ISS Recommends That TRW Shareholders Approve
The Control Share Acquisition Proposal On April 22

LOS ANGELES -- April 18, 2002 -- Northrop Grumman Corporation

(NYSE: NOC) stated today that it has received the endorsement of Institutional Shareholder Services Inc. (ISS) - the nation's leading independent proxy advisory firm - in connection with the upcoming Special Meeting of TRW shareholders on April 22. ISS has recommended that TRW shareholders approve, by voting for, the Control Share Acquisition proposal.

Kent Kresa, Northrop Grumman chairman and chief executive officer, said, "We are pleased that ISS recognizes that the best interests of TRW shareholders will be served by supporting the Control Share Acquisition proposal, which will give TRW shareholders the opportunity to decide for themselves whether to participate in Northrop Grumman's \$53 value per share exchange offer for all TRW shares. ISS further recognizes that a favorable vote is the only way the Northrop Grumman offer may proceed under Ohio law, notwithstanding TRW's new found willingness to share non-public information with potential bidders."

In its report to TRW shareholders, ISS said it "believes that NOC's revised offer provides a basis for opening negotiations with TRW and thus, NOC's acquisition process should be kept open. Shareholder approval of this proposal would pressure the board to allow NOC to begin due diligence and would send a strong message to the board to open negotiations and keep NOC's offer alive." The report also said that, "ISS encourages TRW's board to open negotiations with NOC and permit them to do due diligence on the company."

Kresa said, "ISS has concluded with what we have been saying all along, which is that by voting for the Control Share Acquisition proposal TRW shareholders keep their options open. We urge TRW shareholders to vote for the approval of the Control Share Acquisition so that we can proceed forward. Because, under Ohio law, not all TRW shareholders are eligible to vote at the Special Meeting it is especially important that all TRW shareholders who want to maximize the value of their TRW shares be sure to return their blue proxy including the certification of eligibility to vote in support of the resolution."
