargaining agreement, the period required therein) that are comparable to the severance and other separation benefits provided by Sellers and their affiliates in effect on the date of this Agreement. Purchaser shall recognize service with Sellers and their affiliates prior to the Closing Date for purposes of determining the amount of such severance and other separation benefits. Purchaser shall indemnify and hold Sellers and their affiliates harmless from any claims made

by any Transferred Employee for severance or other contract and from any other claims arising out of or in connection with the employment or the failure to offer employment to, or the termination of employment of, any Transferred Employee or the transactions contemplated hereby (excluding any claims for wrongful termination with respect to which Section 7.4 is applicable).

(f) Executive Compensation. Without limiting the generality of -----
Section 4.5(a)(ii), effective as of the Closing, Purchaser shall assume all liabilities and obligations relating to Transferred Employees under the Westinghouse Executive Pension Plan.

(g) Cooperation. The parties agree to furnish each other with such -----
information concerning employees and employee benefit plans, and to take all such other action, as is necessary and appropriate to effect the transactions contemplated by this Agreement.

(h) WARN Act. Purchaser agrees to provide any required notice under -----
the Worker Adjustment and Retraining Notification Act, as amended (the "WARN Act"), and any similar statute, and otherwise to comply with any such statute with respect to any "plant closing" or "mass layoff" (as defined in the WARN Act) or similar event affecting Transferred Employees or

Former Employees and occurring on or after the Closing. Purchaser shall indemnify and hold harmless Sellers with respect to any liability under the WARN Act or similar statute arising from the actions of Purchaser on or after the Closing.

(i) Workers Compensation. Sellers currently sponsor a program that -----
provides workers compensation benefits for eligible current and former Division Employees and Center Employees ("Sellers' Workers Compensation Program"). Sellers shall be responsible for all claims for workers compensation benefits which are incurred prior to the Closing Date by such Division Employees and Center Employees that are payable under the terms and conditions of Sellers' Workers Compensation Program. Effective as of the Closing Date, Purchaser shall take all necessary and appropriate action to adopt a workers compensation program providing such workers compensation benefits as are provided under Sellers' Workers Compensation Program for the Transferred Employees covered by such program ("Purchaser's Workers Compensation Program"). Purchaser's Workers Compensation Program shall be responsible for all claims for benefits which are incurred from and after the Closing Date by Transferred Employees that are payable under the terms and conditions of Purchaser's Workers Compensation Program.

For purposes of this Section 4.5(i), a claim for workers compensation benefits shall be deemed to be incurred when the event giving rise to the claim occurs.

(j) Free-Standing Plans. Notwithstanding the foregoing provisions of -----
this Section 4.5, effective as of the Closing, Purchaser shall assume and be responsible for all liabilities and obligations under the Free-Standing Plans.

Sellers shall take all action necessary and appropriate to establish Purchaser as successor to Sellers as to all rights, assets, duties, liabilities and obligations under or with respect to such Free-Standing Plans.

(k) Compliance. Seller shall arrange for the corrective actions set

forth in Schedule 4.5(k), using its best efforts to complete such actions by the Closing.

SECTION 4.6. Collection of Receivables. From and after the

Closing, Purchaser shall have the right and authority to collect for its own account all accounts receivable and other items that are included in the Acquired Assets and to endorse with the name of any of Sellers, any checks or drafts received with respect to any such accounts receivable or other items and Seller agrees promptly to deliver or cause to be delivered to Purchaser any cash or other property received directly or indirectly by any of

Sellers with respect to such receivables and other items, including any amounts payable as interest.

SECTION 4.7. Expenses. Whether or not the Closing takes place, and

except as otherwise specifically provided in this Agreement (including with respect to Transfer Taxes as defined in Section 4.14(d)), all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such costs or expenses.

SECTION 4.8. Brokers or Finders. Each of Purchaser and Seller

represents, as to itself and its affiliates, that no agent, broker, investment banker or other Person is or will be entitled to any broker's or finder's fee or any other commission or similar fee in connection with any of the transactions contemplated by this Agreement, except, as to Seller and its affiliates, Evercore Partners, L.L.C., J. P. Morgan Securities Inc. and Chemical Securities, Inc., whose fees and expenses will be paid by Seller and, as to Purchaser and its affiliates, Salomon Brothers Inc, whose fees and expenses will be paid by Purchaser, and each of Purchaser and Seller respectively agrees to indemnify and hold the other harmless from and against any and all claims, liabilities or obligations with respect to any other fees, commissions or expenses asserted

by any Person on the basis of any act or statement alleged to have been made by such party or its affiliate.

SECTION 4.9. License Agreement. (a) On the Closing Date, Purchaser

shall grant to Seller and its affiliates, pursuant to a license agreement on terms reasonably acceptable to Purchaser and Seller, a nonexclusive, worldwide, paid-up, royalty-free, perpetual license (with a right to sublicense suppliers, customers and others) to use the Intellectual Property and Technology included in the Acquired Assets, and any Intellectual Property and Technology developed during the term of the Transitional Services Agreement referred to in Section 4.16(a) with the involvement of any Center Employee (to the extent derived from work commenced prior to the Closing Date), in connection with any present or future businesses of Seller and its affiliates that are not competitive with the Division's current operations and subsequent extensions thereof falling within the scope of such current operations with respect to the class of customers and field of products or services (such current operations and extensions, collectively, "Division Current Operations"); provided, that such license shall

be exclusive with respect to the Division's silicon carbide technology, subject to a retained right of Purchaser (with a right to sublicense suppliers,

customers and others) to use such silicon carbide technology in connection with Division Current Operations.

(b) On the Closing Date, Seller shall grant to Purchaser and its affiliates, pursuant to a license agreement on terms reasonably acceptable to Purchaser and Seller, a nonexclusive, worldwide, paid-up, royalty-free, perpetual license (with a right to sublicense suppliers, customers and others) to use any Intellectual Property of any of Sellers, existing as of the Closing and used in the current operations of the Division (other than the Excluded Assets described in Section 1.2(b)(vii) and the Excluded Assets specifically identified as being exempt from this Section 4.9(b) in Schedule 1.2(b)) in connection with Division Current Operations.

SECTION 4.10. Certain Information. After the Closing, upon

reasonable written notice, Purchaser and Seller shall furnish or cause to be furnished to each other and their respective accountants, counsel and other representatives access, during normal business hours, to such information (including records pertinent to the Division) and assistance relating to the Division as is reasonably necessary for financial reporting and accounting matters, the preparation and filing of any returns, reports or forms or the defense of, or response required under, or

pursuant to, any lawsuit, action or proceeding (including any proceeding involving Seller and any environmental matters related to the Acquired Assets). Purchaser and Seller shall also furnish or cause to be furnished to each other and their respective accountants, counsel and other representative's access, during normal business hours, to such information for any other reasonable business purpose. Purchaser and Seller shall, and shall cause their affiliates to, retain until five years after the Closing Date all such records pertinent to the Division which are owned by such Person immediately after the Closing (excluding any Excluded Assets other than any books and records that constitute Excluded Assets pursuant to Schedule 1.2(b) and which relate primarily to the Division); after the end of such period, before disposing of any such records, the applicable party shall give notice to such effect to the other, and shall give the other, at the other's cost and expense, a reasonable opportunity to remove and retain all or any part of such records as the other may select. Cooperation with respect to tax matters shall be governed by Section 4.14(k).

SECTION 4.11. Bulk Transfer Laws. Purchaser hereby waives compliance

by Sellers with the provisions of any so-called "bulk transfer law" of any jurisdiction in connection with the sale of the Acquired Assets to

Purchaser. Seller shall indemnify and hold harmless Purchaser against any and all liabilities that may be asserted by third parties against Purchaser as a result of noncompliance with any such bulk transfer law.

SECTION 4.12. Additional Agreements. Subject to the provisions of

Section 4.4, each of Purchaser and Seller will use all reasonable efforts to facilitate and effect the implementation of the transfer of the Acquired Assets to Purchaser and the assumption of the Assumed Liabilities by Purchaser and, for such purpose but without limitation, each of Purchaser and Seller promptly will at and after the Closing execute and deliver or cause to be executed and delivered to the other party such assignments, deeds, bills of sale, assumption agreements, consents and other instruments of transfer or assumption as Purchaser or its counsel or Seller or its counsel may reasonably request as necessary or desirable for such purpose (it being understood that any such assignment, deed, bill of sale, assumption agreement, consent or other instrument of transfer or assumption shall not provide for any representations or warranties or any obligations or liabilities that are not otherwise expressly provided for in this Agreement). In addition, as soon as practicable after the Closing, for such purpose but without limitation, Seller shall pay Purchaser,

or Purchaser shall pay Seller, the amount, if any, by which the assets of the Westinghouse Pension Plan transferred to Purchaser's Pension Plan shall be less

or greater, respectively, than the amount required to be transferred under Section 4.5(d)(i).

SECTION 4.13. Certain Understandings. Purchaser acknowledges that

none of Sellers or any other Person has made any representation or warranty, express or implied, as to the accuracy or completeness of any information regarding the Division, the Acquired Assets or other matters not included in this Agreement or the Schedules hereto, and none of Sellers or any other Person will be subject to any liability to Purchaser or any other person resulting from the distribution to Purchaser, or Purchaser's use of, any such information (including the Descriptive Memorandum dated December 1995). Purchaser acknowledges that, should the Closing occur, Purchaser will acquire the Acquired Assets without any representation or warranty as to merchantability or fitness for any particular purpose, in an "as is" condition and on a "where is" basis, except as otherwise expressly represented or warranted herein.

SECTION 4.14. Allocation; Tax Matters.

(a) Schedule 4.14 sets forth, on a country-by-country basis, the allocation of the consideration hereunder for tax

purposes. Prior to the Closing, Purchaser and Seller shall agree upon the allocation of the consideration hereunder for tax purposes among the Acquired Assets and the assets held by any Sold Subsidiary with respect to which a Section 338 Election is made, in accordance with Schedule 4.14, and shall set forth such allocation on a statement (the "Allocation Statement"). After the Closing, from time to time, Purchaser and Seller shall agree upon revisions to the Allocation Statement to reflect any adjustments to the consideration for tax purposes. Purchaser and Seller shall report the tax consequences of the transactions contemplated by this Agreement in a manner consistent with the Allocation Statement, as it may be revised from time to time and shall not take any position inconsistent therewith in any examination of any Tax Return, in any refund claim or in any litigation or investigation, except as required by applicable law.

(b) Purchaser and Seller shall file and cause to be filed all Tax Returns and execute such other documents as may be required by any taxing authority, in a manner consistent with the Allocation Statement, as it may be revised from time to time. Seller shall prepare Internal Revenue Service Form 8594 pursuant to Section 1060 of the Code relating to the transactions contemplated by this Agreement based on the Allocation Statement, as it may

be revised from time to time, and deliver such form to Purchaser. Purchaser and Seller shall file, or cause the filing of, such form with each relevant taxing authority.

(c) With respect to the purchase of the capital stock of Sold Subsidiaries that are U.S. corporations, Seller and Purchaser shall (i) jointly make the election pursuant to Section 338(h)(10) of the Code and any comparable election under state and local law (the "Section 338 Elections"), (ii) cooperate with each other to take all actions necessary to effect and preserve timely Section 338 Elections in accordance with Treasury Regulation Section 1.338(h)(10) (and any comparable provisions of state and local law and any successor provisions thereto) and (iii) take no position inconsistent with treating the purchases of the capital stock of such corporations as Section 338 Elections. Unless prohibited by applicable law, Seller and Purchaser shall cause the Sold Subsidiaries to elect to end their taxable years as of the Closing Date in states that do not recognize an election comparable to the election under Section 338(h)(10) of the Code.

(d) Purchaser shall bear, and to the extent permitted by law shall pay, all transfer, documentary, sales, use, registration, stamp, value-added and other similar taxes (including all applicable real estate transfer

taxes and real property gains taxes), including any penalties, interest and additions to tax, incurred in connection with the transactions contemplated hereby and any taxes or other costs relating to a transfer, or that would not otherwise be payable in the absence of such transfer (including as a result of the transactions contemplated by this Agreement and including the use of a tax attribute to reduce taxes), made at Purchaser's request pursuant to Section 4.14(1) ("Transfer Taxes"), and Purchaser shall reimburse Seller for any Transfer Taxes paid by Seller within five days of Seller's written request. Seller and Purchaser shall cooperate in timely making and filing all Tax Returns as may be required to comply with the provisions of any Transfer Tax laws and in making arrangements that lawfully minimize Transfer Taxes without increasing other taxes above the amount that would otherwise be payable in the absence of such arrangements. To the extent legally able to do so, Purchaser shall deliver to Seller exemption certificates satisfactory in form and substance to Seller with respect to Transfer Taxes if such delivery would reduce the amount of Transfer Taxes that would otherwise be imposed.

(e) Seller shall terminate and shall cause the termination by the Closing of any agreement or practice

relating to Taxes between Seller or any of its affiliates (other than any Investment), on the one hand, and any Investment, on the other hand.

(f) At the Closing, Seller shall deliver to Purchaser duly executed certificates certifying that the transactions contemplated hereby are exempt from withholding under Section 1445 of the Code.

(g) For purposes of this Agreement, (i) "tax" means all Federal, state, foreign or other governmental taxes, assessments duties, fees, levies or similar charges of any kind, including all income, profit, franchise, excise, property, use, intangibles, sales, payroll, employment, withholding and other taxes, and including all interest and penalties imposed with respect to such amounts, (ii) "Income Tax" means any tax on or determined by reference to net income and (iii) "Tax Return" means any return, report, form or other information filed with any taxing authority with respect to taxes.

(h) To the extent permitted by law, Purchaser shall not, and shall cause each Sold Subsidiary not to, carry back any item of income, loss, credit or deduction from any period beginning after the Closing Date to any period including or ending prior to the Closing Date.

(i) Seller shall file any amended consolidated, combined or unitary tax returns that include any Sold Subsidiary for taxable years ending on or prior to the Closing Date which are required as a result of examination adjustments made by any taxing authority as finally determined. For those jurisdictions in which separate returns are filed by any Sold Subsidiary, any required amended returns resulting from such examination adjustments, as finally determined, shall be prepared by Seller and furnished to such Sold Subsidiary, for signature and filing at least ten days prior to the due date for filing such returns.

(j) Seller shall cause to be prepared and duly filed all Federal income Tax Returns and state and local Tax Returns with respect to the Acquired Assets or the income or operations of the Division for taxable periods ending on or before the Closing Date. In the case of any taxable period of any Sold Subsidiary that includes but does not end on the Closing Date, Purchaser shall cause to be prepared any required state and local Tax Returns, and after providing Seller with copies no later than 30 days before the date due (including extensions) and receiving Seller's approval to file (which approval shall not be unreasonably withheld), shall cause such Tax Returns to be filed. In the case of

any foreign Sold Subsidiary, Purchaser shall cause to be prepared any required Tax Returns for Pre-Closing Taxable Periods that have not been filed by the

Closing Date, and after providing Seller with copies no later than 20 days before the date due (including extensions) and receiving Seller's approval to file (which approval shall not be unreasonably withheld), shall cause such Tax Returns to be filed. Each of Seller and Purchaser shall cause all Tax Returns addressed in this Section 4.14(j) to be prepared in accordance with the methodology used in prior taxable years.

(k) Seller and Purchaser shall each provide the other with such assistance as may be reasonably requested (including making employees reasonably available to provide information or testimony) in connection with the preparation of any Tax Return, any Tax Controversy (as defined in Section 4.14(m) (ii)), or the determination of liability for taxes with respect to the Acquired Assets or the income or operations of the Division. Purchaser shall complete Seller's standard tax packages relating to Tax Returns that Seller is responsible for filing pursuant to Section 4.14(j) and deliver them to Seller within 90 days of Purchaser's receipt from Seller and shall cause its affiliates to, cooperate with Seller in preparing and pursuing any claims for refunds or credits of Income Taxes

(including refunds or credits relating to any FSC for purposes of the Code, investment tax credits, research credits and credits for prepayments of Income Taxes). At Purchaser's request and expense, Seller shall file claims prepared by Purchaser for refunds of taxes (other than items described in Section 1.3(b) (ii)) and promptly pay over the amount recovered to Purchaser (without any interest, other than interest paid by the applicable taxing authority with respect to such refund); provided, however, that Purchaser shall promptly

reimburse Seller to the extent that such refund is reclaimed by a taxing authority (without any interest, other than interest due to the applicable taxing authority with respect to such reclamation). Seller and Purchaser each shall, and shall cause their affiliates to, retain until seven years after the Closing Date all Tax Returns, schedules, work papers and other records that are owned by such Person immediately after the Closing and that relate to the Division or the Acquired Assets; after the end of such period, before disposing of any such Tax Returns, schedules, work papers or other records, each shall give notice to such effect to the other, and shall give the other, at the other's cost and expense, a reasonable opportunity to remove and retain all or any part of such Tax

Returns, schedules, work papers or other records as the other may select.

(l) At Purchaser's written reasonable request received by Seller no later than 30 days (or such later date as the parties may mutually agree) after the date hereof, Seller shall, or shall cause the Selling Subsidiaries to, transfer such of the Acquired Assets as designated in such request by Purchaser to one or more newly formed subsidiaries prior to the Closing Date, which newly formed subsidiaries shall be treated as Sold Subsidiaries for all purposes of this Agreement.

(m) (i) Purchaser shall, in the event that Purchaser receives notice (whether orally or in writing) of any examination, claim, proposed settlement, proposed adjustment or related matter with respect to any taxes for which Purchaser may be indemnified hereunder (the "Seller Tax Controversies") promptly notify Seller thereof, provided, however that failure to give such notification

shall not affect the indemnification provided hereunder except to the extent Seller shall have been actually prejudiced as a result of such failure (except that the Seller shall not be liable for any expenses incurred during the period in which the Purchaser failed to give such notice). Seller shall be entitled at its sole discretion

and expense to handle, control and compromise or settle the Seller Tax Controversies, and shall reasonably inform Purchaser of the progress of the Seller Tax Controversies.

(ii) Seller shall, in the event Seller receives notice (whether orally or in writing) of any examination, claim, proposed settlement, proposed adjustment or related matter with respect to taxes (other than Seller Tax Controversies) (the "Purchaser Tax Controversies", and together with the Seller Tax Controversies, the "Tax Controversies"), promptly notify Purchaser thereof, provided, however that failure to give such notification shall not affect the

indemnification provided hereunder except to the extent Purchaser shall have been actually prejudiced as a result of such failure (except that the Purchaser shall not be liable for any expenses incurred during the period in which Seller failed to give such notice). Purchaser shall be entitled at its sole discretion and expense to handle, control and compromise or settle the Purchaser Tax Controversies, and shall reasonably inform Seller of the progress of the Purchaser Tax Controversies.

(n) Seller shall use its best efforts to provide Purchaser within 30 days of the date hereof with a list of state and foreign jurisdictions where Tax Returns for the

Sold Subsidiaries are filed and with copies of the most recently filed foreign Tax Returns.

(o) Seller shall cooperate with Purchaser in determining prior to the Closing Date the extent to which any payments that may be required to be made by Purchaser or the Sold Subsidiaries after the Closing to employees of the Division would constitute excess parachute payments within the meaning of Section 280G of the Code.

SECTION 4.15. Supplies. Purchaser shall not use any signs or

stationery, purchase order forms, packaging or other similar paper goods or supplies, or advertising and promotional materials, product, training and service literature and materials, or computer programs or like materials (collectively, the "Supplies"), that state or otherwise indicate thereon that the Division is a division or unit of Seller or contain any trademarks, servicemarks, trade names or corporate or business names, derived from or including the words "Westinghouse Electric Corporation", "Westinghouse" or "Circle W" (in logotype design or any other style or design) in whole or in

part; provided, that to the extent any Supplies included in the Acquired Assets

so indicate, Purchaser may, for a period of 90 days after the Closing Date, use such Supplies after first crossing out or marking over such statement or indication or trademark,

servicemark, trade name or corporate or business name and otherwise clearly indicating on such Supplies that the Division is no longer a division or unit of Seller. Purchaser shall not reorder or produce any Supplies which state or otherwise indicate thereon that the Division is a division or unit of Seller or contain any such trademarks, servicemarks, trade names or corporate or business names.

(b) Purchaser agrees to use its best efforts to cause those entities (the "Licensed Entities") listed on Schedule 3.1(j)(xii) that currently have license agreements with Seller for the use of any trademarks, servicemarks, trade names or corporate or business names derived from or including the words "Westinghouse Electric Corporation", "Westinghouse" or "Circle W" (in logotype

design or any other style or design) in whole or in part ("Westinghouse-related Marks") to cease using such Westinghouse-related Marks as soon as possible. Seller agrees to continue any currently existing license agreement with a Licensed Entity for the use of such Westinghouse-related Marks until six months after the Closing Date. Seller further agrees, in the event that Purchaser has used its best efforts to cause the Licensed Entities to cease using Westinghouse-related Marks, but any such Licensed Entity has not so ceased within six months after the Closing Date, to continue any currently

existing license agreement with any such Licensed Entity for the use of Westinghouse-related Marks for an additional six month period. In all cases, any such continued license shall terminate when the Licensed Entity ceases to use the Westinghouse-related Marks.

SECTION 4.16. Post-Closing Agreements. During the period prior

to the Closing, Seller and Purchaser agree to negotiate in good faith and enter into the following agreements:

(a) Transitional Services. The services to be provided by Seller

to Purchaser shall be mutually agreed upon and shall consist of (i) services which are currently provided to the Division by Seller and which are necessary to conduct and operate the Division as presently conducted, (ii) technical support provided in connection with the Center and (iii) services provided in connection with the Contracts set forth in Schedule 3.1(j) pursuant to Section 3.1(j)(xiv). These services shall be provided during the period from the Closing Date until 12 months after the Closing Date (except for (i) technical support provided in connection with Center Employees, which shall be provided during fiscal year 1996, and (ii) services provided in connection with the Contracts set forth in Schedule 3.1(j) pursuant to Section 3.1(j)(xiv), which shall be provided for

the duration of such Contracts). Seller will provide these services in substantially the same manner and consistent with the rates currently charged by Seller or as adjusted on a uniform basis with respect to the provision of these types of services to Seller's other non-Division businesses. All such services shall be provided in accordance with the "Transitional Services Agreement" substantially in the form set forth in Exhibit A-1 and on such additional terms as shall be mutually agreeable.

(b) Sublease at the Center. Seller shall sublease to Purchaser

certain facilities at the Center in accordance with the "Center Sublease Agreement" substantially in the form set forth in Exhibit A-2. Purchaser and Seller agree that the terms of the covenants contained in the Center Sublease Agreement will not be materially more restrictive to Purchaser than the terms of the covenants contained in the master lease with respect to Sellers' Science and Technology Center are to Seller. Seller further agrees to provide Purchaser with a copy of the master lease with respect to Sellers' Science and Technology Center.

(c) Facilities. Seller and Purchaser shall enter into mutually

agreeable arrangements relating to the use of facilities and equipment for Transferred Employees currently

located in Sellers' non-Division facilities (other than the Center).

SECTION 4.17. Audited Financials. Seller shall exercise its

reasonable good faith efforts to provide to Purchaser prior to January 31, 1996, but in no event later than February 15, 1996, shall provide audited combined balance sheets of the Division as of December 31, 1994 and 1995, and audited combined statements of income and cash flows of the Division for the three years ended December 31, 1995, in each case prepared from the books and records of Seller and its subsidiaries relating to the Division in accordance with generally accepted accounting principles applied on a consistent basis, except as described in the notes thereto, and Seller shall request from, and use its reasonable good faith efforts to obtain from, Price Waterhouse a report thereon prepared and certified by Price Waterhouse. In the event that such audited financial statements have not been provided to Purchaser on or prior to January 31, 1996, Seller shall provide Purchaser with Seller's good faith estimates of the information which would be included in such audited financial statements.

SECTION 4.18. Non-Solicitation; No-Hire. For a period of

eighteen months following the Closing Date, Seller shall not solicit for hire or hire in any capacity any

Transferred Employee (who continues at the time to be employed by Purchaser) for employment by Seller in any capacity; provided, however, that this prohibition

shall not apply to:

(i) clerical or unionized employees or administrative employees who do not hold executive titles;

(ii) Transferred Employees who, after the Closing Date, (A) have been given notice of layoff or termination, (B) are, with or without such notice, laid off or otherwise terminated by Purchaser or (C) have voluntarily retired from active employment with Purchaser;

(iii) Transferred Employees who are employed in a facility, operation or business segment divested by Purchaser after the Closing Date; and

(iv) any Transferred Employees who the Purchaser expressly agrees may be excepted from the provisions of this Section 4.18. Placement by Seller during such period of general employment advertisements in any medium, including trade journals, newspapers and periodicals of general circulation, electronic media or other public media where such advertisements are customarily placed shall not operate or be construed as

a breach of the no-solicitation provision of this Section 4.18, whether or not responded to by any Transferred Employee.

SECTION 4.19. Administration of Insurance. During the period prior

to the Closing, Seller and Purchaser agree to negotiate in good faith and enter into an Insurance Administration Agreement covering any insurance policy maintained by any of Sellers applicable to the Acquired Assets providing that Seller shall continue to administer all such policies consistent with Seller's corporate practice (including any decision to terminate, commute or modify any such policy), and shall include appropriate arrangements for the allocation of deductibles under current coverage and claims processing.

ARTICLE V

Conditions Precedent

SECTION 5.1. Conditions to Each Party's Obligation. The

obligation of Purchaser to purchase the Acquired Assets and the obligation of Seller to sell, assign, transfer, convey and deliver the Acquired Assets to Purchaser shall be subject to the satisfaction prior to the Closing of the following conditions:

(a) Certain Waiting Periods. Any waiting period under the HSR Act

applicable to any of the transactions

contemplated hereby shall have expired or been earlier terminated.

(b) No Injunctions or Restraints. No temporary restraining order,

preliminary or permanent injunction or other legal restraint or prohibition preventing the consummation of the transactions contemplated by this Agreement shall be in effect; provided, however, that each of Purchaser,

and, subject to the proviso in Section 4.3(b), Seller shall have used its best efforts to prevent the entry of any such order, injunction or other restraint or prohibition and to appeal as promptly as possible any such order, injunction or other restraint or prohibition that may be entered.

SECTION 5.2. Conditions to Obligation of Purchaser. The obligation

of Purchaser to purchase the Acquired Assets is subject to the satisfaction at and as of the Closing of each of the following conditions:

(a) Representations and Warranties. The representations and

warranties of Seller set forth in this Agreement shall be true and correct in all material respects as of the date of this Agreement and as of the Closing as though made at and as of the Closing, except as otherwise contemplated by this Agreement, and Purchaser shall have received a certificate signed by an authorized officer of Seller to such effect.

(b) Performance of Obligations of Seller. Seller shall have

performed or complied in all material respects with all obligations, conditions and covenants required to be performed or complied with by it under this Agreement at or prior to the Closing, and Purchaser shall have received a certificate signed by an authorized officer of Seller to such effect.

(c) Opinion of Seller's Counsel. Purchaser shall have received (i)

an opinion dated the Closing Date of Cravath, Swaine & Moore, special counsel to Seller, substantially in the form set forth in Exhibit B, and (ii) an opinion dated the Closing Date of William F. Stoll, Vice President and Deputy General Counsel of Seller, substantially in the form set forth in Exhibit C.

(d) Banking Moratorium. There shall not have occurred any

declaration of a banking moratorium by Federal or New York state authorities which results in the Banks failing to provide the financing for the transactions contemplated hereby pursuant to the Commitments solely as a result of such banking moratorium.

SECTION 5.3. Conditions to Obligation of Seller. The obligation of

Seller to sell, assign, transfer, convey, and deliver the Acquired Assets is subject to the

satisfaction at and as of the Closing of each of the following conditions:

(a) Representations and Warranties. The representations and

warranties of Purchaser set forth in this Agreement shall be true and correct in all material respects as of the date of this Agreement and as of the Closing as though made at and as of the Closing, except as otherwise contemplated by this Agreement, and Seller shall have received a certificate signed by an authorized officer of Purchaser to such effect.

(b) Performance of Obligations of Purchaser. Purchaser shall have

performed or complied in all material respects with all obligations, conditions and covenants required to be performed or complied with by it under this Agreement at or prior to the Closing, and Seller shall have received a certificate signed by an authorized officer of Purchaser to such effect.

(c) Opinion of Purchaser's Counsel. Seller shall have received (i)

an opinion dated the Closing Date of Gibson, Dunn & Crutcher, special counsel to Purchaser, substantially in the form set forth in Exhibit D, and (ii) an opinion

dated the Closing Date of Richard Molleur, General Counsel of Purchaser, substantially in the form set forth in Exhibit E.

ARTICLE VI

Termination, Amendment and Waiver

SECTION 6.1. Termination. (a) Notwithstanding anything to the

contrary in this Agreement, this Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Closing:

(i) by mutual written consent of Seller and Purchaser;

(ii) by Seller if any of the conditions set forth in Sections 5.1 or 5.3 shall have become incapable of fulfillment, and shall not have been waived by Seller;

(iii) by Purchaser if any of the conditions set forth in Sections 5.1 or 5.2 shall have become incapable of fulfillment, and shall not have been waived by Purchaser; or

(iv) by Seller or Purchaser if the Closing does not occur on or prior to September 30, 1996;

provided, however, that the party seeking termination pursuant to clause (ii),

(iii) or (iv) is not in breach in any material respect of any of its representations, warranties, covenants or agreements contained in this Agreement.

(b) In the event of termination by Seller, on the one hand, or Purchaser, on the other hand, pursuant to this

Section 6.1, written notice thereof shall forthwith be given to the other party and the transactions contemplated by this Agreement shall be terminated, without further action by any party. If the transactions contemplated by this Agreement are terminated as provided herein:

(i) Purchaser shall return all documents and other material received from Sellers relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to Seller; and

(ii) all confidential information received by Purchaser with respect to the Division and the businesses of Sellers shall be treated in accordance with the Confidentiality Agreement which shall remain in full force and effect notwithstanding the termination of this Agreement.

(c) If this Agreement is terminated and the transactions contemplated hereby are abandoned pursuant to this Section 6.1 for any reason other than a termination by Purchaser pursuant to this Section 6.1 as a result of a failure to satisfy any condition set forth in Section 5.2(a), (b) or (c) (which failure shall not have been cured within five business days (or, if earlier, September 30, 1996) following Seller's receipt of written notice of such failure from Purchaser), Purchaser shall pay to Seller on

demand a termination fee of \$60,000,000, by wire transfer to an account designated in writing by Seller of immediately available funds.

(d) If this Agreement is terminated and the transactions contemplated hereby are abandoned as described in this Section 6.1, this Agreement shall become null and void and of no further force and effect, except for the provisions of (i) Section 4.2 relating to the obligation of Purchaser to keep confidential certain information and data obtained by it from Seller, (ii) this

Agreement relating to expenses (including Sections 4.7 and 4.14(d)), (iii) Section 4.8 relating to finder's fees and broker's fees, (iv) this Section 6.1 and (v) Article VIII. Nothing in this Section 6.1, including any payment of the termination fee payable pursuant to Section 6.1(c), shall be deemed to release either party from any liability for any breach by such party of the terms and provisions of this Agreement or to impair the right of either party to compel specific performance by the other party of its obligations under this Agreement; it being understood that such termination fee may be credited against any damages payable by Purchaser to Seller as a result of a breach by Purchaser.

SECTION 6.2. Amendments and Waivers. This Agreement may not be

amended except by an instrument in

writing signed on behalf of each of the parties hereto. By an instrument in writing Purchaser, on the one hand, or Seller, on the other hand, may waive compliance by the other party with any term or provision of this Agreement that such other party was or is obligated to comply with or perform.

ARTICLE VII

Indemnification -----

SECTION 7.1. Indemnification by Seller. (a) Except with respect to

environmental matters (which are exclusively the subject of Section 7.3) and the matters which are the subject of Sections 7.4 and 7.5, Seller hereby agrees to indemnify Purchaser and its affiliates and their respective officers, directors, employees, stockholders, agents and representatives against, and agrees to hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses), as incurred (payable quarterly upon written request, with interest from the date which is 30 days from the date of such request to the date of actual payment, at the prime or base rate of Chase Manhattan Bank N.A. announced from time to time), to the extent arising from, relating to or otherwise in respect of (i) any breach of any representation or warranty of Seller (other than that contained in Section 3.1(p)) which survives the Closing contained in this Agreement, (ii) any

breach of any covenant of any of Sellers contained in this Agreement or in any Seller Ancillary Document requiring performance after the Closing or (iii) any Excluded Liabilities; provided, however, that Seller shall not have any

liability under clause (i) above unless the aggregate of all losses, liabilities, costs and expenses relating thereto for which Seller would, but for this proviso, be liable under clause (i) above exceeds on a cumulative pre-tax basis an amount equal to \$50,000,000, and then only to the extent of any such excess; provided further, however, that Seller shall not have any liability

under this Section 7.1 to the extent the liability or obligation arises as a result of the operation of the business of the Division or the Acquired Assets after the Closing or any action taken or omitted to be taken by Purchaser or any of its affiliates.

Purchaser acknowledges and agrees that its sole and exclusive remedy with respect to any and all claims relating to the subject matter of this Agreement shall be pursuant to the indemnification provisions set forth in this Article VII. In furtherance of the foregoing, Purchaser hereby waives, to the fullest extent permitted under applicable law, any and all rights, claims and causes of action it may have against Sellers, their affiliates and their respective officers, directors, employees,

stockholders, agents and representatives arising under or based upon any Federal, state, local or foreign statute, law, ordinance, rule or regulation

(including any such relating to environmental matters or arising under or based upon common law or otherwise) or otherwise (except pursuant to the indemnification provisions set forth in this Article VII).

SECTION 7.2. Indemnification by Purchaser. Purchaser hereby agrees

to indemnify Sellers, their affiliates and their respective officers, directors, employees, stockholders, agents and representatives against, and agrees to hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses), as incurred (payable quarterly upon written request, with interest from the date which is 30 days from the date of such request to the date of actual payment, at the prime or base rate of Chase Manhattan Bank N.A. announced from time to time), to the extent arising from, relating to or otherwise in connection with (i) any breach of any representation or warranty of Purchaser contained in this Agreement, (ii) any breach of any covenant of Purchaser contained in this Agreement or in any Purchaser Ancillary Document requiring performance after the Closing, (iii) subject to Sections 7.3, 7.4 and 7.5, any Assumed

Liabilities (including Pre-Closing Environmental Liabilities (as defined in Section 7.3) for which Purchaser is liable pursuant to Section 7.3) or (iv) subject to Section 7.3, the operation of the business of the Division or the Acquired Assets, or any actions or omissions of Purchaser, its affiliates, agents, contractors or subcontractors in connection therewith, after the Closing.

SECTION 7.3. Environmental Liability. (a) Seller hereby agrees to

indemnify Purchaser and its affiliates and their respective officers, directors, employees, stockholders, agents and representatives against, and agrees to hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses), as incurred (payable quarterly upon written request, with interest from the date which is 30 days from the date of such request to the date of actual payment, at the prime or base rate of Chase Manhattan Bank N.A. announced from time to time), to the extent arising from, relating to or otherwise in respect of, but not to the extent that Purchaser's actions or omissions cause, contribute to or exacerbate (i) any breach of any representation or warranty of Seller set forth in Section 3.1(p) of this Agreement and (ii) any Environmental Liability (any of the matters described in clauses (i) or

(ii) above are collectively referred to as "Pre-Closing Environmental Liabilities"); provided, however, that Seller shall not have any obligation or

liability for Pre-Closing Environmental Liabilities unless the aggregate of all Pre-Closing Environmental Liabilities for which Seller, but for this proviso, would be liable exceeds on a cumulative pre-tax basis an amount equal to \$50 million, in which case Seller's liability shall be for sixty percent (60%) of any such excess over \$50 million and Purchaser's liability shall be for forty percent (40%) of any such excess over \$50 million; provided further, however,

that Seller shall not have any further obligation or liability for Pre-Closing Environmental Liabilities if and when the aggregate of all Pre-Closing Environmental Liabilities for which Seller would be liable but for this proviso and the immediately preceding proviso and but for Section 7.3(b) exceeds on a cumulative pre-tax basis an amount equal to \$150 million, in which case Purchaser's liability shall be for one hundred percent (100%) of any such excess over \$150 million. For the purposes of the foregoing, any amount spent on Remedial Actions with respect to the Division's Sunnyvale, California facility shall not be counted as Pre-Closing Environmental Liabilities to the extent that such amounts are attributable to the use of cleanup standards more stringent than those

consistent with industrial or commercial use of that property.

(b) For purposes of this Section 7.3, the aggregate of all Pre-Closing Environmental Liabilities "on a cumulative pre-tax basis" is the actual amount of such aggregate without regard to any tax benefit relating to the accrual or payment of such aggregate; provided, however, that Seller's ----- indemnification obligation with respect to the amount of any Pre-Closing Environmental Liability for which Seller is obligated to provide indemnification under this Section 7.3 shall be subject to the provisions of Section 7.6.

(c) Purchaser acknowledges and agrees that its sole and exclusive remedy with respect to any and all claims relating to environmental, health and safety matters shall be pursuant to the indemnification provisions set forth in this Section 7.3. In furtherance of the foregoing, Purchaser hereby waives, to the fullest extent permitted under applicable law, any and all rights, claims and causes of action it may have against Sellers, their affiliates and their respective officers, directors, employees, stockholders, agents and representatives arising under or based upon any Environmental Law or in connection with any Environmental Liabilities.

(d) Notwithstanding any other provision of this Agreement to the contrary, Seller shall have no liability pursuant to this Section 7.3 for Pre-Closing Environmental Liabilities not made known to Seller by Purchaser in a written statement within three (3) years of the Closing Date. Such written statement shall be in reasonable detail, including as to the nature and extent of the Pre-Closing Environmental Liability.

(e) With respect to the first \$50 million of Pre-Closing Environmental Liabilities on a cumulative pre-tax basis for which Purchaser has liability pursuant to this Section 7.3 and to the extent that such liability involves the implementation of a Remedial Action, Seller shall have the right to review and provide Purchaser with written comments in advance of (i) the Purchaser's selection of consultants and contractors designated to perform the Remedial Action and (ii) the development of the scope of work for, and type of, the Remedial Action to be implemented. Purchaser shall review and reasonably consider Seller's comments. Purchaser shall provide all plans, reports and submissions to any Governmental Entity regarding any such Remedial Action in draft form to Seller a reasonable time prior to transmission of such items to such Governmental Entity and Purchaser shall review and

reasonably consider any of Seller's comments on such plans, reports and submissions.

(f) If the Pre-Closing Environmental Liabilities for which Seller has actual liability pursuant to Section 7.3(a) involve the implementation of a Remedial Action, then Seller shall have the right to review and provide Purchaser with written comments in advance of (i) the Purchaser's selection of consultants and contractors designated to perform the Remedial Action and (ii) the development of the scope of work for, and type of, the Remedial Action to be implemented. All plans, reports and submissions to any Governmental Entity regarding any such Remedial Action (including those in connection with the scope of work for and type of Remedial Action) shall be provided in draft form to Seller a reasonable time prior to transmission to such Governmental Entity and shall not be transmitted to such Governmental Entity unless and until Seller and Purchaser agree as to the form and substance of such plans, reports and submissions; provided, however, that if Seller and Purchaser, despite reasonable -----

good faith efforts, cannot agree as to the form and substance of such plans, reports and submissions, then prior to transmission to the applicable Governmental Entity, either party may elect to have the disputed matters presented to an environmental

consultant for a binding arbitration, which environmental consultant shall be mutually acceptable to both parties and shall be jointly retained by the Seller and Purchaser who shall share equally such environmental consultant's fees and expenses; provided further, however, that any such arbitration shall be

completed prior to any deadline set by the applicable Governmental Entity relating to such plans, reports and submissions.

SECTION 7.4. Employment Liabilities. (a) Subject to Section 7.4(c),

Seller hereby agrees to indemnify Purchaser and its affiliates and their respective officers, directors, employees, stockholders, agents and representatives against, and agrees to hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses), as incurred (payable quarterly upon written request, with interest from the date which is 30 days from the date of such request to the date of actual payment, at the prime or base rate of Chase Manhattan Bank N.A. announced from time to time), to the extent arising from, relating to or otherwise in respect of (i) Andrew Herman et al. v. Westinghouse Electric Corporation (docket

number MJG 93-285 U.S. Dist. Ct. Maryland filed January 28, 1993) and EEOC v.

Westinghouse Electric Corporation (docket number Y 93-1004 U.S. Dist. Ct.)

Maryland) (collectively, "Herman") and (ii) any claim of wrongful or unlawful termination (which shall not include "constructive termination" based solely on the consummation of the transactions contemplated hereby) by any employee of the Division whose employment was terminated on or prior to the Closing Date (any of the matters described in clauses (i) or (ii) above are collectively referred to as "Employment Liabilities"); provided, however, that Seller shall not have any

liability in respect of any Employment Liabilities unless the aggregate of all Employment Liabilities for which Seller would, but for this proviso, be liable exceeds on a cumulative pre-tax basis an amount equal to \$10 million, in which case Seller's liability shall be for fifty percent (50%) of any such excess over \$10 million and Purchaser's liability shall be for fifty percent (50%) of any such excess over \$10 million; provided further, however, that Purchaser shall

not have any further obligation or liability for Employment Liabilities if and when the aggregate of all Employment Liabilities for which Purchaser and Seller would be liable but for this proviso and but for Section 7.4(b) exceeds on a cumulative pre-tax basis an amount equal to \$40 million, in which case Seller's liability shall be for one hundred percent (100%) of any such excess over \$40 million; and provided further, however,

that Seller shall not have any liability under this Section 7.4 to the extent the liability or obligation arises as a result of the operation of the business of the Division or the Acquired Assets after the Closing or any action taken or omitted to be taken by Purchaser or any of its affiliates.

(b) For purposes of this Section 7.4, the aggregate of all Employment Liabilities "on a cumulative pre-tax basis" is the actual amount of such aggregate without regard to any tax benefit relating to the accrual or payment of such aggregate; provided, however, that Seller's indemnification

obligation with respect to the amount of any Employment Liability for which Seller is obligated to provide indemnification under this Section 7.4 shall be subject to the provisions of Section 7.6.

(c) Seller shall not consent to any equitable remedy to be imposed upon Purchaser without Purchaser's written consent, but Purchaser agrees to be bound to any equitable relief to be imposed upon Purchaser by the final unappealable order of any Governmental Entity (it being understood that expenses associated with the implementation of such equitable relief shall not be deemed to be an Employment Liability).

SECTION 7.5. Foreign Liabilities. (a) Seller hereby agrees

to indemnify Purchaser and its affiliates and

their respective officers, directors, employees, stockholders, agents and representatives against, and agrees to hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses), as incurred (payable quarterly upon written request, with interest from the date which is 30 days from the date of such request to the date of actual payment, at the prime or base rate of Chase Manhattan Bank N.A. announced from time to time), to the extent arising from, relating to or otherwise in respect of the matters described in Schedule 7.5 (such matters, "Foreign Liabilities"); provided, however, that Seller shall not have any liability in

respect of any Foreign Liabilities unless the aggregate of all Foreign Liabilities for which Seller would be liable but for this proviso and but for Section 7.5(b) exceeds on a cumulative pre-tax basis (net of any amounts recovered or recoverable by Purchaser under any claim or counter-claim described in Schedule 7.5) an amount equal to \$25 million and then only to the extent of such excess; provided further, however, that Seller shall not have

any liability under this Section 7.5 to the extent the liability or obligation arises as a result of the operation of the business of the Division or the Acquired Assets after the

Closing or any action taken or omitted to be taken by Purchaser or any of its affiliates.

(b) For purposes of this Section 7.5, the aggregate of all Foreign Liabilities "on a cumulative pre-tax basis" is the actual amount of such aggregate without regard to any tax benefit relating to the accrual or payment of such aggregate; provided, however, that Seller's indemnification

obligation with respect to the amount of any Foreign Liability for which Seller is obligated to provide indemnification under this Section 7.4 shall be subject to the provisions of Section 7.6.

SECTION 7.6. Losses Net of Insurance; No Consequential Damages.

Subject to Sections 7.3(b), 7.4(b) and 7.5(b), the amount of any loss, liability, claim, damage or expense for which indemnification is provided under this Article VII shall be net of any amounts recovered or recoverable by the indemnified party under insurance policies or Government Contracts (it being understood that if any amount is recovered or recoverable by Purchaser under any Government Contract, it shall not be subject to indemnification by Seller under this Article VII) with respect to such loss, liability, claim, damage or expense and shall be (i) increased to take account of any net tax cost incurred by the indemnified party arising from the receipt of indemnity

payments hereunder (grossed up for such increase) and (ii) reduced to take account of any net tax benefit realized by the indemnified party arising from the incurrence or payment of any such loss, liability, claim, damage or expense. An indemnified party shall be deemed to have realized a net tax cost or a net tax benefit to the extent that, and at such time as, the amount of taxes payable by such indemnified party is increased above or reduced below, as the case may be, the amount of taxes that such indemnified party would have been required to pay but for receipt or accrual of the indemnity payment or the incurrence or payment of such loss. Notwithstanding anything to the contrary contained herein, no indemnification shall be provided for under this Article VII in respect of any consequential damages.

SECTION 7.7. Termination of Indemnification. The obligations to

indemnify and hold harmless any party, (x) pursuant to clause (i) of Section 7.1 and clause (i) of Section 7.2, shall terminate when the applicable representation or warranty terminates pursuant to Section 8.3; provided,

however, that such obligations to indemnify and hold harmless shall not
- - - - -

terminate with respect to any item as to which the Person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice pursuant to Section 7.8

(stating in reasonable detail the basis of such claim) to the party to be providing the indemnification, (y) pursuant to the other clauses of Sections 7.1 and 7.2, and pursuant to Sections 7.4 and 7.5 shall not terminate and (z) pursuant to Section 7.3 shall terminate as provided therein.

SECTION 7.8. Procedures Relating to Third Party Claims (other than

Tax Controversies, Pre-Closing Environmental Liabilities, Employment Liabilities

and Foreign Liabilities). (a) In order for a Person (the "indemnified party"),
- - - - -

to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any Person against the indemnified party (other than a Tax Controversy a Pre-Closing Environmental Liability, an Employment Liability or a Foreign Liability, procedures for which are specified in Section 4.14(m) in the case of Tax Controversies and Section 7.10 in the case of such other matters (except, in the case of such other matters, to the extent Section 7.10 provides that this Section 7.8 shall govern)) (a "Third Party Claim"), such indemnified party must notify the indemnifying party in writing, and in reasonable detail, of the Third Party Claim within 10 business days after receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such

notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually prejudiced as a result of such failure (except that the indemnifying party shall not be liable for any expenses incurred during the period in which the indemnified party failed to give such notice). Thereafter, the indemnified party shall deliver to the indemnifying party, promptly after the indemnified party's receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) If a Third Party Claim is made against an indemnified party, the indemnifying party will be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party. Should the indemnifying party so elect to assume the defense of a Third Party Claim, the indemnifying party will not be liable to the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it

being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof (other than during any period in which the indemnified party shall have failed to give notice of the Third Party Claim as provided above). If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the parties hereto shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the indemnifying party's request) the provision to the indemnifying party of records and information which are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. If the indemnifying party chooses to defend or prosecute any Third Party Claim, the indemnified party will agree to any settlement, compromise or discharge of such Third Party Claim which the indemnifying party may recommend and which by its

terms obligates the indemnifying party to pay the full amount of the liability in connection with such Third Party Claim. Whether or not the indemnifying party shall have assumed the defense of a Third Party Claim, the indemnified

party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party's prior written consent (which consent shall not be unreasonably withheld).

SECTION 7.9. Procedures Relating to Non-Third Party Claims. In order

for an indemnified party to be entitled to any indemnification provided for under this Agreement in respect of a claim that does not involve a Third Party Claim or Tax Controversy or Pre-Closing Environmental Liability, Employment Liability or Foreign Liability being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. The failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to such indemnified party under this Agreement, except to the extent that the indemnifying party shall have been actually prejudiced by such failure. If the indemnifying party does not notify the indemnified party within 30 calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under this Agreement, such claim specified by the indemnified party in such notice shall be conclusively

deemed a liability of the indemnifying party under this Agreement and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined. If the indemnifying party has timely disputed its liability with respect to such claim, as provided above, the indemnifying party and the indemnified party shall proceed in good faith to negotiate a resolution of such dispute and, if not resolved through negotiations, such dispute shall be resolved by litigation in an appropriate court of competent jurisdiction.

SECTION 7.10. Procedures Relating Claims Constituting a Pre-Closing

Environmental Liability, Employment Liability or Foreign Liability. (a) After

the Closing, each of Purchaser and Seller shall notify (the "Notifying Party") the other in writing, and in reasonable detail, of any claim in respect of, arising out of or involving a claim made by any Person against the Notifying Party constituting a Pre-Closing Environmental Liability, an Employment Liability or a Foreign Liability (a "Shared Claim") (it being agreed that such notification obligation shall not apply to Herman or any Foreign Liability), within

10 business days after receipt by the Notifying Party of written notice of the Shared Claim; provided, however, that failure to give such notification shall

not affect the indemnification provided hereunder except to the extent the other party shall have been actually prejudiced as a result of such failure (except that the other party shall not be liable for any expenses incurred during the period in which the Notifying Party failed to give such notice). Thereafter, each party shall deliver to the other party, promptly after such party's receipt thereof, copies of all notices and documents (including court papers) received by the such party relating to the Shared Claim.

(b) Subject to the provisions of Sections 7.3(e) and 7.3(f) with respect to Remedial Actions, during the period from the date hereof to the Closing Date, Purchaser and Seller shall negotiate in good faith and enter into one or more agreements governing defense of Shared Claims, it being agreed that any such agreement shall provide that:

(i) Purchaser and Seller will each be entitled to participate in the defense of any Shared Claim; provided, that if either Purchaser or Seller ----- shall have one hundred percent of the liability in respect thereof pursuant to the second proviso to Section 7.3(a) or 7.4(a) or the first proviso to Section 7.5(a), as

applicable, such claim shall be treated as a Third Party Claim under Section 7.8;

(ii) Purchaser and Seller will each cooperate in the defense or prosecution of any Shared Claim, including the retention and (upon request) the provision to the requesting party of records and information which are reasonably relevant to such Shared Claim, and making employees (including any Transferred Employees familiar with such Shared Claim) available on a mutually convenient basis to provide additional information and explanation of any such records and information;

(iii) Purchaser and Seller will consult with each other and shall mutually agree on any significant strategic decisions in respect of any Shared Claim;

(iv) Purchaser and Seller will consult with each other and shall mutually agree on any settlement, compromise or discharge of any Shared Claim;

(v) neither Purchaser nor Seller shall admit any liability with respect to, or settle, compromise or discharge, any Shared Claim without the other party's prior written consent (which consent shall not be unreasonably withheld); and

(vi) appropriate and mutually agreeable arrangements with respect to day-to-day administration of any Shared Claim shall be provided for in such agreements; provided, that Purchaser and Seller agree that Seller shall be ----- entitled to control the day-to-day administration of Herman.

SECTION 7.11. Joint Defense Agreement. On the Closing Date, Seller ----- and Purchaser shall enter into a Joint Defense Agreement substantially in the form set forth in Exhibit F and on such additional terms as shall be mutually agreeable.

SECTION 7.12. Acknowledgment. The indemnities provided for in ----- Sections 7.3, 7.4 and 7.5 shall not be construed as an admission or conclusion, express or implied, as to liability or damages in respect of the subject-matter of such indemnities.

SECTION 8.2. Interpretation. When a reference is made in this

Agreement to a Section, Schedule or Exhibit, such reference shall be to a Section of, or a Schedule or Exhibit to, this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any

way the meaning or interpretation of this Agreement. For purposes of any indemnification provision in this Agreement, the word "expenses" shall mean out-of-pocket expenses, and shall not include any allocations of internal salaries and other expenses. Whenever the words "included", "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation". Whenever the word "material" is used in this Agreement (except when used with respect to the Purchaser), it shall mean material to the business or financial condition of the Division. Whenever the phrase "reasonably likely to be adversely determined" is used in this Agreement, it shall not require a determination that it is more likely than not. Whenever reference is made to "knowledge" of Seller, it shall mean the actual knowledge of the Persons named on Schedule 8.2. Any matter set forth in any Schedule shall be deemed set forth in all other Schedules to the extent relevant.

SECTION 8.3. Survival of Representations. The representations and

warranties contained in this Agreement and in any document delivered in connection herewith shall survive the Closing solely for purposes of Article VII and shall terminate at the close of business one year following the Closing Date; provided, that the representations and

warranties contained in Section 3.1(p) shall terminate at the close of business three years following the Closing Date and the representations and warranties in Section 3.1(q) shall not survive the Closing.

SECTION 8.4. Severability. If any provision of this Agreement (or

any portion thereof) or the application of any such provision (or any portion thereof) to any Person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof (or the remaining portion thereof) or the application of such provision to any other persons or circumstances.

SECTION 8.5. Counterparts. This Agreement may be executed in two or

more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered (including by telecopy) to the other party.

SECTION 8.6. Entire Agreement; No Third Party Beneficiaries. This

Agreement and the Confidentiality Agreement (a) constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter

hereof and (b) except as provided in Section 1.3(a) and Article VII, are not intended to confer upon any Person other than the parties hereto (and the Selling Subsidiaries) and their successors and permitted assigns any rights or remedies hereunder.

SECTION 8.7. Governing Law. This Agreement shall be governed by, and

construed in accordance with, the laws of the State of New York applicable to contracts made and to be performed entirely in the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

SECTION 8.8. Consent to Jurisdiction. Each of Purchaser and Seller

irrevocably submits to the non-exclusive jurisdiction of (a) the Supreme Court of the State of New York, New York County, and (b) the United States District Court for the Southern District of New York located in the Borough of Manhattan in the City of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement or any transaction contemplated hereby. Each of Purchaser and Seller further agrees that service of any process, summons, notice or document by U.S. registered mail to such party's respective address set forth in Section 8.1 shall be effective service of process for any action, suit or proceeding in New York with respect to any matters

to which it has submitted to jurisdiction as set forth above in the immediately preceding sentence. Each of Purchaser and Seller irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in (a) the Supreme Court of the State of New York, New York County, or (b) the United States District Court for the Southern District of New York, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

SECTION 8.9. Publicity. From the date of this Agreement through the

Closing, neither Seller, on the one hand, nor Purchaser, on the other hand, shall issue or cause the publication of any press release or other public announcement with respect to the transactions contemplated by this Agreement without the consent of the other party, which consent shall not be unreasonably withheld, except as such release or announcement may be required by law or the rules or regulations of a national securities exchange in the United States, in which case the party required to make the release or announcement shall allow the other party

reasonable time to comment on such release or announcement in advance of its issuance.

SECTION 8.10. Assignment. Neither this Agreement nor any of the

rights, interests or obligations hereunder (including any rights, interests or obligations under Article VII) shall be assigned by any party hereto without the prior written consent of the other party, except that Purchaser may assign to any wholly owned subsidiary of Purchaser the right to acquire part or all of the

business and assets of the Division hereunder; provided, however, that any such

assignment shall not release Purchaser from any obligation or liability
hereunder (including any right or obligation under Article VII). Subject to the
preceding

sentence, this Agreement will be binding upon, inure to the benefit of and be
enforceable by the parties and their respective successors and assigns.

IN WITNESS WHEREOF, Seller and Purchaser have caused this Agreement to
be signed by their respective officers thereunto duly authorized, all as of the
date first written above.

Ladies and Gentlemen:

Reference is made to the Asset Purchase Agreement dated as of January 3, 1996 (the "Asset Purchase Agreement") between WESTINGHOUSE ELECTRIC CORPORATION, a Pennsylvania corporation ("Seller"), and NORTHROP GRUMMAN CORPORATION, a Delaware Corporation ("Purchaser"). Seller and Purchaser (collectively, the "Parties") agree that, due to circumstances not foreseen at the time that the Asset Purchase Agreement was executed, certain provisions of the Asset Purchase Agreement require clarification or modification to reflect these unforeseen circumstances. Capitalized terms used herein without definition shall have the respective meanings set forth in the Asset Purchase Agreement.

Each of the Undersigned hereby agree that the Asset Purchase Agreement shall be construed, interpreted and deemed modified as follows:

A. DISABLED EMPLOYEES.

The Parties desire to clarify their respective responsibilities with respect to employees of the Division who are on disability leave. Accordingly,

1. The second sentence of Section 4.5(a) (i) of the Asset Purchase Agreement shall be deemed modified, in its entirety, to read as follows:

"Purchaser shall also honor any legal obligation of Sellers or Purchaser to re-employ any Division Employee and Center Employee who is not actively at work on the Closing Date due to leave of absence (not to include disability leave), military leave or layoff with recall rights (collectively, "Inactive Employees")."

2. Section 4.5(a) (i) of the Asset Purchase Agreement shall be deemed modified by adding the following provision at the end thereof, to read as follows:

"Any Division Employee or Center Employee who is on disability leave on the Closing Date shall first be offered the opportunity to become a Transferred Employee after the Closing Date, on the day that such Employee's disability leave terminates if such termination of disability leave occurs during the period of time the Purchaser must honor any legal obligation of Sellers or Purchaser to re-employ Division Employees and Center Employees who are not actively at work on the Closing Date. If such Employee's disability leave does not terminate within such time period, such Employee will remain an Employee of Sellers and not become a Transferred Employee."

3. Section 4.5(d) (iii) (B) of the Asset Purchase Agreement shall be deemed modified, in its entirety, to read as follows:

"(B) Purchaser shall be responsible for all disability income benefits payable in respect of periods on or after the Closing Date for Transferred Employees who become disabled on or after

the Closing Date. Seller shall be responsible for all disability income benefits until a Division or Center Employee becomes a Transferred Employee pursuant to Section 4.5(a)(i)."

B. 401(K) PLAN.

The Parties have determined (i) to have assets transferred from the Westinghouse Savings Program to Purchaser's 401(k) Plan in kind, rather than as contemplated by the Asset Purchase Agreement and (ii) to have Transferred Employees' account balances as of the Closing Date continue to be held under the Westinghouse Savings Program for a period of time after the Closing Date. Accordingly,

1. The second paragraph of Section 4.5(d)(ii) of the Asset Purchase Agreement shall be deemed modified, in its entirety, to read as follows:

"Upon receipt by Purchaser of a favorable determination letter to the effect that Purchaser's 401(k) Plan is qualified under Section 401(a) of the Code (or an opinion of Purchaser's counsel, reasonably satisfactory to Seller, to such effect), Sellers shall cause to be transferred from the Westinghouse Savings Program to Purchaser's 401(k) Plan assets having a fair market value or (in the case of the Fixed Income Fund, the book value) equal to the aggregate value of the account balances of the Transferred Employees in the Westinghouse Savings Program as of the date of transfer, and shall also transfer all qualified domestic relations orders, within the meaning of Section 414(p) of the Code. With respect to Division Employees and Center Employees who are on disability leave as of the date of transfer described in the preceding sentence, additional transfers from the Westinghouse Savings Program to the Purchaser's 401(k) Plan shall be made in accordance with the preceding sentence as soon as practicable following the respective dates on which such employees become Transferred Employees. Purchaser's 401(k) Plan shall provide for the receipt of such transfers. The transfers described in the preceding sentences of this paragraph shall be in (i) shares and partial shares of common stock of Seller to the extent of shares in the Westinghouse Common Stock Fund of the Westinghouse Savings Program applicable to Transferred Employees, (ii) a portion of the investments in the Fixed Income Fund of the Westinghouse Savings Program which replicate as closely as possible the yield and market value of that Fund and in shares and partial shares of each other mutual fund provided under the Westinghouse Savings Program, in each case to the extent of those funds

applicable to the Transferred Employees' accounts and (iii) the balance in notes evidencing loans to Transferred Employees from their account balances. Purchaser's 401(k) Plan shall maintain a Westinghouse common stock fund, in accordance with applicable law, for Transferred Employees who so elect, for a period of not less than five years following the Closing Date."

2. Section 4.5(d)(ii) shall be deemed further modified to add the following at the end thereof:

"Individuals who become Transferred Employees on the Closing, and individuals who become Transferred Employees after Closing and before December 31, 1996 (for example, because of a return from a disability leave of absence and subsequent employment by the Purchaser), shall be entitled to full and continuing access to all of the rights, benefits, features and services that they had as employees of Seller prior to Closing, with respect to participation in the Westinghouse Savings Program, but only with respect to their account balances as of February 29, 1996 (and any earnings or losses thereon after such date). Such full access shall continue, and the transfer of account balances provided for in the preceding paragraph shall occur, no later than December 31, 1996. The access described in this paragraph shall include, without limitation, the following services and features, each to be permitted or administered in accordance with the existing terms of the Westinghouse Savings Program (on the same basis provided from time to time to other participants in the Westinghouse

Savings Program):

1. In-service withdrawals;
2. Termination distributions, rollovers and trust-to-trust transfers;
3. Loan requests and processing;
4. Loan repayments via payroll deduction, or via manual check for participants on leave;
5. Dividend reinvestment in Westinghouse Stock Fund;
6. Daily fund transfers among all investment funds;
7. Participant statements as provided in the normal course;
8. Preparation of applicable Form 1099s, and tax withholdings and deposits;
9. Qualified domestic relations order (QDRO) administration to be provided at cost;
10. Tax lien administration;
11. Voting and tendering of Westinghouse stock in the Westinghouse Stock Fund;
12. Investment communications (as provided accompanying the participant statements);
13. All transactions or services, including any corrective action taken in the normal course, otherwise provided to active participants in the Westinghouse Savings Program either through the Benefits Access Center or the Bankers Trust Service Center (including the Bankers Trust voice response system), but only with respect to the account balances as of February 29, 1996 (and any earnings or losses thereon after such date), of those participants who become Transferred Employees at or after Closing;
14. Forfeitures shall accrue to the benefit of Purchaser to the extent permitted by applicable law."

C. REDUCTIONS-IN-FORCE.

After the execution of the Asset Purchase Agreement, the Parties concluded that several unanticipated employee transactions, specifically reductions in force, should be initiated prior to the Closing Date presently set for March 1, 1996. The Parties also recognized that, although these transactions are being initiated prior to the Closing Date, the transactions would not be completed until after the Closing Date due to certain legal restrictions. Because the reductions in force would straddle the Closing Date and were not contemplated nor set forth in the Asset Purchase Agreement, the Parties had to agree to the terms and conditions of the reductions in force before such actions could commence. The Parties have, in fact, agreed to the terms and conditions of the reductions in force and wish to reduce such terms and conditions to writing and deem the Asset Purchase Agreement modified to reflect such agreement. Pursuant to such agreement between the Parties, two reductions in force have been announced and initiated. One reduction in force involves the Baltimore location within the Division; it was announced, and the employees affected were notified, on January 29, 1996 and involves approximately 200 employees. The other reduction in force involves the Naval Systems group within the Division; it was announced, and the employees affected were notified, on February 1, 1996 and involves approximately 60 employees. Accordingly,

1. Section 4.5 of the Asset Purchase Agreement is hereby deemed modified by adding a new Subsection 4.5(1) at the end thereof, to read as follows:

- "(1) Reductions in Force. Notwithstanding the foregoing provisions of -----
- this Section 4.5, Seller and Purchaser agree that the following terms and conditions will govern any reductions in force which are initiated after the signature date of the Agreement (January 3, 1996) and before the Closing Date;
- (i) The employee benefits which Purchaser will provide to the affected Division Employees ("RIF Employees") will

be identical to the employee benefits which would have been provided by Seller had the

termination of employment occurred on the date of the announcement/notification of the reduction in force;

- (ii) Purchaser shall be solely responsible for the cost of all benefits provided to the RIF Employees;
- (iii) The RIF Employees shall be treated as Transferred Employees for all purposes pursuant to this Section 4.5 even if the Closing Date occurs after March 1, 1996 and the actual termination of employment occurs before the Closing Date; and
- (iv) To the extent consistent with applicable law, the 414(1) Amount described in Section 4.5(d)(i) above shall be computed on the basis that the Transferred Benefits obligation includes all liabilities associated with the RIF Employees regardless of when they terminate employment.

This Letter Agreement is not intended to confer upon any person other than the Parties and their successors and permitted assigns any rights or remedies hereunder.

From time to time upon request and without further consideration, each of the Parties hereto shall, and shall cause their subsidiaries and affiliates to, execute, deliver and acknowledge any all such further documents and instruments and do such further acts as any other of the Parties hereto may reasonably require to evidence or effectuate more effectively the terms of and intent of the Parties contemplated by this Letter Agreement.

This Letter Agreement, which may be executed in two or more counterparts, each of which shall be considered one and the same agreement, shall be governed by, and construed in accordance with, the laws of the State

of New York applicable to contracts made and to be performed entirely in the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

February 29, 1996

Northrop Grumman Corporation
1840 Century Park East
Los Angeles, CA 90067

Ladies and Gentlemen:

Reference is made to the Asset Purchase Agreement dated as of January 3, 1996 (the "Asset Purchase Agreement") between Westinghouse Electric Corporation ("Seller") and Northrop Grumman Corporation ("Purchaser"). Capitalized terms used herein without definition shall have the respective meanings set forth in the Asset Purchase Agreement. Each of the undersigned hereby agree to the following with respect to the Asset Purchase Agreement:

1. Determinations. The determinations pursuant to Section 2.3(a)

of the Asset Purchase Agreement of the Closing Balance Sheet, the Closing Statement of Working Capital, the Restructuring Amount and the Norden Amount shall each be as of 11:59 p.m. on February 29, 1996, rather than the close of business on the Closing Date. References to the Closing Date in Sections 2.3(d) and (e) of the Asset Purchase Agreement shall be deemed to be references to 11:59 p.m. on February 29, 1996. Seller agrees that pursuant to Section 1.2(a) of the Asset Purchase Agreement all assets set forth on the Closing Balance Sheet shall be Acquired Assets, including any proceeds of such assets received between 11:59 p.m. on February 29, 1996 and the Closing.

2. Allocations. The Allocation Statement referenced in Section

4.14(a) of the Asset Purchase Agreement shall be agreed upon between Purchaser and Seller within 60 days following the Closing.

3. Shared Claims; Insurance Administration. (a) To the extent

necessary or advisable following the Closing, Purchaser and Seller shall negotiate in good faith and enter into one or more agreements governing defense of Shared Claims on the terms set forth in Section 7.10(b) of the Asset Purchase Agreement and such additional terms as shall be mutually agreeable.

(b) Purchaser and Seller have agreed to waive the provisions of Section 4.19 of the Asset Purchase Agreement to the extent relating to entering into an Insurance Administration Agreement prior to Closing, it being agreed that the remainder of the purposes and intent of such Section 4.19 shall remain in full force and effect.

4.1 Delayed Transfer. (a) Notwithstanding the provisions of

Articles I and II of the Asset Purchase Agreement, the Acquired Assets located at or constituting the Premises set forth on Schedule A attached hereto (such Premises, the "Delayed Premises" and such Acquired Assets, the "Delayed Assets") shall not be sold, assigned, transferred, conveyed or delivered to Purchaser on the Closing Date. The Delayed Assets shall be sold, assigned, transferred, conveyed and delivered to Purchaser (or its designee(s)) on such date or dates as shall be no earlier than 30 days from the date of written notice from Purchaser to Seller that Purchaser (or its designee) is legally able, under applicable law,

to accept Sellers' right, title and interest in, to and under the Delayed Assets (any such date, a "Delayed Asset Transfer Date"). Purchaser shall be entitled to deliver separate notices for each of the locations listed on Schedule A in which event there shall be a separate Delayed Asset Transfer Date for each such location. Purchaser agrees to deliver any and all such notices no later than 120 days following the Closing Date. In the event that Purchaser shall fail to deliver any such notice within such time period, Sellers shall have no further obligations to Purchaser in respect of the Delayed Assets which are the subject of such failure and Sellers shall be entitled to dispose of any such Delayed Assets in any manner whatsoever.

(b) Notwithstanding the provisions of Section 4.5 of the Asset Purchase Agreement to the contrary, Division Employees whose principal place of employment is at one of the Delayed Premises ("Delayed Transferred Employees") will continue on Seller's (or a Subsidiary's) payroll and will continue to participate in each of Seller's (or the applicable Subsidiary's) employee benefit plans in which they are currently participating until the applicable Delayed Asset Transfer Date. Purchaser will offer employment with comparable wages and benefits on the applicable Delayed Asset Transfer Date to each such Delayed Transferred Employee then in employment with Sellers, and on and as of the applicable Delayed Asset Transfer Date each such Delayed Transferred Employee will become a Transferred Employee for all purposes of the Asset Purchase Agreement. Purchaser will promptly reimburse Seller for 100% of the payroll, benefits (including statutory benefits, severance and other termination benefits) and other costs and expenses directly or indirectly relating to Delayed Transferred Employees within 30 days following receipt of each written notification from Seller of such payroll, benefits and other costs and expenses.

(c) Notwithstanding the provisions of Articles I and II of the Asset Purchase Agreement, the Acquired Assets constituting the Investments of Sellers in Westinghouse Gulf, West*Quest Limited Partnership and West*Quest II Limited Partnership (such Acquired Assets, the "Delayed Investments") shall not be sold, assigned, transferred, conveyed or delivered to Purchaser on the Closing Date. The Delayed Investments shall be sold, assigned, transferred, conveyed and delivered to Purchaser (or its designee(s)) upon receipt of any consents necessary as a condition to such

sale, assignment, transfer, conveyance or delivery.

4.2 Operation of Delayed Assets. (a) With respect to the Delayed

Assets at each of the locations listed on Schedule A, until the applicable Delayed Asset Transfer Date (or, the termination of Seller's obligations pursuant to the last sentence of Section 4.1(a)), Seller or one or more of its Subsidiaries shall continue to conduct the business of the Division at the Delayed Premises as agent of, and on behalf of, and at the expense of, Purchaser, pursuant to the Transitional Services Agreement referenced in Section 4.16(a) of the Asset Purchase Agreement; provided, that the

Delayed Transferred Employees shall be under the supervision and control of Purchaser.

2

(b) Seller and its Subsidiaries and affiliates shall not be liable, whether in contract, in tort (including, without limitation, negligence and strict liability) or otherwise, for any direct, special, indirect, incidental, consequential or other damages whatsoever which in any way arise out of, relate to, or are a consequence of, its performance or nonperformance hereunder, or the ownership or holding of the Delayed Assets, the occupancy of the Delayed Premises, the employment of (and severance and other termination benefit obligations in respect of) the Delayed Transferred Employees or the operation of the business of the Division at the Delayed Premises after the Closing, including, without limitation, loss of profits, business interruptions and claims of customers.

(c) Purchaser hereby releases Sellers, their affiliates and their respective officers, directors, employees, stockholders, agents and representatives (the "Seller Indemnitees") and agrees to indemnify the Seller Indemnitees against and hold them harmless from, any loss, liability, claim, damage or expense (including, without limitation, reasonable legal fees and expenses) as incurred, arising from, relating to or otherwise in respect of (A) the delayed transfer pursuant to Section 4.1 hereof and (B) the occupancy of the Delayed Premises, the employment of (and severance and other termination benefit obligations in respect of) the Delayed Transferred Employees and the operation of the business of the Division at the Delayed Premises after the Closing pursuant to this Section 4.2 (including the acts or omissions of any employee at the Delayed Premises).

5. Center Employees. Purchaser and Seller hereby agree that

Schedule B attached hereto sets forth the name of each Center Employee.

6. Limited Use of Westinghouse Name. Notwithstanding anything to

the contrary in the Asset Purchase Agreement, from and after the Closing:

(a) Purchaser shall be permitted to use Seller's name and logo (including, without limitation, on invoices and letterhead), as reasonably necessary, with respect to any Contract included in the Acquired Assets until such time as all novations, consents, approvals or waivers contemplated by Section 4.4 of the Asset Purchase Agreement have been obtained;

(b) Purchaser may use, or cause to be used, on business stationary of the Division and business cards of employees of the Division the phrase "... acquired from, and formerly known as, the Westinghouse Electronic Systems Group," until December 31, 1996; and

(c) Seller hereby assigns to Purchaser those CAGE Codes currently used by the Division.

7. Schedule 4.14. Purchaser and Seller hereby agree that a revised

Schedule 4.14 to the Asset Purchase Agreement, replacing the existing Schedule 4.14, is attached hereto.

8. Clarification of Excluded Assets. Purchaser and Seller hereby

agree that Micros Systems shall be an Excluded Asset and shall be deemed included on Schedule 1.2(b) to the Asset Purchase Agreement.

9. Further Assurances. From time to time upon the request of either

party, each of Purchaser and Seller shall, and shall cause their respective Subsidiaries and affiliates to, execute, deliver and acknowledge any and all such further documents and instruments and do such further acts and things as the other party hereto may reasonably request to evidence or effectuate more effectively the terms of and intent of the parties contemplated by this Letter Agreement.

4

This Letter Agreement, which may be executed in two or more counterparts, all of which shall be considered one and the same agreement, shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts made and to be performed entirely in the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

Please acknowledge your agreement with the foregoing by signing in the space provided below.

(c) (i) Each Bank may submit a Competitive Bid Quote containing an offer to make a Competitive Bid Loan in response to any Competitive Bid Quote Request; provided that, if the Company's request under Section 2.03(b) hereof

specified more than one Interest Period and/or Type of Competitive Bid Loan, such Bank may make a single submission containing a separate offer for each such Interest Period and for each such Type and each such separate offer shall be deemed to be a separate Competitive Bid Quote. Each Competitive Bid Quote must be submitted to the Administrative Agent not later than (x) 2:00 p.m. New York time on the fourth Business Day prior to the proposed date of borrowing, in the case of a LIBOR Auction or (y) 10:00 a.m. New York time on the Quotation Date, in the case of a Set Rate Auction (or, in any such case, such other time and date as the Company and the Administrative Agent, with the consent of the Majority Banks, may agree with notice by the Administrative Agent to the Banks of such agreement); provided that any Competitive Bid Quote submitted by Chase

(or its Applicable Lending Office) may be submitted, and may only be submitted,

if Chase (or such Applicable Lending Office) notifies the Company of the terms of the offer contained therein not later than (x) 1:00 p.m. New York time on the fourth Business Day prior to the proposed date of borrowing, in the case of a LIBOR Auction or (y) 9:45 a.m. New York time on the Quotation Date, in the case of a Set Rate Auction. Subject to Sections 5.02(b), 5.03, 6.02 and 9 hereof, any Competitive Bid Quote so made shall be irrevocable except with the written consent of the Administrative Agent given on the instructions of the Company.

(ii) Each Competitive Bid Quote shall specify:

(A) the proposed date of borrowing and the Interest Period therefor;

Credit Agreement

- 35 -

(B) the principal amount of the Competitive Bid Loan for which each such offer is being made, which principal amount (x) may be greater than or less than the unused Revolving Credit Commitment of the quoting Bank, (y) shall be \$10,000,000 or an integral multiple of \$5,000,000 in excess thereof and (z) may not exceed the principal amount of the Competitive Bid Borrowing for which offers were requested;

(C) in the case of a LIBOR Auction, the margin above or below the applicable LIBO Rate (the "Competitive Bid Margin") offered for -----
each such Competitive Bid Loan, expressed as a percentage (rounded upwards, if necessary, to the nearest 1/10,000th of 1%) to be added to or subtracted from the applicable LIBO Rate;

(D) in the case of a Set Rate Auction, the rate of interest per annum (rounded upwards, if necessary, to the nearest 1/10,000th of 1%) (the "Competitive Bid Rate") offered for each such Competitive Bid -----
Loan; and

(E) the identity of the quoting Bank.

No Competitive Bid Quote shall contain qualifying, conditional or similar language or propose terms other than or in addition to those set forth in the applicable Competitive Bid Quote Request and, in particular, no Competitive Bid Quote may be conditioned upon acceptance by the Company of all (or some specified minimum) of the principal amount of the Competitive Bid Loan for which such Competitive Bid Quote is being made; provided that the submission by any -----

Bank containing more than one Competitive Bid Quote may be conditioned on offers contained in such submission not being accepted to the extent that it would result in such Bank making Competitive Bid Loans pursuant thereto in excess of a specified aggregate amount (the "Competitive Bid Loan Limit").

(d) The Administrative Agent shall (x) in the case of a Set Rate Auction, as promptly as practicable after the Competitive Bid Quote is submitted (but in any event not later than 10:15 a.m. New York time) or (y) in the case of a LIBOR Auction, by 4:00 p.m. New York time on the day a Competitive Bid Quote is submitted, notify the Company of the terms (i) of any Competitive Bid Quote submitted by a Bank that is in accordance with Section 2.03(c) hereof and (ii) of any Competitive Bid Quote that amends, modifies or is otherwise inconsistent with a previous Competitive Bid Quote submitted by such Bank with respect to the same Competitive Bid Quote Request. Any such subsequent Competitive Bid Quote shall be disregarded by the Administrative Agent unless such subsequent Competitive Bid Quote is submitted solely to correct a manifest error in such

Credit Agreement

former Competitive Bid Quote. The Administrative Agent's notice to the Company shall specify (A) the aggregate principal amount of the Competitive Bid Borrowing for which offers have been received and (B) the respective principal amounts and Competitive Bid Margins or Competitive Bid Rates, as the case may be, so offered by each Bank (identifying the Bank that made each Competitive Bid Quote).

(e) Not later than (x) 11:00 a.m. New York time on the third Business Day prior to the proposed date of borrowing, in the case of a LIBOR Auction or (y) 11:00 a.m. New York time on the Quotation Date, in the case of a Set Rate Auction (or, in any such case, such other time and date as the Company and the Administrative Agent, with the consent of the Majority Banks, may agree with notice by the Administrative Agent to the Banks of such agreement), the Company shall notify the Administrative Agent of its acceptance or nonacceptance of the offers so notified to it pursuant to Section 2.03(d) hereof (and the failure by the Company to notify the Administrative Agent of its acceptance of an offer as provided above shall be deemed to be nonacceptance by the Company of such offer), and the Administrative Agent shall promptly notify each affected Bank. In the case of acceptance, such notice by the Administrative Agent shall specify the aggregate principal amount of offers for each Interest Period that are accepted and the lowest and highest Competitive Bid Margins and Competitive Bid Rates that were accepted for each Interest Period. The Company may accept any Competitive Bid Quote in whole or in part (provided that any Competitive Bid

Quote accepted in part from any Bank shall be \$10,000,000 or an integral multiple of \$5,000,000 in excess thereof); provided that:

(i) the aggregate principal amount of each Competitive Bid Borrowing may not exceed the applicable amount set forth in the related Competitive Bid Quote Request;

(ii) the aggregate principal amount of each Competitive Bid Borrowing shall be \$10,000,000 or an integral multiple of \$5,000,000 in excess thereof, but shall not cause the limits specified in Section 2.03(a) hereof to be violated;

(iii) acceptance of offers may only be made in ascending order of Competitive Bid Margins or Competitive Bid Rates, as the case may be, in each case beginning with the lowest rates so offered;

(iv) the Company may not accept any offer if the Administrative Agent has advised the Company that such offer fails to comply with Section 2.03(c)(ii) hereof or otherwise fails to comply with the requirements of this Agreement (including, without limitation, Section 2.03(a) hereof); and

Credit Agreement

(v) the aggregate principal amount of each Competitive Bid Borrowing from any Bank may not exceed any applicable Competitive Bid Loan Limit of such Bank.

If offers are made by two or more Banks with the same Competitive Bid Margins or Competitive Bid Rates, as the case may be, for a greater aggregate principal amount than the amount in respect of which offers are permitted to be accepted for the related Interest Period, the principal amount of Competitive Bid Loans in respect of which such offers are accepted shall be allocated by the Company among such Banks as nearly as possible (in integral multiples of \$5,000,000) in proportion to the aggregate principal amount of such offers. Determinations by

the Company of the amounts of Competitive Bid Loans shall be conclusive in the absence of manifest error.

(f) Any Bank whose offer to make any Competitive Bid Loan has been accepted shall, not later than 1:00 p.m. New York time on the date specified for the making of such Loan, make the amount of such Loan available to the Administrative Agent at the Principal Office in immediately available funds. The amount so received by the Administrative Agent shall, subject to the terms and conditions of this Agreement, be made available to the Company on such date by depositing the same, in immediately available funds, in an account of the Company maintained with Chase at the Principal Office designated by the Company.

(g) Except for the purpose and to the extent expressly stated in Section 2.04(a) hereof, the amount of any Competitive Bid Loan made by any Bank shall not constitute a utilization of such Bank's Revolving Credit Commitment.

2.04 Changes of Commitments.

(a) Voluntary Reduction of Commitments. The Company shall have the

right to terminate or reduce the unused amount of the Commitments (solely for which purpose the amount of any Competitive Bid Borrowing and outstanding Swingline Loans shall be deemed to be a pro rata (based upon Commitments) utilization of each Revolving Credit Bank's Revolving Credit Commitment) at any time or from time to time upon not less than three Business Days' prior notice to the Administrative Agent (which shall promptly notify the Banks) of each such termination or reduction, which notice shall specify the effective date thereof and the amount of any such reduction (which shall be \$25,000,000 or an integral multiple of \$5,000,000 in excess thereof) and shall be irrevocable and effective only upon receipt by the Administrative Agent; provided that (i) the aggregate

amount of the Revolving Credit Commitments shall at no time be less than the amount of the Swingline Commitment as then in effect and (ii) the aggregate

Credit Agreement

- 38 -

amount of the Revolving Credit Commitments shall at no time be less than the aggregate unpaid principal amount of all Revolving Loans, Swingline Loans and Competitive Bid Loans.

(b) Termination of Commitments. The Revolving Credit Commitments and

the Swingline Commitment shall terminate on the Revolving Commitment Termination Date and the Series I Term Loan Commitments and the Series II Term Loan Commitments shall terminate on the Term Loan Commitment Termination Date.

(c) Reduction of Swingline Commitment. The Company shall have the

right to terminate or reduce the unused amount of the Swingline Commitment at any time or from time to time upon not less than three Business Days' prior notice to the Administrative Agent (which shall promptly notify the Swingline Bank and each Bank) of each such termination or reduction, which notice shall specify the effective date thereof and the amount of any such reduction (which shall be at least \$25,000,000 and in integral multiples of \$5,000,000) and shall be irrevocable and effective only upon receipt by the Administrative Agent; provided that the Swingline Commitment shall at no time be less than the

aggregate unpaid principal amount of the Swingline Loans.

(d) No Reinstatement. The Commitments and the Swingline Commitment

once terminated or reduced may not be reinstated.

(e) Bank Replacement. If any Bank requests compensation pursuant to

Section 5.01 hereof (other than compensation requested under Section 5.01(e) hereof), the Company may, so long as no Default shall have occurred and be continuing, require that such Bank transfer all or a portion of its rights and obligations (including, without limitation, its Loans and Commitments) as a "Bank" under this Agreement and such Bank's Notes to one or more banks (such bank or banks being herein referred to as the "Replacement Bank(s)") identified

by the Company in a notice (the "Replacement Notice") to the Administrative

Agent (which shall promptly notify the affected Bank) specifying the date on which such transfer is to occur and whether all or a portion of said rights and obligations are proposed to be transferred, which notice shall be given not less than 10 Business Days prior to the date on which such transfer is to occur; provided that no such transfer shall be made unless (i) the Administrative Agent

shall have consented to the identity of the Replacement Bank(s), which consent shall not be unreasonably withheld or delayed, (ii) the aggregate amount of compensation that would be requested by the Replacement Bank(s) under Section 5.01 hereof would be less than the aggregate amount of compensation requested by the affected Bank in respect of the rights and obligations proposed to be transferred, (iii) the Commitments proposed to be transferred to the Replacement

Credit Agreement

- 39 -

Bank(s), together with the aggregate amount of the Commitments transferred pursuant to this Section 2.04(e) during the preceding period of 12 months shall not exceed 17.5% of the aggregate amount of the Commitments as in effect on the date of the proposed transfer and (iv) the amount of the Commitments proposed to be transferred to any Replacement Bank shall be at least \$10,000,000 (or, if less than \$10,000,000, the entire Commitments of the affected Bank). On the date of any transfer permitted under this Section 2.04(e), (x) the affected Bank shall sell, assign and transfer to the Replacement Bank(s), and the Replacement Bank(s) shall acquire and assume from the affected Bank, all (or the lesser portion specified in the Replacement Notice) of the rights and obligations of the affected Bank as a "Bank" under this Agreement and under the affected Bank's Notes (collectively, the "Transferred Interest") and (y) the Company and/or the

Replacement Bank(s) shall pay to the affected Bank an amount equal to all principal, interest, fees and other amounts then owing under this Agreement and the affected Bank's Notes in respect of the Transferred Interest (including, without limitation, any amounts which would be payable in respect of the Transferred Interest under Sections 5.01 and 5.05 hereof as if the affected Bank's Loans were being prepaid in full on such date), whereupon the Replacement Bank(s) shall become "Bank(s)" for all purposes of this Agreement having all the rights and obligations, including, without limitation, Commitment(s), under this Agreement of "Bank(s)" holding the Transferred Interest, and the obligations of the affected Bank in respect of the Transferred Interest (including, if such Bank is the Swingline Bank, its Swingline Commitment) shall terminate (provided

that the obligations of the Company under Sections 5.01, 5.05 and 11.03 hereof to the affected Bank in respect of the Transferred Interest shall survive such transfer as provided in Section 11.07 hereof). If the Commitments of any Bank that is a Reference Bank (or whose Applicable Lending Office is a Reference Bank, as the case may be) shall terminate (other than pursuant to Section 9 hereof), such Reference Bank shall thereupon cease to be a Reference Bank and, if as a result of the foregoing, there shall be only two Reference Banks remaining, then the Administrative Agent (after consultation with the Company) shall, by notice to the Company and the Banks, designate another Bank as a Reference Bank.

2.05 Fees.

(a) The Company shall pay to the Administrative Agent for account of each Term Loan Bank a commitment fee on the daily average unused amount of such Bank's Term Loan Commitment for the period from and including the Restatement Date to but excluding the earlier of the date such Term Loan Commitment is terminated or the Term Loan Commitment Termination Date at a rate equal to 0.375% per annum. Accrued commitment fee shall be payable on the earlier of the date the Term Loan Commitments are terminated or the Term Loan Commitment Termination Date.

(b) The Company shall pay to the Administrative Agent for account of each Revolving Credit Bank a facility fee on the daily average amount of such Bank's Revolving Credit Commitment (whether or not utilized) for the period from and including the Restatement Date to but excluding the earlier of the date such Commitment is terminated or the Revolving Commitment Termination Date at a rate per annum equal to the Applicable Facility Fee Rate. Accrued facility fee shall be payable on each Quarterly Date and on the earlier of the date the Revolving Credit Commitments are terminated or the Revolving Commitment Termination Date.

(c) The Company shall pay to the Administrative Agent for the Administrative Agent's account a fee of \$3,000 for each Competitive Bid Quote Request (for which purpose multiple Competitive Bid Quote Requests contained in a single request shall be deemed to be a single Competitive Bid Quote Request notwithstanding the provisions of the second sentence of Section 2.03(b) hereof), such fees to be payable in arrears on the last Business Day of each month.

2.06 Lending Offices. The Loans of each Type made by each Bank shall

be made and maintained at such Bank's Applicable Lending Office for Loans of such Type. The Swingline Loans shall be made and maintained at the Applicable Lending Office of the Swingline Bank for Swingline Loans.

2.07 Several Obligations; Remedies Independent. The failure of any

Bank to make any Loan to be made by it on the date specified therefor shall not relieve any other Bank of its obligation to make any Loan to be made by such other Bank on such date, but no Bank shall be responsible for the failure of any other Bank to make a Loan to be made by such other Bank. The amounts payable by the Company at any time hereunder and under the Notes to each Bank shall be a separate and independent debt and each Bank shall be entitled to protect and enforce its rights arising out of this Agreement and the Notes, and it shall not be necessary for any other Bank or the Administrative Agent to

Credit Agreement

consent to, or be joined as an additional party in, any proceedings for such purposes.

2.08 Notes.

(a) The Syndicated Loans made by each Bank shall be evidenced (i) if Series I Term Loans, by a single promissory note of the Company in substantially the form of Exhibit A-1 hereto, dated the Restatement Date, payable to such Bank in a principal amount equal to its Series I Term Loan Commitment and otherwise duly completed (each a "Series I Term Note" and collectively the "Series I Term Notes"), (ii) if Series II Term Loans, by a single promissory note of the

Notes, the "Term Notes") and (iii) if Revolving Loans, by a single promissory

note of the Company substantially in the form of Exhibit A-3 hereto, dated the Restatement Date, payable to such Bank in a principal amount equal to its Revolving Credit Commitment as originally in effect and otherwise duly completed (each a "Revolving Note" and collectively the "Revolving Notes"). The date,

amount, Type and interest rate of each Series I Term Loan, each Series II Term Loan and each Revolving Loan made by each Bank, and all payments made on account of the principal thereof, shall be recorded by such Bank on its books and, prior to any transfer of the Note evidencing the same, endorsed by such Bank on the schedule attached to such Note or any continuation thereof; provided that the

failure by such Bank to make such recordation or endorsement shall not relieve the Company of any of its obligations hereunder or under such Note.

(b) The Competitive Bid Loans made by each Bank shall be evidenced by a single promissory note of the Company in substantially the form of Exhibit A-4 hereto, dated the Restatement Date, payable to such Bank and otherwise duly completed. The date, amount, Type, interest rate and maturity date of each Competitive Bid Loan made by any Bank, and all payments made on account of the principal thereof, shall be recorded by such Bank on its books and, prior to any transfer of such Note held by it, endorsed by such Bank on the schedule attached to such Note or any continuation thereof; provided that the failure by such Bank

The date and amount of each Swingline Loan and each payment made on account of the principal thereof, shall be recorded by the Swingline Bank on its books and, prior to any transfer of its Swingline Note, endorsed by the Swingline Bank on the schedule attached to the Swingline Note or any continuation thereof; provided that the failure by the Swingline Bank to make any such recordation or endorsement shall not affect any of the obligations of the Company hereunder or under the Swingline Note.

(d) No Note may be subdivided, by exchange for promissory notes of lesser denominations or otherwise, except in connection with a permitted assignment of all or any portion of such Bank's Commitments, Loans and Notes pursuant to Sections 11.06(b) and 11.06(f) hereof. The Swingline Note may not be subdivided, by exchange for promissory notes of lesser denominations or otherwise, except in connection with an assignment permitted pursuant to Section 11.06(c) hereof of all or any portion of the Swingline Bank's Swingline Commitment, the Swingline Loans and the Swingline Note.

2.09 Optional Prepayments and Conversions or Continuations of Loans.

Subject to Sections 4.06, 4.07 and 5.05 hereof, the Company shall have the right to prepay Syndicated Loans or Swingline Loans, or to Convert Syndicated Loans of

one Type into Syndicated Loans of another Type or Continue Syndicated Loans of one Type as Syndicated Loans of the same Type, at any time or from time to time, provided that: (a) the Company shall give the Administrative Agent notice of

each such prepayment, Conversion or Continuation as provided in Section 4.07 hereof (and, upon the date specified in any such notice of prepayment, the amount to be prepaid shall become due and payable hereunder); (b) Eurodollar Loans may be prepaid or Converted only on the last day of an Interest Period for such Loans; (c) Syndicated Loans may not be prepaid at any time that any Swingline Loan is outstanding and (d) prepayments of the Term Loans shall be applied first, to the then-remaining installments of the Series II Term Loans in

the direct order of their maturities and second, to the aggregate outstanding principal amount of the Series I Term Loans. No Competitive Bid Loan may be prepaid without the consent of the Bank holding such Competitive Bid Loan

(provided that this sentence shall not affect the Company's obligation to pay Loans pursuant to Section 9 hereof). Notwithstanding the foregoing, and without limiting the rights and remedies of the Banks under Section 9 hereof, in the event that any Event of Default specified in Section 9(a) or 9(b)(i) hereof shall have occurred and be continuing, the Administrative Agent may (and at the request of the Majority Banks shall) suspend the right of the Company to Convert any Syndicated Loan into a Eurodollar Loan, or

Credit Agreement

to obtain the consent of the Majority Banks pursuant to Section 8.09 hereof to any Disposition not otherwise permitted under Section 8.09 hereof, in the event of any Disposition made after the Amendment Effective Date while a Mandatory Prepayment Period is in effect (or, if after giving effect to any such Disposition, a Mandatory Prepayment Period would exist), (i) no later than five Business Days prior to the occurrence of such Disposition resulting in Net

Available Proceeds of \$5,000,000 or more, the Company will deliver to the Banks a statement, certified by a senior financial officer of the Company, in form and detail satisfactory to the Administrative Agent, of the aggregate amount of the Net Available Proceeds of such Disposition and (ii) the Company shall prepay the Term Loans in an aggregate amount equal to 100% of the Net Available Proceeds received from such Disposition (except that Net Available Proceeds consisting of Permitted Buyer Indebtedness need not be applied to such prepayment until the earlier of any payment or Disposition of such Permitted Buyer Indebtedness and then only to the extent of such payment or the Net Available Proceeds of such Disposition), such prepayment to be effected in each case in the manner and to the extent specified in paragraph (f) of this Section 2.10.

(e) Purchase Price Adjustments. During a Mandatory Prepayment

Period, the Company shall prepay the Term Loans in an aggregate amount equal to any purchase price adjustments received by the Company from the Seller under Section 2.3 of the Asset Purchase Agreement, such prepayment to be effected in the manner and to the extent specified in paragraph (f) of this Section 2.10; provided that the Company shall not be required to make such prepayment if such

adjustments aggregate less than \$10,000,000.

(f) Application.

(iii) If any such prepayment would obligate the Company to make a payment under Section 5.05 hereof, such prepayment may, so long as no Default shall have occurred and be continuing, be delayed until the earlier of (i) the last day of any then current Interest Period and (ii) 30 days after such prepayment would otherwise have to have been made.

2.11 Swingline Loans.

(a) The Swingline Bank hereby agrees, on the terms and conditions of this Agreement, to make loans ("Swingline Loans") to the Company in Dollars

Subject to the terms of this Agreement, the Company may borrow, repay and reborrow the amount of the Swingline Commitment by means of Base Rate Loans; provided that, unless the Swingline Bank shall otherwise agree, (i) Swingline Loans may not be borrowed more than ten (10) times per year and (ii) no Swingline Loans may be outstanding on the last day of any calendar quarter.

(b) The Company shall, not later than 2:00 p.m. New York time on the date on which the Company proposes to borrow a Swingline Loan, give the Administrative Agent (which shall promptly notify the Swingline Bank and the Banks) notice of such borrowing (a "Swingline Borrowing Notice"), which notice

Notes shall be made in Dollars, in immediately available funds, to the Administrative Agent at account number NYAO-DI-900-9-000002 maintained by the Administrative Agent with Chase at the Principal Office, not later than 1:00 p.m. New York time on the date on which such payment shall become due (each such payment made after such time on such due date to be deemed to have been made on the next succeeding Business Day). Any Bank or the Swingline Bank for whose account any such payment is to be made, may (but shall not be obligated to) debit the amount of any such payment which is not made by such time to any ordinary deposit account of the Company with such Bank or the Swingline Bank, as the case may be (with notice to the Company and the Administrative Agent provided that such Bank's failure to give such notice shall not affect the

validity of any such debit). The Company shall, at the time of making each payment under this Agreement or any Note for account of any Bank or the Swingline Bank, specify to the Administrative Agent the Loans or other amounts payable by the Company hereunder to which such payment is to be applied (and in the event that it fails to so specify, or if an Event of Default has occurred and is continuing, the Administrative Agent shall distribute such payment first

to the Swingline Bank (to the extent any amounts are then due and payable to the Swingline Bank on account of the Swingline Loans) and then to the Banks pro rata

(based on the amounts then due and payable hereunder to the Banks) and each Bank or the Swingline Bank, as the case may be, may apply the portion of such payment received by it to such amounts then due and payable hereunder to such Bank or the Swingline Bank, as the case may be, as such Bank or the Swingline Bank, as the case may be, may determine). Each payment received by the Administrative Agent under this Agreement or any Note for account of a Bank or the Swingline Bank shall be paid promptly to such Bank or the Swingline Bank, as the case may be, in immediately available funds, and, in the case of principal or interest on any Loan, for account of such Bank's or the Swingline Bank's, as the case may be, Applicable Lending Office for such Loan. If the due date of any payment under this Agreement or any Note would otherwise fall on a day which is not a Business Day such date shall be extended to the next succeeding Business Day, and interest shall be payable for any principal so extended for the period of such extension.

4.02 Pro Rata Treatment. Except to the extent otherwise provided

herein: (a) each borrowing of Syndicated Loans of a particular Class from the Banks under Section 2.01 hereof shall be made from the Banks, each payment of

Fees under Sections 2.05(a) and (b) hereof shall be made for account of the Banks, and each termination or reduction of the amount of the Commitments under Section 2.04 hereof shall be applied to the respective Commitments of the Banks, pro rata according to the amounts of their respective Commitments; (b) the making, Conversion and Continuation of Revolving Loans, Series I Term Loans and Series II Term Loans of a particular Type (other than Conversions provided for by Section 5.04 hereof) shall be made pro rata among the relevant Banks according to the amounts of their respective Revolving Credit, Series I Term Loan and Series II Term Loan Commitments (in the case of making of Loans) or their respective Revolving Credit, Series I Term

Credit Agreement

- 49 -

Loans and Series II Term Loans of a particular Type (other than Conversions provided for by Section 5.04 hereof) shall be made pro rata among the relevant Banks according to the amounts of their respective Revolving Credit, Series I Term Loan and Series II Term Loan Commitments (in the case of making of Loans) or their respective Revolving Credit, Series I Term Loan and Series II Term Loans (in the case of Conversions and Continuations of Loans); (c) except as otherwise provided in Section 5.04 hereof, Eurodollar Loans having the same Interest Period shall be allocated pro rata among the Banks according to the amounts of their respective Commitments; (d) each payment or prepayment of principal of Syndicated Loans of any Class and Type by the Company shall be made for account of the Banks pro rata in accordance with the respective unpaid principal amounts of the Syndicated Loans of such Class and Type held by the Banks; and (e) each payment of interest on Syndicated Loans of any Class and Type by the Company shall be made for account of the Banks pro rata in accordance with the amounts of interest on Syndicated Loans of such Class and Type due and payable to the respective Banks.

4.03 Computations. Interest on Competitive Bid Loans and Eurodollar

Loans, and Fees payable pursuant to Section 2.05 hereof, respectively, shall be computed on the basis of a year of 360 days and actual days elapsed (including the first day but excluding the last day) occurring in the period for which payable, and interest on Base Rate Loans shall be computed on the basis of a year of 365 or 366 days, as the case may be (or, for each day the interest on Base Rate Loans is calculated by reference to the Federal Funds Rate, on a year of 360 days), and actual days elapsed (including the first day but excluding the last day) occurring in the period for which payable.

4.04 Non-Receipt of Funds by the Administrative Agent. Unless the

Administrative Agent shall have been notified by a Bank or the Company (each, a "Payor") prior to the date on which the Payor is to make payment to the

Administrative Agent of (in the case of a Bank) the proceeds of a Loan to be made by it hereunder or (in the case of the Company) a payment to the Administrative Agent for account of one or more of the Banks hereunder (such payment being herein called the "Required Payment"), which notice shall be

effective upon receipt, that it does not intend to make the Required Payment to the Administrative Agent, the Administrative Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient(s) on such date; and, if the Payor has not in fact made the Required Payment to the Administrative Agent, the recipient(s) of such payment shall, on demand, repay to the Administrative Agent the amount so made available together with interest thereon in respect of each day

Credit Agreement

during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate per annum equal to the Federal Funds Rate for such day.

4.05 Sharing of Payments, Etc. The Company agrees that, in addition

to (and without limitation of) any right of set-off, bankers' lien or counterclaim a Bank or the Swingline Bank may otherwise have, each Bank and the Swingline Bank shall be entitled, at its option, to offset balances held by it or any of its affiliates at any of its respective offices for account of the Company, in Dollars or in any other currency, against any principal of or interest on any of such Bank's or the Swingline Bank's Loans, or any other amount payable to such Bank or the Swingline Bank (as the case may be) hereunder, which is not paid when due (regardless of whether such balances are then due to the Company), in which case it shall promptly notify the Company and the Administrative Agent thereof, provided that such Bank's or the Swingline

Bank's failure to give such notice shall not affect the validity thereof. If any Bank shall obtain payment of any principal of or interest on any Syndicated Loan of any Class owing to it by the Company, or in respect of its interest in any Swingline Loan, through the exercise of any right of set-off, bankers' lien or counterclaim or similar right or otherwise, and, as a result of such payment, such Bank shall have received a greater percentage of the principal of or interest on its Syndicated Loans of such Class, or in respect of its interest in any Swingline Loan, then due hereunder by the Company than the percentage received by any other Bank, it shall promptly purchase from such other Banks participations in (or, if and to the extent specified by such Bank, direct interests in) the Syndicated Loans of such Class or Swingline Loans, respectively, owing to such other Banks (or in interest due thereon, as the case may be) in such amounts, and make such other adjustments from time to time as shall be equitable, to the end that all the Banks shall share the benefit of such excess payment (net of any expenses which may be incurred by such Bank in obtaining or preserving such excess payment) pro rata in accordance with the unpaid principal and/or interest on the Syndicated Loans of such Class or Swingline Loans, respectively, owing to each of the Banks. To such end all the Banks shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored. The Company agrees that any Bank so purchasing such a participation (or direct interest) in the Syndicated Loans made by other Banks (or in interest due thereon, as the case may be) may exercise all rights of set-off, bankers' lien, counterclaim or similar rights with respect to such participation (or direct interest) as fully as if such Bank were a direct holder of Loans in the amount of such participation. Nothing contained herein shall require any Bank to exercise any such right of set-off, banker's lien or

Credit Agreement

counterclaim or shall affect the right of any Bank to exercise, and retain the benefits of exercising, any such right with respect to any other indebtedness or obligation of the Company. If under any applicable bankruptcy, insolvency or other similar law, any Bank receives a secured claim in lieu of a set-off to which this Section 4.05 applies, such Bank shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Banks entitled under this Section 4.05 to share in the benefits of any recovery on such secured claim.

4.06 Minimum Amounts. Except for mandatory prepayments pursuant to

Section 2.10 hereof and Conversions or prepayments made pursuant to Section 5.04 hereof, each borrowing, Conversion and partial prepayment of principal of Base Rate Loans shall be in an aggregate amount at least equal to \$10,000,000 or in integral multiples of \$1,000,000 in excess thereof and each borrowing,

Conversion and partial prepayment of principal of Eurodollar Loans shall be in an aggregate amount at least equal to \$25,000,000 or in integral multiples of \$5,000,000 in excess thereof (borrowings, Conversions and prepayments of or into Loans of different Types or, in the case of Eurodollar Loans, having different Interest Periods at the same time hereunder to be deemed separate borrowings, Conversions and prepayments for purposes of the foregoing, one for each Type or Interest Period). Anything in this Agreement to the contrary notwithstanding, the aggregate principal amount of Eurodollar Loans having the same Interest Period shall be in an amount at least equal to \$25,000,000 or in integral multiples of \$1,000,000 in excess thereof and, if any Eurodollar Loans would otherwise be in a lesser principal amount for any period, such Loans shall be Base Rate Loans during such period.

4.07 Certain Notices. Except as otherwise provided in Section 2.03

 hereof with respect to Competitive Bid Loans, notices by the Company to the Administrative Agent of terminations or reductions of the Commitments, of borrowings, Conversions, Continuations and optional prepayments of Loans and of Classes of Loans, of Types of Loans and of the duration of Interest Periods shall be irrevocable and shall be effective only if received by the Administrative Agent not later than 11:00 a.m. New York time on the number of Business Days prior to the date of the relevant termination, reduction, Conversion, Continuation or prepayment or the first day of such Interest Period specified below:

Credit Agreement

Notice -----	Number of Business Days Prior -----
Termination or reduction of Commitments	3
Borrowing or prepayment of, or Conversions into, Base Rate Loans	1
Borrowing or optional prepayment of, Conversions into, Continuations as, or duration of Interest Period for, Eurodollar Loans	3

provided that, with respect to the Syndicated Loans made on the Amendment Effective Date, notice of the borrowing of, and the duration of Interest Periods for, Eurodollar Loans may be given prior to the Amendment Effective Date so long as the Company shall have indemnified the Banks on terms comparable to those contained in Section 5.05 hereof.

Each such notice of termination or reduction shall specify the amount and the Class of the Commitments to be terminated or reduced. Each such notice of borrowing, Conversion, Continuation or optional prepayment shall specify the Class of Loans to be borrowed, Converted, Continued or prepaid and the amount (subject to Section 4.06 hereof) and Type of each Loan to be borrowed, Converted, Continued or prepaid (and, in the case of a Conversion, the Type of Loan to result from such Conversion) and the date of borrowing, Conversion, Continuation or optional prepayment (which shall be a Business Day). Each such notice of the duration of an Interest Period shall specify the Loans to which such Interest Period is to relate. The Administrative Agent shall promptly notify the Banks of the contents of each such notice. In the event that the

Company fails to select the Type of Loan, or the duration of any Interest Period for any Eurodollar Loan, within the time period and otherwise as provided in this Section 4.07, such Loan (if outstanding as a Eurodollar Loan) will be automatically Converted into a Base Rate Loan on the last day of the then current Interest Period for such Loan or (if outstanding as a Base Rate Loan) will remain as, or (if not then outstanding) will be made as, a Base Rate Loan.

Section 5. Yield Protection and Illegality.

5.01 Additional Costs.

(a) The Company shall pay directly to each Bank from time to time such amounts as such Bank may determine to be necessary to compensate it for any costs which such Bank determines are attributable to its making or maintaining of any Fixed Rate Loans or its obligation to make any Fixed Rate Loans hereunder, or any reduction in any amount receivable by such Bank hereunder in respect of any of such Loans or such obligation (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"),

resulting from any Regulatory Change which: (i) changes the basis of taxation of any amounts payable to such Bank under this Agreement or its Notes in respect of any of such Loans (other than taxes imposed on the overall net income of such Bank or of its Applicable Lending Office for any of such Loans by the jurisdiction in which such Bank has its principal office or such Applicable Lending Office); or (ii) imposes or modifies any reserve, special deposit, minimum capital, capital ratio or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, such Bank (including any of such Loans or any deposits referred to in the definition of "Fixed Base Rate" in Section 1.01 hereof), or any Commitment of such Bank; or (iii) imposes any other condition affecting this Agreement or its Notes (or any of such extensions of credit or liabilities) or Commitment. Each Bank will designate a different Applicable Lending Office for the Loans of such Bank affected by such event if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the sole opinion of such Bank, be disadvantageous to such Bank, provided that such Bank

shall have no obligation to so designate an Applicable Lending Office located in the United States. If any Bank requests compensation from the Company under this Section 5.01(a), the Company may, by notice to such Bank (with a copy to the Administrative Agent), suspend the obligation of such Bank to make additional or Continue Loans of the Type with respect to which such compensation is requested, or to Convert Loans of any Type into Loans of such Type, until the Regulatory Change giving rise to such request ceases to be in effect (in which case the provisions of Section 5.04 hereof shall be applicable).

(b) Without limiting the effect of the provisions of Section 5.01(a) hereof, in the event that, by reason of any Regulatory Change, any Bank either (i) incurs Additional Costs based on or measured by the excess above a specified level of the amount of a category of deposits or other liabilities of such Bank which includes deposits by reference to which the interest rate on Eurodollar Loans is determined as provided in this

Credit Agreement

- 54 -

Agreement or a category of extensions of credit or other assets of such Bank which includes Eurodollar Loans or (ii) becomes subject to restrictions on the

amount of such a category of liabilities or assets which it may hold, then, if such Bank so elects by notice to the Company (with a copy to the Administrative Agent), the obligation of such Bank to make additional or Continue, or to Convert Loans of any other Type into, Loans of such Type hereunder shall be suspended until such Regulatory Change ceases to be in effect (in which case the provisions of Section 5.04 hereof shall be applicable).

(c) Without limiting the effect of the foregoing provisions of this Section 5.01 (but without duplication), the Company shall pay directly to each Bank from time to time on request such amounts as such Bank may determine to be necessary to compensate such Bank or any corporation controlling such Bank for any costs which such Bank determines are attributable to the maintenance by such Bank (or any Applicable Lending Office), pursuant to any law or regulation or any interpretation, directive or request (whether or not having the force of law) of any court or governmental or monetary authority (i) following any Regulatory Change or (ii) implementing any risk-based capital guideline or other requirement issued after the Restatement Date by any government or governmental authority implementing at the national level the Basle Accord (including, without limitation, the Final Risk-Based Capital Guidelines), of capital in respect of its Commitment (such compensation to include, without limitation, an amount equal to any reduction of the rate of return on assets or equity of such Bank (or any Applicable Lending Office) or any corporation controlling such Bank to a level below that which such Bank (or any Applicable Lending Office) or such corporation could have achieved but for such law, regulation, interpretation, directive or request). Each Bank will notify the Company that it is entitled to compensation pursuant to this Section 5.01(c) as promptly as practicable after it determines to request such compensation.

(d) Each Bank will furnish the Company with a certificate setting forth the basis, calculation and amount of each request by such Bank for compensation under paragraph (a), (c) or (e) of this Section 5.01. Notwithstanding anything in this Section 5.01 to the contrary, compensation with respect to any event entitling any Bank to compensation under paragraph (a) or (c) of this Section 5.01 shall be payable to such Bank only for costs incurred by such Bank from and after the date 30 days after the date that such Bank furnishes to the Company notice of its intention to request the payment of compensation with respect to such event. Determinations and allocations by any Bank for purposes of this Section 5.01 of the effect of any Regulatory Change pursuant to Section 5.01(a) or (b) hereof, or of the effect of capital maintained pursuant to Section 5.01(c) hereof,

Credit Agreement

on its costs or rate of return of maintaining Loans or its obligation to make Loans, or on amounts receivable by it in respect of Loans, and of the amounts required to compensate such Bank under this Section 5.01, shall be conclusive, provided that such determinations and allocations are made on a reasonable

basis.

(e) Without limiting the effect of the foregoing, the Company shall pay to each Bank on the last day of each Interest Period (or, if later, on the date of the notice provided for below) so long as such Bank is maintaining reserves against "Eurocurrency liabilities" under Regulation D (or, unless the provisions of paragraph (b) above are applicable, so long as such Bank is, by reason of any Regulatory Change, maintaining reserves against any other category of liabilities which includes deposits by reference to which the interest rate on Eurodollar Loans is determined as provided in this Agreement or against any category of extensions of credit or other assets of such Bank which includes any Eurodollar Loans) an additional amount (determined by such Bank and notified to the Company through the Administrative Agent within 45 days after the last day of such Interest Period) equal to the product of the following for each Eurodollar Loan for each day during such Interest Period:

(i) the principal amount of such Eurodollar Loan outstanding on such day; and

(ii) the remainder of (x) a fraction the numerator of which is the rate (expressed as a decimal) at which interest accrues on such Eurodollar Loan for such Interest Period as provided in this Agreement (less the Applicable Margin) and the denominator of which is one minus the effective

rate (expressed as a decimal) at which such reserve requirements are imposed on such Bank on such day minus (y) such numerator; and

(iii) 1/360.

5.02 Limitation on Types of Loans. Anything herein to the contrary

notwithstanding, if, on or prior to the determination of any Fixed Base Rate for any Interest Period:

(a) the Administrative Agent determines (which determination shall be conclusive) that quotations of interest rates for the relevant deposits referred to in the definition of "Fixed Base Rate" in Section 1.01 hereof are not being provided in the relevant amounts or for the relevant maturities for purposes of determining rates of interest for any Type of Fixed Rate Loans as provided herein; or

Credit Agreement

- 56 -

(b) the Majority Banks determine (or any Bank that has outstanding a Competitive Bid Quote with respect to a LIBOR Bid Loan determines), which determination shall be conclusive, and notify (or notifies, as the case may be) the Administrative Agent that the relevant rates of interest referred to in the definition of "Fixed Base Rate" in Section 1.01 hereof upon the basis of which the rate of interest for Eurodollar Loans (or LIBOR Bid Loans, as the case may be) for such Interest Period is to be determined are not likely adequately to cover the cost to such Banks (or to such quoting Bank) of making or maintaining such Type of Loans;

then the Administrative Agent shall give the Company and each Bank prompt notice thereof, and so long as such condition remains in effect, the Banks (or such quoting Bank) shall be under no obligation to make additional Loans of such Type.

5.03 Illegality. Notwithstanding any other provision of this

Agreement, in the event that it becomes unlawful for any Bank or its Applicable Lending Office to honor its obligation to make or maintain Eurodollar Loans and LIBOR Bid Loans hereunder, then such Bank shall promptly notify the Company thereof (with a copy to the Administrative Agent) and such Bank's obligation to make Eurodollar Loans shall be suspended until such time as such Bank may again make and maintain Eurodollar Loans (in which case the provisions of Section 5.04 hereof shall be applicable), and such Bank shall no longer be obligated to make any LIBOR Bid Loan that it has offered to make.

5.04 Base Rate Loans Pursuant to Sections 5.01 and 5.03. If the

obligation of any Bank to make Fixed Rate Loans shall be suspended pursuant to Section 5.01 or 5.03 hereof (Loans of such Type being herein called "Affected

Loans" and such Type being herein called the "Affected Type"), all Loans (other

than Competitive Bid Loans) which would otherwise be made by such Bank as Loans of the Affected Type shall be made instead as Base Rate Loans (and, if an event referred to in Section 5.01(b) or 5.03 hereof has occurred and such Bank so

requests by notice to the Company with a copy to the Administrative Agent, all Affected Loans of such Bank then outstanding shall be automatically Converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for Affected Loans (or, in the case of a Conversion required by Section 5.01(b) or 5.03 hereof, on such earlier date as such Bank may specify to the Company with a copy to the Administrative Agent)) and, unless and until such Bank gives notice as provided below that the circumstances specified in Section 5.01 or 5.03 hereof that gave rise to such Conversion no longer exist:

Credit Agreement

- 57 -

(a) to the extent that such Bank's Affected Loans have been so Converted, all payments and prepayments of principal that would otherwise be applied to such Bank's Affected Loans shall be applied instead to its Base Rate Loans; and

(b) all Loans that would otherwise be made or Continued by such Bank as Loans of the Affected Type shall be made or Continued instead as Base Rate Loans, and all Loans of such Bank that would otherwise be Converted into Loans of the Affected Type shall be Converted instead into (or shall remain as) Base Rate Loans.

If such Bank gives notice to the Company with a copy to the Administrative Agent that the circumstances specified in Section 5.01 or 5.03 hereof that gave rise to the Conversion of such Bank's Affected Loans pursuant to this Section 5.04 no longer exist (which such Bank agrees to do promptly upon such circumstances ceasing to exist) at a time when Loans of the Affected Type made by other Banks are outstanding, such Bank's Base Rate Loans shall be automatically Converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Loans of the Affected Type, to the extent necessary so that, after giving effect thereto, all Loans held by the Banks holding Loans of the Affected Type and by such Bank are held pro rata (as to principal amounts, Types and Interest Periods) in accordance with their respective Commitments.

5.05 Compensation. The Company shall pay to the Administrative Agent

for account of each Bank, upon the request of such Bank through the Administrative Agent, such amount or amounts as shall be sufficient (in the reasonable opinion of such Bank) to compensate it for any loss, cost or expense which such Bank determines is attributable to:

(a) any payment, mandatory or optional prepayment or Conversion of a Fixed Rate Loan or a Set Rate Loan for any reason (including, without limitation, under Section 5.04 hereof or by reason of the acceleration of the Loans pursuant to Section 9 hereof) on a date other than the last day of the Interest Period for such Loan; or

(b) any failure by the Company for any reason (including, without limitation, the failure of any of the conditions precedent specified in Section 6 hereof to be satisfied) to borrow a Fixed Rate Loan or a Set Rate Loan (with respect to which, in the case of a Competitive Bid Loan, the Company has accepted a Competitive Bid Quote) from such Bank on the date for such borrowing specified in the relevant notice of borrowing given pursuant to Section 2.02 or 2.03(b) hereof.

Credit Agreement

- 58 -

Without limiting the effect of the preceding sentence, such compensation shall include an amount equal to the excess, if any, of (i) the amount of interest which otherwise would have accrued on the principal amount so paid or Converted

or not borrowed for the period from the date of such payment, Conversion or failure to borrow to the last day of the Interest Period for such Loan (or, in the case of a failure to borrow, the Interest Period for such Loan which would have commenced on the date specified for such borrowing) at the applicable rate of interest for such Loan provided for herein over (ii) the interest component of the amount such Bank would have bid in the London interbank market (if such Loan is a Eurodollar Loan or a LIBOR Bid Loan) or the United States certificate of deposit market for issuance at face value of certificates of deposit (if such Loan is a Set Rate Loan) for Dollar deposits in amounts comparable to such principal amount and with maturities comparable to such period (as reasonably determined by such Bank).

7.04 No Breach. Except as expressly disclosed in writing to the

Banks on or before the Restatement Date, none of the execution and delivery of any of the Credit Documents, the borrowing of the Loans hereunder, the consummation of the Acquisition and the other transactions herein contemplated and compliance with the terms and provisions hereof will conflict with or result in a breach of, or require any consent under, the charter or by-laws of the Company, or any applicable law or regulation, or any order, writ, injunction or decree of any court or governmental authority or agency, or any agreement or instrument to which the Company or any Material Subsidiary or the Acquired Business is a party or by which any of them is bound or to which any of them is subject, or constitute a default under any such agreement or instrument, or result in the creation or imposition of any Lien upon any of the revenues or assets of the Company or any Material Subsidiary or the Acquired Business pursuant to the terms of any such agreement or instrument.

constitute grounds under Section 4042 of ERISA for the termination of, or for the appointment of a trustee to administer, any Plan and which involves a liability of the Company to PBGC in excess of \$25,000,000.

7.09 Taxes. United States Federal income tax returns of the

shall, by notice to the Company, cancel the Commitments and/or the Swingline Commitment (and upon any such cancellation of the Swingline Commitment, the Administrative Agent shall give notice thereof to the Banks) and (y) the Administrative Agent, upon request of one or more Banks holding more than 50% of the aggregate outstanding principal amount of Loans or, with respect to the Swingline Loans, upon request of the Swingline Bank, shall, by notice to the Company, declare the principal amount then outstanding of and the accrued interest on such Loans and all other amounts payable by the Company hereunder and under the Notes to be forthwith due and payable, whereupon such amounts shall be immediately due and payable without presentment, demand, protest or other formalities of any kind, all of which are hereby expressly waived by the Company; and (ii) in the case of the occurrence of an Event of Default referred to in clause (f) or (g) of this Section 9, the Commitments and the Swingline Commitment shall be automatically canceled and the principal amount then outstanding of, and the accrued interest on, the Loans and all other amounts payable by the Company hereunder and under the Notes shall become automatically immediately due and payable without presentment, demand, protest or other formalities of any kind, all of which are hereby expressly waived by the Company.

Without limiting Section 11.04 hereof, the Majority Banks may, on behalf of all the Banks, waive, for the period and on the conditions (if any) specified in such waiver, any Event of Default arising from the failure by the Company to perform any of its obligations under Section 8 hereof and any consequences thereof (including any termination of the Commitments and/or any declaration that the principal of and interest on the Loans and all other amounts payable by the Company hereunder and under the Notes shall be forthwith due and payable). In the case of any such waiver, the Company, the Banks and the Administrative Agent, for said period and on said conditions, shall be restored to their respective former positions and rights hereunder and under the Notes, and any Event of Default so waived shall, for said period and on said conditions, be deemed not to be continuing for the purposes of this Agreement; provided that no such waiver shall extend to any subsequent or other Event of

Default or impair any other right of any Bank or the Administrative Agent hereunder or under the Notes.

Credit Agreement

Section 10. Agency Provisions.

10.01 Appointment, Powers and Immunities. Each Bank and the

Swingline Bank hereby irrevocably appoints and authorizes the Administrative Agent to act as its agent hereunder with such powers as are specifically delegated to the Administrative Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. The Administrative Agent (which term as used in this sentence and in Section 10.05 hereof shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall not have any duties or responsibilities except those expressly set forth in this Agreement and shall not by reason of this Agreement be a trustee for any Bank or the Swingline Bank; (b) shall not be responsible to the Banks or the Swingline Bank for any recitals, statements, representations or warranties contained in this Agreement, or in any certificate or other document referred to or provided for in, or received by any of them under, this Agreement, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any Note or any other document referred to or provided for herein or for any failure by the Company or any other Person to perform any of its obligations hereunder or thereunder; (c) shall not be required to initiate or conduct any litigation or collection proceedings hereunder; and (d) shall not be responsible for any action taken or omitted to be taken by it hereunder or under any other document or instrument referred to or provided for herein or in connection herewith, except for its own gross negligence or willful misconduct. The Administrative Agent may employ agents and attorneys-in-fact and shall not be responsible for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith. The Administrative Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until (except in the case of an assignment pursuant to Section 11.06(f) hereof) a written notice of the assignment or transfer thereof shall have been filed with the Administrative Agent, together with the written consent of the Company to such assignment or transfer.

10.02 Reliance. The Administrative Agent shall be entitled to rely

upon any certification, notice or other communication (including any thereof by telephone, telex, telegram or cable) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by it; and as to any matters not expressly provided for by this Agreement, it shall in all cases be fully protected in acting, or in refraining from acting, hereunder in accordance with instructions signed by the Majority Banks, and such instructions and any action taken or

Credit Agreement

failure to act pursuant thereto shall be binding on all of the Banks.

10.03 Defaults. The Administrative Agent shall not be deemed to have

knowledge of the occurrence of a Default unless it has received notice from a Bank or the Company specifying such Default and stating that such notice is a "Notice of Default". In the event that the Administrative Agent receives such a notice of the occurrence of a Default, it shall give prompt notice thereof to the Banks. The Administrative Agent shall (subject to Sections 10.01, 10.07 and 11.04 hereof) take such action under the Credit Documents with respect to such Default as shall be directed by the Majority Banks, provided that, unless and

until it shall have received such directions, it may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interest of the Banks.

10.04 Rights as a Bank and as the Swingline Bank. With respect to its

Commitment, its Swingline Commitment and the Loans made by it, Chase (and any successor acting as Administrative Agent) in its capacity as a Bank or the Swingline Bank hereunder shall have the same rights and powers hereunder as any other Bank or the Swingline Bank and may exercise the same as though it were not acting as the Administrative Agent, and the term "Bank" or "Banks" or "Swingline Bank" shall, unless the context otherwise indicates, include each of the Administrative Agent in its individual capacity. Chase (and any successor acting as Administrative Agent) and its affiliates may (without having to account therefor to any Bank) accept deposits from, lend money to and generally engage in any kind of banking, trust or other business with the Company (and any of its affiliates) as if it were not acting as the Administrative Agent, and Chase and its affiliates may accept fees and other consideration from the Company for services in connection with this Agreement or otherwise without having to account for the same to the Banks.

10.05 Indemnification. The Banks agree to indemnify the

Administrative Agent (to the extent not reimbursed under Section 11.03 hereof, but without limiting the obligations of the Company under said Section 11.03), ratably in accordance with their respective Commitments (or, if the Commitments shall have terminated, ratably in accordance with the outstanding principal amounts of the Loans held by the respective Banks), for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against it in any way relating to or arising out of this Agreement or any other Credit Document, or any other documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby (including, without

Credit Agreement

limitation, the costs and expenses which the Company is obligated to pay under Section 11.03 hereof but excluding, unless a Default has occurred and is continuing, normal administrative costs and expenses incident to the performance of its agency duties hereunder) or the enforcement of any of the terms hereof or of any other Credit Document or of any such other documents, provided that no

Bank shall be liable for any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified.

10.06 Non-Reliance. Each Bank agrees that it has, independently and

without reliance on either the Administrative Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents) or any other Bank, and based on such documents and information as it has deemed appropriate, made its own credit analysis of the Company and the Subsidiaries and decision to enter into this Agreement and that it will, independently and without reliance upon the Administrative Agent or any other Bank, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement. The Administrative Agent shall not be required to keep itself informed as to the performance or observance by the Company of this Agreement or any other document referred to or provided for herein or to inspect the properties or books of the Company or any Subsidiary. Except for notices, reports and other documents and information expressly required to be furnished to the Banks by the Administrative Agent hereunder, the Administrative Agent shall not have any duty

or responsibility to provide any Bank with any credit or other information concerning the affairs, financial condition or business of the Company or any Subsidiary (or any of their affiliates) which may come into its possession or the possession of any of its affiliates.

10.07 Failure to Act. Except for action expressly required of the

Administrative Agent hereunder, the Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall receive further assurances to its satisfaction from the Banks of their indemnification obligations under Section 10.05 hereof against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

10.08 Resignation or Removal of Administrative Agent. Subject to the

appointment and acceptance of a successor as provided below, the Administrative Agent may resign at any time by giving notice thereof to the Banks and the Company and the Administrative Agent may be removed at any time with or without cause by the Majority Banks. Upon any such resignation or

Credit Agreement

- 87 -

removal, the Majority Banks shall, after consultation with the Company, have the right to appoint a successor. If no successor shall have been so appointed by the Majority Banks and shall have accepted such appointment within 30 days after the retiring Agent's giving of notice of resignation or the Majority Banks' removal of the Administrative Agent, then the retiring Administrative Agent may, on behalf of the Banks, after consultation with the Company, appoint a successor, which shall be a bank with a combined capital and surplus of at least \$1,000,000,000. Upon the acceptance of any appointment hereunder by a successor, such successor shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. After any retiring Administrative Agent's resignation or removal hereunder, the provisions of this Section 10 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting hereunder.

10.09 Agents, Etc. The Documentation Agent and the Syndication Agent

identified on the cover page of this Agreement shall have no duties or responsibilities hereunder other than as Banks hereunder or, in the case of Chase, as Swingline Bank and as Administrative Agent. Each Managing Bank acts hereunder in its individual capacity and not as agent for the Banks and shall have no duties or responsibilities hereunder to any other Bank (except, in the case of Chase, when it is acting in its capacity as Administrative Agent).

Section 11. Miscellaneous.

11.01 Waiver. No failure on the part of the Administrative Agent,

any Bank or the Swingline Bank to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege under this Agreement or any other Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under this Agreement or any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

11.02 Notices. All notices and other communications provided for

herein (including, without limitation, any modifications of, or waivers or consents under, this Agreement) shall be given or made by telecopy or in writing (or, with respect to notices given pursuant to Sections 2.02, 2.03 and 4.07 hereof, by telephone, confirmed in writing by telecopy by the close of business on the day the notice is given); and

Credit Agreement

- 88 -

telecopied, mailed or delivered (or telephoned, as the case may be) to the intended recipient at the "Address for Notices" specified below its name on the signature pages hereof or, as to any party, at such other address as shall be designated by such party in a notice to each other party. Officers of the Company authorized to give such telephone notices shall be designated by the Company in writing to the Administrative Agent and notices given by anyone purporting to be any one of the designated officers may be honored by the Administrative Agent. Except as otherwise provided in this Agreement, all such communications shall be deemed to have been duly given when transmitted by telecopier or personally delivered or, in the case of a mailed notice, upon receipt, in each case given or addressed as aforesaid.

11.03 Expenses, Etc. The Company agrees to pay or reimburse each of

the Banks, the Swingline Bank and the Administrative Agent for paying: (a) the reasonable fees and expenses of Milbank, Tweed, Hadley & McCloy, special New York counsel to the Banks and the Swingline Bank, in connection with (i) the preparation, execution and delivery of this Agreement and the other Credit Documents and the making of the Loans hereunder and (ii) any amendment, modification or waiver of any of the terms of this Agreement or any of the other Credit Documents; (b) all reasonable costs and expenses of the Administrative Agent (including, without limitation, telephone, telex and courier expenses and printing and publishing costs) in connection with the negotiation, syndication and execution of this Agreement and the other Credit Documents; (c) all reasonable costs and expenses of the Banks, the Swingline Bank and the Administrative Agent (including reasonable counsels' fees and allocated expenses of in-house lawyers) in connection with the enforcement of this Agreement or any of the other Credit Documents; and (d) all transfer, stamp, documentary or other similar taxes, assessments or charges levied by any governmental or revenue authority in respect of this Agreement, any of the other Credit Documents or any other document referred to herein or therein.

The Company hereby agrees to indemnify the Administrative Agent and each Bank and their respective directors, officers, employees, attorneys and agents from, and hold each of them harmless against, any and all losses, liabilities, claims, damages or expenses incurred by any of them (including, without limitation, any and all losses, liabilities, claims, damages or expenses incurred by the Administrative Agent to any Bank, whether or not the Administrative Agent or any Bank is a party thereto) arising out of or by reason of any investigation or litigation or other proceedings (including any threatened investigation or litigation or other proceedings) relating to the Loans hereunder or any actual or proposed use by the Company or any of its Subsidiaries of the proceeds of any of

Credit Agreement

- 89 -

the Loans hereunder, including, without limitation, the reasonable fees and disbursements of counsel incurred in connection with any such investigation or litigation or other proceedings (but excluding any such losses, liabilities, claims, damages or expenses incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified).

11.04 Amendments, Etc. Any provision of this Agreement may be

amended, waived or otherwise modified only by an instrument signed by the Company and the Majority Banks, or by the Company and the Administrative Agent acting with the consent of the Majority Banks, and, if the rights or obligations hereunder of the Swingline Bank are affected thereby, the Swingline Bank, and any provision of this Agreement may be waived by the Majority Banks or by the Administrative Agent acting with the consent of the Majority Banks and, if the rights or obligations hereunder of the Swingline Bank are affected thereby, the Swingline Bank; provided that (a) no amendment, waiver or other modification

shall, unless by an instrument signed by all of the Banks or by the Administrative Agent acting with the consent of all of the Banks: (i) increase or extend the term, or extend the time or waive any requirement for the reduction or termination, of any of the Commitments or the Swingline Commitment, (ii) extend the date fixed for the payment of principal of or interest on any Loan, (iii) reduce the amount of any payment of principal thereof or the rate at which interest is payable thereon or any Fee is payable hereunder, (iv) alter the terms of clause (f) or (g) of Section 9 hereof, the paragraph of Section 9 hereof beginning with the word "THEREUPON" or this Section 11.04, (v) amend the definition of the term "Majority Banks" or modify in any other manner the number or percentage of the Banks required to make any determinations or waive any rights hereunder or to modify any provision hereof, (vi) waive any of the conditions precedent set forth in Section 6 hereof, (vii) alter any provision of this Agreement insofar as such provision requires the consent or approval of all of the Banks or (viii) alter any provision of this Agreement that would have the effect set forth in any of the foregoing clauses (i) through (vii), (b) any amendment of Section 10 hereof, or any provision which increases the obligations of the Administrative Agent hereunder, shall require the consent of the Administrative Agent and (c) any modification of any of the rights or obligations of the Swingline Bank shall require the consent of the Swingline Bank.

11.05 Successors and Assigns. This Agreement shall be binding upon

and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

11.06 Assignments and Participations.

(a) The Company may not assign any of its rights or obligations hereunder or under the Notes without the prior consent of all of the Banks and the Administrative Agent and the Swingline Bank.

(b) A Bank may assign any of its Loans, its Notes, its Commitments or its interest acquired under Section 2.02(b) hereof in Swingline Loans to any other Person only with the prior consent of the Company and the Administrative Agent and, in the case of its Revolving Credit Commitment or its interest in any Swingline Loans, the Swingline Bank (which consent, in each case, may not be unreasonably withheld or delayed; it being agreed that the Company, in determining whether to give such consent, may reasonably consider, without limitation of other factors that the Company may reasonably consider, the financial capability, financial rating and location of a proposed assignee and any prior business relationships between the Company and a proposed assignee, provided that any such determination shall be made by the Company in good faith

and after consideration of all relevant factors); provided that (x) any Bank may

assign to another Bank all or any portion of its Commitments or Loans and (y) unless the Company and the Administrative Agent shall otherwise consent, any such partial assignment (other than to another Bank) shall be in an aggregate

principal amount equal to \$10,000,000 or any integral multiple of \$1,000,000 in excess thereof. For purposes of making the determination described in the first sentence of this Section 11.06(b) of whether to give its consent to an assignment by any Bank, the Company (i) recognizes that the initial aggregate amount of the Commitments of such Bank may exceed significantly the final amount that such Bank intends to hold on a long term basis and (ii) agrees to consider the targeted final hold amount of such Bank as disclosed to the Company by such Bank. Upon written notice to the Company and the Administrative Agent and (if necessary) the Swingline Bank of an assignment permitted by the provisos of the preceding sentence (which notice shall identify the assignee Bank, the amount of the assignor Bank's Commitments and Loans assigned in detail reasonably satisfactory to the Administrative Agent) and upon the effectiveness of any assignment consented to by the Company and the Administrative Agent and (if necessary) the Swingline Bank, the assignee shall have, to the extent of such assignment (unless otherwise provided in such assignment with the consent of the Company and the Administrative Agent and the Swingline Bank), the obligations, rights and benefits of a Bank hereunder holding the Commitments and Loans and interests in Swingline Loans (or portions thereof) assigned to it (in addition to the Commitments and Loans, if any, theretofore held by such assignee). Upon the effectiveness of any assignment of any of its Commitments or Loans, the assignor Bank or the assignee (as agreed between them)

Credit Agreement

- 91 -

shall pay to the Administrative Agent a transfer fee in an amount equal to \$3,000; provided that the assignee Bank shall pay any transfer fee payable in

connection with any assignment effected pursuant to Section 2.04(e) hereof.

(c) The Swingline Bank may not (except as provided in Section 2.02(b) hereof) assign or sell participations in all or any part of its Swingline Loans, its Swingline Note or its Swingline Commitment; provided that the Swingline Bank may assign to another Bank all of its obligations, rights and benefits in respect of its Swingline Loans, its Swingline Note and its Swingline Commitment. Upon the effectiveness of any such assignment, the assignee shall have the obligations, rights and benefits of the Swingline Bank hereunder holding the Swingline Commitment and Swingline Loans assigned to it, and the assigning Swingline Bank shall be released from its Swingline Commitment so assigned.

(d) A Bank may sell to one or more other Persons a participation in all or any part of any Loan held or to be made by it or in any of its Commitments, in which event each such participant shall not have any rights or benefits under this Agreement or any Note (the participant's rights against such Bank in respect of such participation to be those set forth in the agreement (the "Participation Agreement") executed by such Bank in favor of the

participant). All amounts payable by the Company to any Bank under Section 5 hereof shall be determined as if such Bank had not sold any participations in such Loan and in such Commitment and as if such Bank were funding all of such Loan in the same way that it is funding the portion of such Loan and such Commitment in which no participations have been sold. In no event shall a Bank that sells a participation be obligated to the participant under the Participation Agreement to take or refrain from taking any action hereunder or under such Bank's Note(s) except that such Bank may agree in the Participation Agreement that it will not, without the consent of the participant, agree to (i) the increase or the extension of the term, or the extension of the time or waive any requirement for the reduction or termination, of such Bank's Commitment, (ii) the extension of any date fixed for the payment of principal of or interest on the related Loan or Loans, (iii) the reduction of any payment of principal thereof, (iv) the reduction of the rate at which either interest is payable thereon or (if the participant is entitled to any part thereof) commitment fee or facility fee is payable hereunder to a level below the rate at which the participant is entitled to receive interest or commitment fee or facility fee (as the case may be) in respect of such participation or (v) take any other

action that, under this Agreement, requires the consent or approval of all of the Banks.

No such assignment shall release the assigning Bank from its obligations hereunder.

no Bank shall, without the Company's prior consent, provide any information relating to projections of the Company's financial performance to any participant or any prospective assignee or participant (other than any bank or other financial institution identified to the Company as a participant under the Existing Credit Agreement in a notice given to the Company prior to the Restatement Date), and, in lieu thereof, the Company shall, promptly following the request of any Bank and at the Company's expense, provide to a participant (or prospective assignee or participant) of such Bank any information relating to projections of the Company's financial performance that has been made available to such Bank. Each Bank agrees that money damages would not be a sufficient remedy for any breach of such Bank's obligations under this Section 11.11 and that, in addition to all other remedies available to the Company at law or in equity, the Company shall be entitled to injunctive relief against such Bank as a remedy for such breach.

FOR IMMEDIATE RELEASE

NORTHROP GRUMMAN COMPLETES ACQUISITION OF

WESTINGHOUSE DEFENSE AND ELECTRONICS SYSTEMS BUSINESS

LOS ANGELES -- March 1, 1996 -- Northrop Grumman Corporation announced today that it has completed the acquisition of Westinghouse's defense and electronics systems business, which is headquartered in Baltimore, Md.

Northrop Grumman purchased the business for \$3 billion in cash. The company also assumed approximately \$500 million in unfunded pension liability and other post-retirement benefits for the unit's current employees.

The transaction was financed through a combination of bank credit facilities and a \$1 billion Rule 144A debt offering due in 10, 20 and 30 years.

Northrop Grumman said it will operate the Westinghouse business as a separate division, which will be known as the Electronic Sensors and Systems Division. The unit employs nearly 12,000 people worldwide at 15 operating locations, primarily in the United States. Its revenues in 1995 were approximately \$2.6 billion, and its business backlog at year-end was approximately \$3.6 billion.

"This growth acquisition represents a major strategic step forward in the transformation of our company from primarily a builder of airplanes to an electronics and systems integration company with healthy military aircraft, commercial aircraft, and

information systems businesses," said Kent Kresa, Northrop Grumman chairman, president and chief executive officer.

ESSD is a world leader in the development and production of sophisticated electronic systems for the nation's defense, civil aviation, and other international and domestic applications.

It produces radars and electronics for combat aircraft and battlespace management systems, including those for the F-22 and F-16 fighters, B-1B bomber, C-130 transport, and the E-3 AWACS and E-8 Joint STARS surveillance aircraft. ESSD also is involved in military space and undersea programs, electronic countermeasures, tactical communications, and marine products.

In addition to its information systems business, the division is also a leading supplier of air traffic control radars to the Federal Aviation Administration and to countries in Europe, the Middle East, Africa, Asia and South America.
