

Northrop Grumman Renews Service Contract with Carisbrooke Shipping

December 11, 2014

NEW MALDEN, U.K., Dec. 11, 2014 /PRNewswire/ -- Northrop Grumman Corporation (NYSE: NOC) has renewed its service agreement with U.K.-based Carisbrooke Shipping Limited.

NORTHROP GRUMMAN

The contract will cover spares and labour for navigation systems, communication equipment and voyage data recorders onboard the 23 vessels, which include 6,000-, 8,000- and 12,500- Dead Weight Tonnage bulkers. Northrop Grumman Sperry Marine has supplied gyro compasses, autopilots, speed logs, radar and Electronic Chart Display Information Systems (ECDIS) to these vessels.

"This contract furthers the relationships between Carisbrooke and Northrop Grumman Sperry Marine," said John Fletcher, global service manager, Northrop Grumman Sperry Marine. "It ensures Carisbrooke will be supported by our global service network, regional distribution centers, service depots and repair workshops to ensure prompt and efficient service."

Northrop Grumman is a leading global security company providing innovative systems, products and solutions in unmanned systems, cyber, C4ISR, and logistics and modernization to government and commercial customers worldwide. Please visit www.northropgrumman.com for more information.
