

Northrop Grumman Highlights Capabilities and Technology Advances at the 2013 I/ITSEC

December 4, 2013

ORLANDO, Fla., Dec. 4, 2013 /PRNewswire/ -- Northrop Grumman Corporation (NYSE: NOC) is highlighting its advances in training solutions at the 2013 Interservice/Industry Training, Simulation and Education Conference (I/ITSEC) this week at the Orange County Convention Center in Orlando.

(Logo: <http://photos.prnewswire.com/prnh/20121024/LA985631.IMG>)

"As a highly trusted provider of training solutions, we train worldwide using live, virtual and constructive training formats on a multitude of platforms," said Greg Schmidt, vice president and general manager, Training Solutions division, Northrop Grumman Technical Services. "We work shoulder-to-shoulder with our customers, integrating our understanding of their diverse missions with our adaptive learning techniques and operational expertise."

Northrop Grumman's I/ITSEC exhibit booth #1949 provides an overview of the company's offerings in advanced training solutions to support unmanned systems, C4ISR, cyber, and logistics and modernization.

The exhibit, in support of the show's theme of "Concepts and Technologies: Empowering an Agile Force," features Northrop Grumman's expertise in advanced training networks, adaptive learning solutions such as the Graduate Training Integration Management Systems, collective training, distributed mission operations and training, distributed simulation/stimulation system, gaming technologies, PORTS trainers, rotary wing aviation, Synthetic Adaptable Intelligent Entity (SAdIE), Sandshark™ and virtual training systems.

Information on the capabilities showcased can be found online through Northrop Grumman's social media channels and the company's I/ITSEC 2013 media kit, <http://www.northropgrumman.com/MediaResources/MediaKits/IITSEC/>.

In addition, the company will host two media briefings on Dec. 4:

10 a.m. - Saudi Arabia Ministry of the National Guard teaming announcement

2 p.m. - SandShark™

I/ITSEC 2013 Conference Media Center, Briefing Room 210E

South Concourse, Orange County Convention Center

9899 International Drive, Orlando, FL 32819

Northrop Grumman is a leading global security company providing innovative systems, products and solutions in unmanned systems, cyber, C4ISR, and logistics and modernization to government and commercial customers worldwide. Please visit www.northropgrumman.com for more information.
