

Northrop Grumman Announces Webcast, Conference Call of First Quarter 2023 Financial Results

March 23, 2023

FALLS CHURCH, Va., March 23, 2023 (GLOBE NEWSWIRE) -- Northrop Grumman Corporation (NYSE: NOC) announced today that its first quarter 2023 financial results will be posted on its investor relations website on April 27, 2023. Prior to the market opening, and after the filing of the earnings release on Form 8-K with the Securities and Exchange Commission, the company will issue an advisory release notifying the public of the availability of the complete and full text earnings release on the company's website at <http://investor.northropgrumman.com>.

The company's first quarter 2023 conference call will be held at 9:00 a.m. Eastern time, Thursday, April 27, 2023. Kathy Warden, chair, chief executive officer and president, and Dave Keffer, chief financial officer, will review first quarter 2023 results. The conference call will be webcast live on Northrop Grumman's website at <http://investor.northropgrumman.com>. Replays of the call will be available on the Northrop Grumman website for a limited time. Presentations may be supplemented by a series of slides appearing on the company's investor relations home page.

Northrop Grumman is a leading global aerospace and defense technology company. Our pioneering solutions equip our customers with the capabilities they need to connect and protect the world, and push the boundaries of human exploration across the universe. Driven by a shared purpose to solve our customers' toughest problems, our 95,000 employees define possible every day.

Note: Statements in this press release, and statements to be made on the conference call, including in any accompanying materials, contain or may contain statements that constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "will," "expect," "anticipate," "intend," "may," "could," "should," "plan," "project," "forecast," "believe," "estimate," "guidance," "outlook," "trends," "goals" and similar expressions generally identify these forward-looking statements. These forward-looking statements speak only as of the date when made, and the Company undertakes no obligation to publicly update or revise any forward-looking statements after the date of this release or the date of the call, except as required by applicable law. Forward-looking statements are not guarantees of future performance and inherently involve a wide range of risks and uncertainties that are difficult to predict. A discussion of these risks and uncertainties is contained in the Company's filings with the Securities and Exchange Commission.
