

Northrop Grumman Showcases Adaptive Learning; Live, Virtual and Constructive Advancements at I/ITSEC 2015

November 23, 2015

HERNDON, Va., Nov. 23, 2015 (GLOBE NEWSWIRE) -- Northrop Grumman Corporation (NYSE:NOC) will demonstrate its latest advances in training solutions at the 2015 Interservice/Industry Training, Simulation and Education Conference (I/ITSEC) Nov. 30 through Dec. 3 at the Orange County Convention Center in Orlando, Florida.

In support of the conference's theme this year, "Forging the Future Through Innovation," Northrop Grumman's exhibit will feature its capabilities in adaptive learning; distributed mission operations; on-demand live, virtual and constructive integrated range solutions; PC-based Open-architecture Re-configurable Training System (PORTS).

What: Northrop Grumman Training Systems and Solutions

When: Monday, Nov. 30 through Thursday, Dec. 3, 2015

Where: Northrop Grumman Exhibit Booth #1949

Orange County Convention Center, South Concourse

9899 International Drive

Orlando, Florida 32819

Northrop Grumman's exhibit booth #1949 will provide an overview of the company's affordable training capabilities, technologies and products that support the missions of government and commercial customers worldwide. Interviews with Northrop Grumman's training experts can be arranged by visiting the company's exhibit booth.

Northrop Grumman is a leading global security company providing innovative systems, products and solutions in unmanned systems, cyber, C4ISR, and logistics and modernization to government and commercial customers worldwide. Please visit www.northropgrumman.com for more information.
