

Northrop Grumman to Webcast Annual Shareholders Meeting

May 15, 2008

LOS ANGELES, May 15, 2008 /PRNewswire-FirstCall via COMTEX News Network/ -- Northrop Grumman Corporation (NYSE: NOC) will conduct its annual shareholders meeting on Wednesday, May 21, 2008. The meeting, which includes a presentation by Ronald D. Sugar, Northrop Grumman chairman and chief executive officer, will be webcast beginning at 8 a.m. PDT at <http://www.northropgrumman.com>. An audio replay will be available for two weeks.

Northrop Grumman Corporation is a global defense and technology company whose 120,000 employees provide innovative systems, products, and solutions in information and services, electronics, aerospace and shipbuilding to government and commercial customers worldwide.

Note: Certain statements and assumptions in this release and/or presentation to be made at the conference and the accompanying materials, if any, contain or are based on "forward-looking" information that Northrop Grumman believes to be within the definition in the Private Securities Litigation Reform Act of 1995 and involve risks and uncertainties, and include, among others, statements in the future tense, and all statements accompanied by terms such as "project," "expect," "estimate," "assume," "believe," "plan," "guidance," "outlook," "target" or variations thereof. This information reflects the Company's best estimates when made, but the Company expressly disclaims any duty to update this information if new data becomes available or estimates change after the date of this release or the subject presentation. A discussion of these risks and uncertainties is contained in the Company's filings with the Securities and Exchange Commission, including Forms 10-K and 10-Q among others.
